Defining NASA's Mission and America's Vision for the Future of Space Exploration United States. Congress. House. Committee on Government Reform and Oversight. Subcommittee on National Security, International Affairs, and Criminal Justice, 1998

America'S Vision Vs. God'S Standard of Justice Walt Thrun, 2015-09-28 This book examines God's standard of righteousness and justice as revealed to the nation of Israel and then compares those standards with America's progressive vision. It discusses this nation's three major branches of government: the executive, legislative, and judicial, relative to America's perception of national authority and justice. It also considers specific contemporary domestic economic and foreign policy issues to determine if America's priorities compare with God's revealed standards. A major Scripture reference will be Numbers 15:16-21. Now all these things happened to them Israelites as examples and they were written for our admonition upon whom the ends of the ages have come. 1 Corinthians 10:11. A comprehensive chapter on the Middle East entitled "The Fertile Crescent Geographic Center of Prophecy" presents biblical evidence that this age will end where it all began. The study also offers in this context a unique perspective on the final world kingdom based on both biblical prophecy and Islamic literature. More than five hundred Scripture passages containing more than one thousand verses are referenced and quoted from twenty-six books of the Old Testament and twenty-four books of the New Testament. This book is ideally suited for group Bible studies in addition to enhancing individual understanding of the requirements for national success based on biblical teachings.
