Mizruchi,2009-06-01 Between the Civil War and World War I the United States underwent the most rapid economic expansion in history At the same time the country experienced unparalleled rates of immigration In The Rise of Multicultural America Susan Mizruchi examines the convergence of these two extraordinary developments No issue was more salient in postbellum American capitalist society she argues than the country s bewilderingly diverse population This era marked the emergence of Americans self consciousness about what we today call multiculturalism Mizruchi approaches this complex development from the perspective of print culture demonstrating how both popular and elite writers played pivotal roles in articulating the stakes of this national metamorphosis In a period of widespread literacy writers assumed a remarkable cultural authority as best selling works of literature and periodicals reached vast readerships and immigrants could find newspapers and magazines in their native languages Mizruchi also looks

at the work of journalists photographers social reformers intellectuals and advertisers Identifying the years between 1865 and 1915 as the founding era of American multiculturalism Mizruchi provides a historical context that has been overlooked in contemporary debates about race ethnicity immigration and the dynamics of modern capitalist society Her analysis recuperates a legacy with the potential to both invigorate current battle lines and highlight points of reconciliation

Performing Americanness Catherine Rottenberg,2008 A comparative analysis of modern African American and Jewish American narratives Key Texts in American Jewish Culture Jack Kugelmass,2003 Key Texts in American Jewish Culture expands the frame of reference used by students of culture and history both by widening the canon of Jewish texts and by providing a way to extrapolate new meanings from well known sources Contributors come from a variety of disciplines including American studies anthropology comparative literature history music religious studies and women s studies Each provides an analysis of a specific text in art music television literature homily liturgy or history Some of the works discussed such as Philip Roth s novel Counterlife the musical Fiddler on the Roof and Irving Howe s World of Our Fathers are already widely acknowledged components of the American Jewish studies canon Others such as Bridget Loves Bernie infamous for the hostile reception it received among American Jews may be considered key texts because of the controversy they provoked Still others such as Joshua Liebman s Piece of Mind and the radio and TV sitcom The Goldbergs demonstrate the extent to which American Jewish culture and mainstream American culture intermingle with and borrow from each other

Street Scenes Esther Romeyn,2008 Street Scenes focuses on the intersection of modern city life and stage performance From street life and slumming to vaudeville and early cinema to Yiddish theatre and blackface comedy Romeyn discloses racial comedy passing and masquerade as gestures of cultural translation

Abraham Cahan Sanford E. Marovitz,1996 In Abraham Cahan Sanford E Marovitz relates in telling detail Cahan s rise from green newspaperman to discriminating novelist and shrewd editor of the daily Yiddish Forward After a difficult start Cahan a founder of the Forward edited the paper for nearly 50 years bringing its circulation to an impressive quarter million during its heyday in the early 1920s An ardent advocate of assimilation Cahan saw the Forward as a means of acculturating newly arrived Jewish immigrants to America and helping them gain economic stability Although Cahan was first and last a newspaperman he wrote what is still considered one of the best fictional accounts of the American immigrant experience The Rise of David Levinsky Written in English as were all the novels and stories covered in Abraham Cahan and published in 1917 the novel tells the story of the title character s rise from poor Hebrew scholar in Russia to successful businessman in America and of the psychological and spiritual price he pays for neglecting his emotional life For this and other works of fiction such as the Yekl A Tale of the New York Ghetto 1896 and the short stories collected in The Imported Bridegroom 1898 Cahan was both praised and criticized for his brutal realism He populated his stories with flawed and often conflicted characters and spared his readers few of the grim details of existence in the Jewish ghetto Part of Cahan s motivation for writing fiction in English was to educate non Jewish

American readers about Jewish culture history and persecution in both the Old and New Worlds His novel *The White Terror* and the *Red* 1905 particularly dramatized the violence Eastern European Jews suffered at the hands of czarist police Another motivation for writing in English was to humanize Jews in the eyes of America's Gentiles most of whom at that time perceived the Jewish people to be strangely different from themselves Interestingly in spite of Cahan's sympathies with the plight of his fellow Jews he did not practice his religion but embraced socialism and promoted it as a means to help Jewish immigrants achieve social and economic security

Notions of Otherness Mark Axelrod-Sokolov, 2019-04-30 One can approach the notion of otherness or alterity in various ways politically aesthetically ethically culturally religiously and sexually Writing in Saylor.org Lilia Melani defined the other as an individual who is perceived by the group as not belonging as being different in some fundamental way Any stranger becomes the Other The Other in a society may have few or no legal rights may be characterized as less intelligent or as immoral and may even be regarded as sub human The collection of essays *Notions of Otherness* addresses many of these approaches as ways of interrogating how varied yet how similar they are in relation to the individual literary texts

The Makings and Unmakings of Americans Cristina Stanciu, 2023-01-24 Challenges the myth of the United States as a nation of immigrants by bringing together two groups rarely read together Native Americans and Eastern European immigrants In this cultural history of Americanization during the Progressive Era Cristina Stanciu argues that new immigrants and Native Americans shaped the intellectual and cultural debates over inclusion and exclusion challenging ideas of national belonging citizenship and literary and cultural production Deeply grounded in a wide ranging archive of Indigenous and new immigrant writing and visual culture including congressional acts testimonies news reports cartoons poetry fiction and silent film this book brings together voices of Native and immigrant America Stanciu shows that although Native Americans and new immigrants faced different legal and cultural obstacles to citizenship the challenges they faced and their resistance to assimilation and Americanization often ran along parallel paths Both struggled against idealized models of American citizenship that dominated public spaces Both participated in government sponsored Americanization efforts and worked to

gain agency and sovereignty while negotiating naturalization Rethinking popular understandings of Americanization Stanciu argues that the new immigrants and Native Americans at the heart of this book expanded the narrow definitions of American identity

An American Cakewalk Zeese Papanikolas, 2015-08-26 The profound economic and social changes in the post Civil War United States created new challenges to a nation founded on Enlightenment and transcendental values religious certainties and rural traditions Newly freed African Americans emboldened women intellectuals and artists and a polyglot tide of immigrants found themselves in a restless new world of railroads factories and skyscrapers where old assumptions were being challenged and new values had yet to be created In *An American Cakewalk* Ten Syncopators of the Modern World Zeese Papanikolas tells the lively and entertaining story of a diverse group of figures in the arts and sciences who inhabited this new America Just as ragtime composers subverted musical expectations by combining European march timing with African syncopation so this book's protagonists who range from Emily Dickinson to Thorstein Veblen and from Henry and William James to Charles Mingus interrogated the modern American world through their own syncopations of cultural givens The old antebellum slave dance the cakewalk with its parody of the manners and pretensions of the white folks in the Big House provides a template of how the tricksters shamans poets philosophers ragtime pianists and jazz musicians who inhabit this book used the arts of parody satire and disguise to subvert American cultural norms and to create new works of astonishing beauty and intellectual vigor

[Next to Godliness](#) Daniel Burnstein, 2024-03-18 To many Progressive Era reformers the extent of street cleanliness was an important gauge for determining whether a city was providing the conditions necessary for impoverished immigrants to attain a state of decency a level of individual well being and morality that would help ensure a healthy and orderly city Daniel Eli Burnstein's study examines prominent street sanitation issues in Progressive Era New York City ranging from garbage strikes to juvenile cleaning leagues to explore how middle class reformers amassed a cross class and cross ethnic base of support for social reform measures to a degree greater than in practically any other period of prosperity in U S history The struggle for enhanced civic sanitation serves as a window for viewing Progressive Era social reformers attitudes particularly their emphasis on mutual obligations between the haves and have nots and their recognition of the role of negative social and physical conditions in influencing individual behaviors

Live & be Well Richard F. Shepard, Vicki Gold Levi, 2000 This book heralds and documents the rich and vibrant traditions of Yiddish speaking immigrants and their children in the golden land from the first arrivals until World War II It presents the famous infamous and the unknown and is illustrated with photographs cartoons and theatre posters
