gothic horror fantasy and science fiction thoughtful comedies and politically nuanced tragedies The quality that deeply links the texts is their ability to illuminate the stabilities and mobilities through which home not only mediates but also integrates an individual's diverse experiences of belonging in different locations as well as on different geocultural scales from the intimate household to the more abstract hometown or homeland and beyond

Visits From the Drowned Girl Steven Sherrill, 2014-06-10 From the author of cult classic THE MINOTAUR TAKES A CIGARETTE BREAK comes a dark narrative that begs the question at what point do we become responsible for the things that we see Benny Poteat observes the world from above working hundreds of feet in the air repairing tension lines He s seen a lot of things from this vantage point but nothing can compare to watching a girl die She approaches the river that snakes far below him and walks purposefully into the rushing water never to reappear Startled at both what he s witnessed and his inability to prevent it what Benny does next will forever alter the course of his life He does nothing He gathers up the drowned girl s belongings and doesn t tell a soul what he saw Instead Benny visits the address on a business card he finds in the drowned girl s bag and slowly insinuates himself into the life she once lived But even as he immerses himself in her world he wonders What does it mean to watch someone die And what can explain his strange attraction to the drowned girl VISITS FROM THE DROWNED GIRL is an unforgettable tale about the seductive but ultimately pernicious nature of secrecy As Benny struggles to figure out what to do and who to tell his burden becomes unbearable and the secrets he keeps threaten to pull him under

Tracking Classical Monsters in Popular Culture Liz Gloyn, 2020 What is it about ancient monsters that popular culture still finds so enthralling Why do the monsters of antiquity continue to stride across the modern world In this book the first in depth study of how post classical societies use the creatures from ancient myth Liz Gloyn reveals the trends behind how we have used monsters since the 1950s to the present day and considers why they have remained such a powerful presence in our shared cultural imagination She presents a new model for interpreting the extraordinary vitality that classical monsters

have shown and their enormous adaptability in finding places to dwell in popular culture without sacrificing their connection to the ancient world Her argument takes her readers through a comprehensive tour of monsters on film and television from the much loved creations of Ray Harryhausen in Clash of the Titans to the monster of the week in Hercules The Legendary Journeys before looking in detail at the afterlives of the Medusa and the Minotaur She develops a broad theory of the ancient monster and its life after antiquity investigating its relation to gender genre and space to offer a bold and novel exploration of what keeps drawing us back to these mythical beasts From the siren to the centaur all monster lovers will find something to enjoy in this stimulating and accessible book **The Minotaur Takes His Own Sweet Time** Steven Sherrill,2023-09-26
