despite the involvement of some of the most talented people in the business creative differences between movie and television writers led to a wildly uneven product He gives entertaining accounts of the problems that plagued production which included a ruinously expensive cantina set the acrimonious departure of the director and Lucas himself and a furious Grace Slick just out of rehab demanding to be included in the production Packed with memorable anecdotes drawing on extensive new interviews with countless people involved in the production and told with mingled affection and bewilderment this never before told story gives a fascinating look at a strange moment in pop culture history that remains an object of fascination even today **Overweight Sensation** Mark Cohen,2013-05-14 Examines the comedian s life discussing his rapid fame and decline into obscurity **MORE Remarkable Women Word Search Puzzles** M.
