Timon Of Athens William Shakespeare, Thomas Middleton, 2008-06-24 Kommentierte Ausgabe des Werks Timon of Athens

Timon of Athens William Shakespeare, 2001-04-19 Karl Klein's edition of Timon of Athens introduces Shakespeare's play as a complex exploration of a corrupt moneyed society Klein sees the protagonist not as a failed tragic hero but as a rich and philanthropic nobleman surrounded by greed and sycophancy who is forced to recognise the inherent destructiveness of the Athenian society from which he retreats in disgust and rage Klein establishes Timon as one of Shakespeare's late works arguing contrary to recent academic views that evidence for other authors besides Shakespeare is inconclusive The edition shows that the play is neither tragedy satire nor comedy but a subtle and complete drama whose main characters contain elements of all three genres This edition was near completion at the time of Karl Klein's death and was prepared for publication by his colleagues and by Brian Gibbons The Life of Timon of Athens William Shakespeare, 2013-04-01 Timon

of Athens is a bitterly intriguing study of a fabulously rich man who wastes his wealth on his friends and when he is finally impoverished learns to despise humanity with a hatred that drives him to his grave The play's plot structure is schematically clear and the poetry of Timon's rage is arresting in its savage intensity Yet readers have often detected loose ends and the tone of writing is uneven **The Life of Timon of Athens by William Shakespeare** William Shakespeare, 2018-12-10

Timon of Athens William Shakespeare,1888 Timon of Athens has struck many readers as rough and unpolished perhaps even unfinished though to others it has appeared as Shakespeare s most profound tragic allegory The editors provide detailed annotation of the text and explore the wide range of critical and theatrical interpretations that the play has engendered Tracing both its satirical and tragic strains their introduction presents a perspective on the play s meanings that combines careful elucidation of historical context with analysis of its relevance to modern day society An extensive and well illustrated account of the play s production history generates a rich sense of how the play can speak to different historical moments in specific and rewarding ways

Timon of Athens by William Shakespeare (Latest Edition) William Shakespeare,2020-12-28 Often regarded as one of the more difficult of Shakespeare s plays to categorize Timon of Athens eclectically contains

elements of comedy in its satire as well as components of tragedy in Timon's allegorical downfall and death. The play depicts Timon as an enormously wealthy man who gives away his possessions to a large number of false friends. When he himself is in need, all of them turn their backs on him, and the result is Timon's savage embitterment and raging seclusion. Considered one of Shakespeare's more challenging works, it is now largely believed to be due to Thomas Middleton's collaborative writing. A worthy play of Shakespeare's canon, *Timon of Athens* is compelling to this day in its intense and unrelenting position on greed and corruption in society.
