by the knowledge that both his troubled marriage and the eye injured in his last battle with Contre Amiral Jobert are worsening Bolitho is eager to leave England less than three months after his return home But even his beloved old ship Hyperion hastily restored from an ignominious existence as a hulk is full of tormenting memories and lost faces Having navigated several battles along the way he is roused in Antigua from his darkness of soul by the rediscovery of a passion which defies convention and every risk to his reputation His future is full of uncertainty as he sails east to Gibraltar for a rendezvous that all who follow his flag will remember Heart Of Oak Alexander Kent,2020-03-12 It is February 1818 and Adam Bolitho longs for marriage and a safe personal harbour But with so much of Britain's fleet redundant he knows he is fortunate to be offered H M S Onward a new 38 gun frigate whose first mission is not war but diplomacy as consort to the French frigate Nautilus Under the burning sun of North Africa Bolitho is keenly aware of the envy and ambition among his officers the troubled restless spirits of his midshipmen and the old enemy's proximity It is only when Nautilus becomes a sacrificial offering on the altar of empire that every man discovers the brotherhood of the sea is more powerful than the bitter memories of an ocean of blood and decades of war Colours Aloft! attempting to recapture Cape Town from the Dutch Outside Europe few have yet heard of the battle of Trafalgar and Bolitho's news is met with both optimism and disappointment as he reminds the senior officers that despite the victory Napoleon's defeat is by no means assured The men who follow Bolitho's flag into battle are to discover not for the first time that death is the only victor

Man Of War Alexander Kent, 2010-05-31 This is Douglas Reeman writing under his pseudonym Alexander Kent with another thrilling Bolitho adventure Antigua 1817 Every harbour and estuary is filled with ghostly ships the famous and the legendary now redundant in the aftermath of the war In this uneasy peace Adam Bolitho is fortunate to be offered the seventy four gun Athena and as flag captain to Vice Admiral Sir Graham Bethune once more follows his destiny to the Caribbean But in these haunted waters where Richard Bolitho and his band of brothers once fought a familiar enemy the quarry is now a renegade foe who flies no colours and offers no quarter and whose traffic in human life is sanctioned by flawed treaties and men of influence And here and when Athena s guns speak a day of terrible retribution will dawn for the innocent and the damned
