Wethering The Storm The Storm 2 By Samantha Towle:

The Storm Samantha Towle, 2015 Jake Wethers's life is perfect. He's married to the woman he's always loved and they have three beautiful children. The Mighty Storm is still going strong and his record label is thriving. Jake has everything a life he thought he would never have and one that he didn't think he deserved. Not so long ago Jake's life wasn't perfect. The unexpected and untimely death of his best friend Jonny Creed sent an already out of control Jake spiraling down further. Drug addiction. Alcohol. Women. Jake was in the fast lane to following Jonny to the grave until Tru Bennett walked back into his life and changed everything. But now the past that Jake left behind has come back to find him. And what the past brings with it is going to be one of the biggest challenges he has ever faced. Note: *The Storm* is a novella following on from the international bestselling *Storm* series. It is advisable to read *The Mighty Storm* and *Wethering the Storm* before reading *The Storm*. Taming the Storm does not need to be read to understand the novella but if read it will enhance the reading element.

Finding Storm Samantha Towle, 2020 *Storm (2)* Leena Raudvee, 2008 *The Mighty Storm* Samantha Towle, 2012-09-07 It's been twelve years since Tru Bennett last saw Jake Wethers, her former best friend and boy she once loved. Jake Wethers, sexy, tattooed, and deliciously bad lead singer and brains behind The Mighty Storm, one of the biggest bands in the world, left Tru with a broken heart when he moved from England to America with his family when they were both fourteen. Sent to interview Jake for her music column by the magazine she works for, they are both unprepared for the sparks that fly the instant they reconnect. Only there's a complication to their instant feelings for one another: Will Tru's boyfriend of two years. Then Jake makes Tru a job offer she can't refuse: travelling the world with him and his band. But taking the job means leaving Will behind and being on the road with the band means spending an inordinate amount of time with Jake. Is Tru strong enough to resist the delectable bad boy who once held her heart so completely, or will she willingly risk it all for one night with the world's most notorious womanizer?
