Androcles and the Lion (annotated) Bernard Shaw,2013 *Androcles and the Lion* George Bernard Shaw,2009

Androcles and the Lion Bernard Shaw,2022-11-24 Androcles and the Lion is a 1912 play written by George Bernard Shaw The play is Shaw s retelling of the tale of Androcles a slave who is saved by the requiting mercy of a lion In the play Shaw portrays Androcles to be one of the many Christians being led to the Colosseum for torture Characters in the play exemplify several themes and takes on both modern and supposed early Christianity including the cultural clash between Jesus teachings and traditional Roman values **Androcles and the Lion. A Fable Play** Dan H. Laurence Collection,Bernard Shaw,1913 *Androcles and the Lion* Bernard Shaw,2015-07-09 Excerpt from Androcles and the Lion A Fable Play The question seems a hopeless one after 2000 years of resolute adherence to the old cry of Not this man but Barabbas Yet it is beginning to look as if Barabbas was a failure in spite of his strong right hand his victories his empires his millions of money and his moralities and churches and political constitutions This man has not been a failure yet for nobody has ever been sane enough to try his way But he has had one quaint triumph Barabbas has stolen his name and taken his cross as a standard There is a sort of compliment in that There is even a sort of loyalty in it like that of the brigand who breaks every law and yet claims to be a patriotic subject of the king who makes them We have always had a curious feeling that though we crucified Christ on a stick he somehow managed to get hold of the right end of it and that if we were better men we might try his plan There have been one or two grotesque attempts at it by inadequate people such as the Kingdom of God in Munster which was ended by a crucifixion so much more atrocious than the one on Calvary that the bishop who took the part of Annas went home and died of horror But responsible people have never made such attempts The moneyed respectable capable world has been steadily anti Christian and Barabbasque since the crucifixion and the specific doctrine of Jesus has not in all that time been put into political or general social practice I am no more a Christian than Pilate was or you gentle reader and yet like Pilate I greatly prefer Jesus to Annas and Caiaphas and I am ready to admit that after contemplating the world and human nature for nearly sixty years I see no way out of the world s misery but the way which would have been found by Christ s will if he had undertaken the work of a modern practical statesman About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
