Angel Of Death Forensic Mystery 2:

Angel of Death Alane Ferguson, 2008-02-28 Being a coroner's assistant means that Cameryn has seen more gore than your average seventeen year old. But even Cammie is shocked when Kyle O'Neil, the most popular guy in school, discovers the gruesome corpse of their English teacher murdered in his own bed. As Cammie gets involved in the case, she finds herself drawn to Kyle and considers trusting him with the secret that she can't even tell her father. But when their relationship starts to move toward romance, the struggle to solve the case of her teacher's death intensifies. Will Cameryn be too preoccupied to identify the killer in time?

Angel of Death Brian O'Hare, 2023-11-09 Seasoned Detective Chief Inspector Jim Sheehan has spent his life married to his career in the Serious Crimes Unit. No time for love, no time for friends, only time to find the next killer in Belfast. When his newest case introduces him to the life he's missed, including the lovely widow Margaret, it reminds him of the early life he left behind. Detective Sheehan's forced to face more than his job. But his newest case is also his hardest: a series of killings with cryptic biblical undertones. To make matters worse, the only profile Sheehan has for the murderer is someone with trauma in their past. In post-Troubles Northern Ireland, that could be anyone. Originally published by Crimson Cloak as *The Doom Murders*, *Angel of Death* is Book 1 of the award-winning *The Inspector Sheehan Mysteries* series and has been the recipient of three literary awards.

Mid-Atlantic Murder Mysteries, Volume 2: Kinky Killers Krist Boardman, 2013-05-28 All True Stories from Police and Court Records. Inside, a killer wanted to marry the corpse. Pot smoker was a knife freak. Killed his own mother with a pickaxe. Preyed on young black women. Rosemary's rosaries. Mad murderess slept in victim's blood. And much more. A ringing endorsement from one of America's Top True Crime Editors. Krist Boardman is one of the very best detective writers. He does a lot of detective-like work himself for an article. He's got the formula down, and he really knows the knack of adding a measure of suspense to the story. American Book Publishing Record, 2007 *Crime Scene Investigator (CSI) Field Guide* Sarah Lambert, 2025-11-17 *Crime Scene Investigator CSI Field Guide* is a convenient and handy reference guide ideally suited for use in the field by crime scene investigators, CSI both sworn and civilian. In addition to the field, it can also be used in the classroom as a comprehensive refresher as part of formal training. A shift in personnel has occurred in forensic science over the past few years, and the old-school detectives, older sworn personnel, are retiring, leaving it to newer, younger but more inexperienced civilian personnel to take their place. As a result, and as new technologies are developed and training advances, this book will help bridge the gap between the new and old, the classroom and the field. CSI training is broadly extensive, though it can often vary in depth. In addition, it is not possible for a CSI to retain absolutely everything that they have been taught while mentally processing the scene they are involved in. This book seeks to address this by covering information for troubleshooting.
