Angels Tell Parables For Today 1973 Parables:

The Parables Dr. Paul Simpson Duke, 2010-09-01 Many resources have been written to offer assistance in exploring and understanding the lectionary texts for the purpose of preaching However few have sought to provide this kind of preaching commentary on texts that do not follow the lectionary s grouping For those whose preaching does not customarily follow the lectionary and for those who depart from the lectionary text during certain periods of the year little guidance has been offered for how to select and preach on important biblical texts The Parables A Preaching Commentary the third book in The Great Texts series gives guidance to preachers on preaching about this central part of faith The principles by which volumes in The Great Texts series have been chosen are primarily two fold Thematic Texts on certain overarching themes or ideas of the Christian faith are brought together Biblical traditional Texts have long been recognized as belonging together and as being particularly beneficial to the work of preaching

Biblical Parables and Their Modern Re-creations Gila Safran Naveh, 2012-02-01 In Biblical Parables and Their Modern Re creations Gila Safran Naveh carefully charts the historical transformation of these deceptively simple narratives to reveal fundamental shifts in their form function and most significantly their readers cognitive processes Bringing together for the first time parables from the Scriptures the synoptic Gospels Chassidic tales and medieval philosophy with the mashal the rabbinic parables commonly used to interpret Scripture this book brilliantly contrasts the rhetorical strategies of ancient parables with more recent examples of the genre by Kafka Borges Calvino and Agnon By using an interdisciplinary approach and insights from current semiotic linguistic psychoanalytic and gender theories Naveh reveals a dramatic social cultural and political shift in the way we view the divine

The Post-Resurrection Appearance Stories of the Gospel Tradition John E. Alsup,2007-02-01 The Post Resurrection Appearance Stories of the Gospel Tradition Although there are innumerable studies of the Easter event the spectrum of New Testament research demonstrates an astonishing vacuum regarding a history of tradition analysis of the Easter appearance stories especially in the application of the form critical method This study begins with a methodological review of the more recent literature and challenges the widely accepted view that the appearance stories are to be excluded from consideration of the origins of Easter faith Because of the far reaching confusion over the place of these stories within the complex of the resurrection traditions Part Two scans the distinctions and relationships between them In Part Three the author concentrates upon the appearance stories themselves and raises the following questions Are pre redactional forms discernible If so do such demonstrate by comparison similarities of form and content Does a NT Gattung stand behind them And finally Part Four probes the matter of analogies in the world of primitive Christianity while Part Five summarizes and asks provisionally if observations of a formal nature invite suggestive possibilities for further work on the question of historical experience behind the stories An attempt at critical review of such questions is long overdue **The Best Novels of the Nineties** Linda Parent Leshner,2015-11-17 This reader s guide provides uniquely organized and up to date information on the most important
