In this fact-filled book you will come face to face with the two most opposing forces operating in our world: Angels and Demons. These are not figments of our imagination but are alive and real at this very moment. You will discover seven specific facts you need to know about angelic beings. The seven devious methods used by demons to gain entrance into the life of a person. Twelve demonic strong man spirits spoken of in the Bible and how to overcome them. The role of angels and demons in God's end-time agenda. The battle between right and wrong, moral and immoral, virtuous and vile is as old as recorded history. God placed the Tree of the Knowledge of Good and Evil in the Garden of Eden and directed man not to eat of it, adding that death would occur if man ate of that tree. Today the conflict still rages.
