Andreas Faber-Kaiser Ignasi Puig Alemán,2011 *Jesus Died in Kashmir* Andreas Faber Kaiser,1977 *Fakes, Forgeries, and Fictions* Tony Burke,2017-05-31 *Fakes Forgeries and Fictions* examines the possible motivations behind the production of apocryphal Christian texts Did the authors of Christian apocrypha intend to deceive others about the true origins of their writings Did they do so in a way that is distinctly different from New Testament scriptural writings What would phrases like intended to deceive or true origins even mean in various historical and cultural contexts The papers in this volume presented in September 2015 at York University in Toronto discuss texts from as early as second century papyrus fragments to modern apocrypha such as tales of Jesus in India in the nineteenth century Life of Saint Issa The highlights of the collection include a keynote address by Bart Ehrman Apocryphal Forgeries The Logic of Literary Deceit and a panel discussion on the Gospel of Jesus Wife reflecting on what reactions to this particular text primarily on biblioblogs can tell us about the creation transmission and reception of apocryphal Christian literature The eye opening papers presented at the panel caution and enlighten readers about the ethics of studying unprovenanced texts the challenges facing female scholars both in the academy and online and the shifting dynamics between online and traditional print scholarship *Saint Paul, Jesus Christ and Christianity* Jesus Humberto Enriquez Rubio MD,2014-07-16 The Catholic religion is a captivating institution which was built on the basis of touching beautiful legends Since ancient times it has been managed by individuals who dedicate their entire life and time to maintaining and spreading this religion which has become deeply rooted in western world family life Each new family member is born grows and is educated according to Catholic moral and dogmas which thus represents the only natural way to perceive the world both with regard to human and supernatural phenomena Persons raised and educated in this manner are unable to find and discover on their own account the truth with regard to God They keep the doors of knowledge tightly shut thus preventing other perceptions and possibilities from entering although their religion is merely a beautiful legend that is very far from reality The Catholic Religion has prevailed over the last two millennia thanks to the work and testimony represented by the austere lifestyle of an army of nuns and priests who not only are they excluded from a payroll but also engage in collecting funds all around the world These funds continue to increase the wealth found in Vatican chests thus increasing its financial power as well as its political and economic influence Such is the source feeding the power of the Roman Empire of the west which is still alive and exercising its functions This is where the church obtains such absolute power infallibility and sanctity as the Divine Caesar it represents The churchs garments lavishness display of power as well as the gold exhibited in its quarters are a representation of the Roman Empires power This is entirely contradictory to the humility shown by the Virgin Mary and Joseph her chaste husband a story which the church itself has spread You neednt words to understand this you only need to closely appreciate the cover in this book

Pauline Orthodoxy provides a reappraisal of early Pauline theology in the context of 1st century Palestine and the Hellenistic world in which Paul lived This scholarly text examines the heretical elements within St Paul s theology in the context of his contemporary Judaism and how the early Christian church of the first three centuries of the Common Era drew its influences from him Theological scholar Colin E Davis investigates the philosophical and religious zeitgeist of the period and Paul s eventual development of the concept of his Christ figure along possible Nazarean lines **The True History and the**

Religion of India Prakashanand Saraswati, **Lord...Have Mercy on Me** Dr.Jesus Humberto Enriquez Rubio,2014-05-23 This is Book No 3 as well as the last book in the collection untitled WHAT IS THERE BETWEEN GOD AND MAN This series represents the fifty years of my life I dedicated to search and investigate literature in order to find everything I could about God and his relationship with man Throughout these years I worked with an open mind putting aside all paradigms and biases and I discovered very interesting things that led me to a number of conclusions that were surprising even for me I found out for instance that Jesus Christ is the result of a legend created by Saul of Tarsus Saint Paul almost three hundred years before Emperor Constantine I the Great adopted Christianity as the official religion of the Roman Empire I also learned that the divinity of Jesus Christ was agreed upon at the Council of Nicaea in the year 325 A D being promoted and agreed to by the emperor Christianity became the property of the empire and one hundred years afterwards the Roman Empire became property of the Catholic Church with the pope as leader The pope performs the functions of Roman Emperor to this date I also discovered that the church worships three gods Jesus Christ who is a legend in itself Jehovah because the whole Bible is a book that talks about him and his relationship with Judaism and God the almighty father Christianity confuses and mixes these three gods I also found out that the act of consecration during mass represents the sacrifice and dismembering of Jesus Christ as an offering to Jehovah and that all Catholics are happy with this crime because Jesus Christ upon being sacrificed gets rid of all the sins committed by everyone present The assembly finishes by eating his flesh and drinking his blood similar to a voodoo ceremony or to an act of cannibalism There are many other things you should take the time to consider

Christianity--Mankind's First Worldwide Religion! Gene Matlock, 2005-12 It is my hope that this book will help all humans understand just exactly what Buddhism Ketuloka or Krishtaya is and apply its principles according to the uniqueness and level of their respective understandings for the improvement of their lives Christianity Catholicism was mankind s first and oldest worldwide religion According to author Gene Matlock Christianity merely stepped into the shoes of an ancient existing worldwide religion of the same name The infant Church did not begin to call itself Christianity until two or three hundred years after it was established Before the Great Flood Krishtayana was brought to India from Eastern Siberia by a highly civilized Turkish tribe called Kurus or Krishtaya The Kurus were the world s first highly developed civilization predating India Egypt and Sumeria After conquering India the Kurus went on to conquer the world including Middle America The Caribbean Indians told the Spanish that their gods were the Kurus Rumi Nearly all the Indian tribes of both Americas will find their respective tribes Turkish and North Indian origins in this book But what happened to keep Turkey from receiving credit as the founder of all human civilizations as well as the first religion Christianity Mankind s First Worldwide Religion clears up many mysteries and shows that Jesus Christ really was all that Christians have been taught he was **MAYANS AND**
