Applying The Two Minute Message Electronic Version Going Beyond The Elevator Pitch:

The Power of Teacher Networks Ellen Meyers, Peter A. Paul, David E. Kirkland, 2009-03-31 This is a simple effective idea that should have been thought of sooner Kung Fu Phonics teaches phonics i e the rules of sounding out words through phonetics Q How do you say phone A fon Phonics books out today chockablock with happy hippos and grinning giraffes are aimed at kindergartners 4th grade kids consider them baby books Phonetics texts are all daunting tomes for grad students of comparative linguistics and philology and buying one will put you out fifty dollars No book has used the one to teach the other until KUNG FU PHONICS Phonetics has only ever been used to describe how words sound Kung Fu Phonics is the first to employ phonetics PREDICTIVELY asking students to describe how unfamiliar words SHOULD sound Kung Fu Phonics is great for teaching K and pre K kids to read and with them you can skip the phonetic notations and just have them read and say the words It s also a fine tool for teaching English to non native speakers of any age If your child is reading below grade level spend twenty minutes a day with him studying phonetics with this book Phonetics is just a tool an uncomplicated but exacting series of squiggles It s a nice bit of misdirection He ll complain about phonetics and how useless it is while you re doing something awfully concrete to bolster his reading skills teaching PHONICS And since he s learning something his classmates aren t it doesn t have the embarrassing feel of remediation It s an 88 page workbook Twenty five lessons five model words and fifty exercise words per lesson Concise instructions keep almost every lesson to two pages And the instructions are so clear that anyone who reads English on a high school level can use Kung Fu Phonics to teach reading Alas you can t just toss it to a kindergartner and tell her to get busy it requires cooperative effort It requires no DVD or audio CD to use it s ready to teach as is This is the American English edition of KUNG FU PHONICS It uses American Merriam Webster phonetics and describes American pronunciations *The Business School Buzz Book* Carolyn C. Wise, Stephanie Hauser, 2007 In this updated guide Vault publishes the entire surveys of current students and alumni at more than 100 top business schools Each 4 to 5 page entry is composed almost entirely of insider comments from students and alumni Each school profile features surveys of about 10 students or alumni These narratives provide applicants with detailed and balanced perspectives and insider information on admissions and employment prospects which is lacking in other business school guides **The Power of the Elevator Pitch** Jordan A.
