Approaches To Teaching Vergil's Aeneid Approaches To Teaching World Literature:

Approaches to Teaching Vergil's Aeneid William Scovil Anderson, Lorina N. Quartarone, 2002-01-01 Vergil's Aeneid has been the most continually read and discussed work by a Roman author in the history of Western literature. Yet it can be a challenging work to teach. Vergil is a complex, subtle poet; his culture and time are removed from us, and Latin is less studied in college than it was a generation ago. Part 1 of this volume, Materials, critiques the main English translations, lists reference works and resources including those on the Internet, and gives an overview of criticism. Part 2, Approaches, strikes a balance between traditional and new approaches to the text. Among the subjects of these essays are Augustan politics, Homeric parallels, key terms, pietas, furor, narrative techniques, uses of simile, images of women, the treatment of warfare, and comparisons of the Aeneid with such works as Dante's Divine Comedy and Milton's Paradise Lost. **Teaching World Epics**

Jo Ann Cavallo, 2023-07-27 Cultures across the globe have embraced epic stories of memorable deeds by heroic characters whose actions have significant consequences for their lives and their communities. Incorporating narrative elements also found in sacred history, chronicle, saga, legend, romance, myth, folklore, and the novel, epics throughout history have both animated the imagination and encouraged reflection on what it means to be human. Teaching World Epics addresses ancient and more recent epic works from Africa, Europe, Mesoamerica, and East Central and South Asia that are available in English translations. Useful to instructors of literature, peace and conflict studies, transnational studies, women's studies, and religious studies, the essays in this volume focus on epics in sociopolitical and cultural contexts, on the adaptation and reception of epic works, and on themes that are especially relevant today, such as gender dynamics and politics, national identity, colonialism, and imperialism, violence, and war. This volume includes discussion of Ludovico Ariosto's Orlando Furioso, Giulia Bigolina's Urania, The Book of Dede Korkut, Luís Vaz de Camões's Os Lusíadas, David of Sassoun, The Epic of Askia Mohammed, The Epic of Gilgamesh, the epic of Sunjata, Alonso de Ercilla's La Araucana, Homer's Iliad and Odyssey, Kalevala, Kebra Nagast, Kudrun, The Legend of Pölvir, the Mahabharata, Manas, John Milton's Paradise Lost, Mwindo, the Nibelungenlied, Poema de mio Cid, Popol Wuj, the Ramayana, the Shahnameh, Sirat Bani Hilal, Edmund Spenser's The Faerie Queene, Statius's Thebaid, The Tale of the Heike, Three Kingdoms, Gaspar Pérez de Villagrá's Historia de la Nueva México, and Virgil's Aeneid. **Reading**

Republican Oratory Christa Gray, Andrea Balbo, Richard Mark Arthur Marshall, C. E. W. Steel, 2018 Public speech was a key aspect of politics in Republican Rome, yet the partial nature of the available evidence means that our understanding of its workings is dominated by one man, Cicero. This volume explores the oratory of the Roman Republic as practiced by individuals other than Cicero, focusing on the surviving fragments of such oratory. Roman Literature, Gender and Reception Donald Lateiner, Barbara K. Gold, Judith Perkins, 2013-07-04 This cutting-edge collection of essays offers provocative studies of ancient history, literature, gender identifications, and roles, and subsequent interpretations of the republican and imperial Roman past. The prose and poetry of Cicero and Petronius, Lucretius, Virgil, and Ovid receive fresh

interpretations pagan and Christian texts are re examined from feminist and imaginative perspectives genres of epic didactic and tragedy are re examined and subsequent uses and re uses of the ancient heritage are probed with new attention Shakespeare Nineteenth Century American theater and contemporary productions involving prisoners and veterans Comprising nineteen essays collectively honoring the feminist Classical scholar Judith Hallett this book will interest the Classical scholar the ancient historian the student of Reception Studies and feminists interested in all periods The authors from the United States Britain France and Switzerland are authorities in one or more of these fields and chapters range from the late Republic to the late Empire to the present

Approaches to Teaching the Romance of the Rose Daisy Delogu, Anne-Hélène Miller, 2023-03-21 One of the most influential texts of its time the Romance of the Rose offers readers a window into the world view of the late Middle Ages in Europe including notions of moral philosophy and courtly love Yet the Rose also explores topics that remain relevant to readers today such as gender desire and the power of speech Students however can find the work challenging because of its dual authorship by Guillaume de Lorris and Jean de Meun its structure as an allegorical dream vision and its encyclopedic length and scope The essays in this volume offer strategies for teaching the poem with confidence and enjoyment Part 1 Materials suggests helpful background resources Part 2 Approaches presents contexts critical approaches and strategies for teaching the work and its classical and medieval sources illustrations and adaptations as well as the intellectual debates that surrounded it

While Rome Burned Virginia M. Closs, 2020-05-06 While Rome Burned attends to the intersection of fire city and emperor in ancient Rome tracing the critical role that urban conflagration played as both reality and metaphor in the politics and literature of the early imperial period Urban fires presented a consistent problem for emperors from Augustus to Hadrian especially given the expectation that the princeps be both a protector and provider for Rome's population The problem manifested itself differently for each leader and each sought to address it in distinctive ways This history can be traced most precisely in Roman literature as authors addressed successive moments of political crisis through dialectical engagement with prior incendiary catastrophes in Rome's historical past and cultural repertoire Working in the increasingly repressive environment of the early principate Roman authors frequently employed figured speech and mythopoetic narratives to address politically risky topics In response to shifting political and social realities the literature of the early imperial period reimagines and reanimates not just historical fires but also archetypal and mythic representations of conflagration Throughout the author engages critically with the growing subfield of disaster studies as well as with theoretical approaches to language allusion and cultural memory

Publishers Trade List R R Bowker Publishing, 2001 *A Vergil Workbook (first edition out of print)* Katherine Bradley, Barbara Weiden Boyd, 2005-09-01 The Latin text of Vergil's Aeneid that is required reading for the AP Latin Literature Exam is contained in this workbook The exercises in the workbook give students practice with all aspects of the AP Vergil syllabus content translation meter grammar syntax vocabulary figures of speech and literary analysis In addition the format of the exercises

accustoms the students to all the kinds of questions found on the AP Vergil Examination The Teacher s Guide will provide answers and grading guidelines *Approaches to Teaching the Song of Roland* William W. Kibler, Leslie Zarker Morgan, 2006 Each book contains a CD featuring performances of the Song of Roland The Song of Roland is a well known hallmark of medieval French literature yet students often read only excerpts and receive general introductions to the poem and its context The challenges of teaching Roland include its age and subject matter its form and composition in Old French and its representation of Christians and Muslims This volume in the MLA series *Approaches to Teaching World Literature* aims to help nonspecialist instructors teach Roland more comprehensively and to offer seasoned medievalists ways to invigorate their pedagogical tactics Part 1 Materials surveys available editions a wide range of secondary studies devoted to the poem and electronic aids to teaching Essays in part 2 *Approaches* elaborate on the poem s contexts avatars language techniques and characters and episodes describe the diverse classroom strategies that experienced instructors have implemented and review the voluminous critical canon about the poem The musical quality of the Song of Roland is vital for students to grasp A compact disc accompanying the volume showcases reconstructions of sung performances of the Song of Roland in Old French The examples offered here illuminate the rich quality of Roland s archaic language and demonstrate a few efforts to recover its lost music Paired with performances of Roland are melodies used as models for singing the poem

World Literature Today , 2003 **Methods for Teaching Travel Literature and Writing** Eileen Groom, 2005 The contributors to *Methods for Teaching Travel Literature and Writing* Exploring the World and Self discuss how and why they have integrated travel literature and writing into their courses Subjects range from the study of travel literature granting insight into how travel authors such as Bill Bryson and Paul Theroux convince readers to buy into their worlds and reflect the readers positions in society to contemplating the meanings of the words traveler and tourist Other chapters examine how actual traveling can shape students writing and vice versa whereas still others address how the study of the genre and actually writing it promotes interdisciplinarity **Why Literature?** Cristina Vischer Bruns, 2011-05-05 The Limits of Eroticism in Post-Petrarchan Narrative Dorothy Stephens, 1998-11-26 Although theories of exploitation and subversion have radically changed our understanding of gender in Renaissance literature to favour only those theories is to risk ignoring productive exchanges between masculine and feminine in Renaissance culture Appropriation is too simple a term to describe these exchanges as when Petrarchan lovers flirt dangerously with potentially destructive femininity Spenser revises this Petrarchan phenomenon constructing flirtations whose participants are figures of speech readers or narrative voices His plots allow such exchanges to occur only through conditional speech but this very conditionality powerfully shapes his work Seventeenth century works including a comedy by Jane Cavendish and Elizabeth Brackley and *Upon Appleton House* by Andrew Marvell suggest that the civil war and the upsurge of female writers necessitated a reformulation of conditional erotics *Subject Guide to Books in Print* , 1996 **Luke and Vergil** Dennis R. MacDonald, 2014-11-05 These two volumes

of The New Testament and Greek Literature are the magnum opus of biblical scholar Dennis R MacDonald outlining the profound connections between the New Testament and classical Greek poetry MacDonald argues that the Gospel writers borrowed from established literary sources to create stories about Jesus that readers of the day would find convincing In Luke and Vergil MacDonald proposes that the author of Luke Acts followed Mark s lead in imitating Homer s Iliad and Odyssey but greatly expanded his project especially in the Acts but adding imitations not only of the epics but also of Euripides Bacchae and Plato s Socratic dialogues The potential imitations include spectacular miracles official resistance epiphanies prison breaks and more The book applies mimesis criticism and uses side by side comparisons to show how early Christian authors portrayed the origins of Christianity as more compelling than the Augustan Golden Age **Bibliographic Index** ,2006 **Approaches to Teaching Dante's Divine Comedy** Christopher Kleinhenz,Kristina Olson,2020-02-01

Offers pedagogical techniques for teaching Dante s Divine Comedy Includes considerations of textual traditions translations the work s relation to classical works gender and LGBTQ themes visual arts music popular culture theology video games the papacy and influence Gives syllabus suggestions for high school undergraduate graduate and creative writing courses and prison settings Learning Latin: A Modern Approach Pasquale De Marco,2025-07-23 Embark on a journey to master the Latin language with Learning Latin A Modern Approach a comprehensive guide designed for learners of all levels This book provides a structured and engaging approach to understanding the fundamentals of Latin grammar vocabulary and pronunciation Through 10 chapters you will delve into the intricacies of Latin grammar exploring declensions conjugations and sentence structure You will expand your vocabulary through the study of Latin roots prefixes and suffixes unlocking the secrets of this ancient language Discover the rich history and cultural significance of Latin exploring the works of renowned authors such as Cicero Ovid and Virgil Understand the influence of Latin on Western civilization and its enduring presence in science law medicine and the arts This book is not just a textbook but a practical guide to applying your Latin knowledge in the real world Whether you re interested in exploring the roots of scientific terminology understanding legal and medical documents or simply appreciating the beauty of Latin inscriptions this book provides the tools and resources you need With clear explanations abundant examples and interactive exercises Learning Latin A Modern Approach makes the learning process enjoyable and rewarding Each chapter concludes with a wealth of resources to support your studies including dictionaries grammars and online materials Whether you re studying Latin for academic professional or personal enrichment this book is your trusted companion on the path to fluency Join us on this linguistic adventure and unlock the secrets of one of the world s most enduring and influential languages If you like this book write a review Notes and Queries ,2003

Valuing Others in Classical Antiquity Ralph Rosen,Ineke Sluiter,2010-09-10 Human communities thrive on prosocial behavior This book demonstrates from a wide range of perspectives how such behavior is anchored and promoted in classical antiquity by a varied and conceptually rich discourse of valuing others
