An ABC Of Witchcraft Past And Present:

An ABC of Witchcraft Past and Present Doreen Valiente, 2018-01-31 This is the only book of its kind on witchcraft that has been written by a practising witch. It is intended to be not merely a history but a guide to the many strange byways of a vast and fascinating subject. Witchcraft is as old as the human race and it is actively practised today by people of all classes. To its devotees, witchcraft is more than spells and charms or even secret meetings and rituals; it is a philosophy and a way of life. It claims to be the oldest form of religion, that of nature worship and magic. Since the last Witchcraft Act was repealed in 1951, the revival of public interest in witchcraft has been the subject of continuous controversy. This book is a serious contribution to the study of a subject too long obscured by prejudice and sensationalism. **An ABC of Witchcraft Past & Present** Doreen Valiente, 1980

The Rebirth of Witchcraft Doreen Valiente, 2018-01-31 This classic work is now available for the first time in paperback. Since 1951, when the last of the Witchcraft Acts was repealed, many books have been written about the reappearance of witchcraft and the development of a pagan theology. Churchmen have denounced it. Sociologists have wondered at it. Journalists have penned sensational stories about it. But until the publication of this book, no one had told the real story of it from the inside as frankly as it is told here. Doreen Valiente, one of witchcraft's most widely known figures, was a close friend of the late Gerald Gardner, generally regarded as the founder of present-day witchcraft. Initiated by him and for a time High Priestess of his coven, Doreen Valiente helped him rewrite his seminal *Book of Shadows*. She records the break with Gardner that split his coven, the controversy surrounding Alex Sanders, King of the Witches, and memories of many other witches whom she has known, including the lady called Dafo, Robert Cochrane, Leslie Roberts, and Sybil Leek. Doreen Valiente took part in many witchcraft rituals and had strange psychic experiences as a result. Described here are the clairvoyant communications she received purporting to come from John Brakespeare, an eighteenth-century witch. *The Rebirth of Witchcraft* traces the lineage of the present-day witchcraft from its forerunners through to modern feminist neo-paganism and the new wave of interest in ecology and holistic medicine. **Bargain Witch** Brooke

Palmieri, 2025-10-07 An occult history that grounds the sacred yearning for magic in real life. In these essays by scholar and self-initiated witch Brooke Palmieri, occult history, the eternal now, and our magical queer futures align, connecting us to an enchantment both contemporary and classic. Drawing upon the knowledge and influence of practitioners from Rachel Pollack to Tituba, Palmieri grounds the sacred yearning for magic in real life, whether exploring the gossip of feuding Salem witches, paying the rent by playing wizard for news cameras, or detailing the psychic ups and downs of working in an occult bookshop. Written in a voice electrified with love for the craft and its lineage of eccentrics, *Bargain Witch* shows us witch life in all its quotidian humor and splendor, taking its place amongst the magical classics that inspired it: a literary ouroboros. **Essays on Women in Western Esotericism** Amy Hale, 2022-01-21 This book is the first collection to feature histories of women in Western Esotericism while also highlighting women's scholarship. In addition to providing a critical examination of important

and under researched figures in the history of Western Esotericism these fifteen essays also contribute to current debates in the study of esotericism about the very nature of the field itself The chapters are divided into four thematic sections that address current topics in the study of esotericism race and othering femininity power and leadership and embodiment This collection not only adds important voices to the story of Western Esotericism it hopes to change the way the story is told
