

Success

Success is not a number
A thing or someplace real
Success is about attitude
And dreams and what you feel

Success can mean nothing
If your happiness is lost
What is making millions
When it yields a heavy cost

History might judge us
But what matters most is now
Enjoying well the things we have
Is the most sacred vow

You need not go in search of success
It's closer than you know
Just enjoy those things around you
And watch your success grow
