An Atheists Unofficial Guide to Aa Vince Hawkins,2011-10-28 Self help book aimed at expanding the people helped by Alcoholics Anonymous by keeping those on board who would otherwise be put off by the god stuff *Forthcoming Books* Rose Army,1988

An Atheists Unofficial Guide to AA - For Oldtimers Vince Hawkins,2011-10-28 Self help book aimed at expanding the people helped by Alcoholics Anonymous by keeping those on board who would otherwise be put off by the god stuff **The Truth Seeker** ,1928 **The Publishers' Trade List Annual** ,1973 **Publishers, Distributors, &**

Wholesalers of the United States ,2002 International Books in Print ,1990 **An Atheist's Twelve Steps to Self-Improvement** Vince Hawkins,2012-01-01 A secular alternative program to the 12 steps of Alcoholics Anonymous for addicts who want to beat drugs gambling overeating sex addiction or simply bad behavior This is a companion to any twelve step program for potential steppers put off by the god stuff in the AA steps Religious Books and Serials in Print 1978-1979 R.R. Bowker Company. Department of Bibliography,1978-11 **The New York Times Book Review** ,1938

Design for Living Alex M.,2018-03-24 How does an alcoholic work the 12 Steps of A A if they do not believe in God The 12 Steps are the foundation of A A s program of recovery and five of those steps are based on God Since A A describes itself as a spiritual Fellowship many new to A A are confused why a Christian God lies at the center of the 12 Steps and may mistakenly assume that believing in God is required to participate in A A and recover from alcoholism As a life long atheist in Design For Living the author shares how anyone regardless of their beliefs can achieve sobriety through the 12 Steps of A A His approach compliments his companion book Daily Reprieve A A for Atheists Agnostics in which he discusses how atheists agnostics freethinkers humanists and non Christians can use the Big Book of Alcoholics Anonymous as an effective recovery guide Design For Living is divided into three parts The Preface provides some background on the author and his experience along with information about the content of the book The Daily Meditation section consists of the author s experience working through each of the 12 Steps The last section contains a sample copy of an eight week Step Study Guide

Common Sense Recovery Adam N,2015-01 This book does something remarkable by describing how human behavior and recovery from alcoholism once commonly understood in religious terms in AA are now better understood in a secular fashion Common Sense Recovery An Atheist s Guide to Alcoholics Anonymous presents the key elements of recovery from alcoholism some of which are detailed in the 12 Steps in a refreshing and non religious manner and is helpful to atheists agnostics and everyone else in recovery in the fellowship of Alcoholics Anonymous *Common Sense Recovery* Adam N.,2014 The book does something remarkable by describing how human behavior and recovery from alcoholism once commonly understood in religious terms in AA is now better understood in a secular fashion The book presents the key

elements of recovery from alcoholism as detailed in the 12 Steps in a refreshing and non religious manner and is helpful to

A Program For You Anonymous,1991-04-01 With clear language sharp wisdom and human insight on every page A Program for You offers a fresh yet timeless look at the Twelve Steps For countless people newcomers and veterans alike it continues to serve as an indispensable guide to the Big Book s wisdom for healing and hope In the years since 1939 the Big Book Alcoholics Anonymous has guided millions in their search for a design for healthy living free of addictive behaviors Now two program veterans share their years of intensive study of the Big Book revealing the vitality of its message for those of us reading it today This celebration of the basic text of Twelve Step recovery breathes new life into the Big Book s timeless wisdom Thoroughly annotated with line and page references written with down to earth humor and simplicity and providing a contemporary context for understanding A Program for You helps us experience the same path of renewal followed by Bill W and the first one hundred AA members **A Beginner's Guide to Alcoholics Anonymous** Anonymous Simplicity Press,2025-07-04

Are you new to Alcoholics Anonymous or wondering if it s right for you This book will walk you through exactly what to expect and how to get started A Beginner s Guide to Alcoholics Anonymous is a clear honest introduction to the AA program for people who are just beginning the journey Written in plain language without hype or jargon it explains what AA is how the Twelve Steps work how to find a meeting what a sponsor does and what to do when sobriety feels hard It s meant for real people facing real struggles not for experts or spiritual gurus Whether you re taking your very first look at recovery coming back after a relapse or trying to understand what a loved one is going through this book will give you a firm foundation No judgment No pressure Just truth experience and hope Inside you ll find An overview of the AA program and how it began Straight talk about what it means to be an alcoholic What to expect in your first meeting and how to find one A breakdown of the Twelve Steps in plain English How sponsorship works and why it matters Tools for facing emotional ups and downs without drinking Encouragement for staying sober one day at a time You don t have to figure it all out at once You just have to start This book will show you how

Everyone's an Addict Vince Hawkins,2018-04-19 Everyone s an Addict is aimed at anyone The hypothesis is that we re all addicts If not to the major league isms alcohol drugs food gambling and sex or the second division clutter hoarding shopping video games and work then to the minor league smoking sudoku TV shows and the like something Addiction robs us of time that would better be spent in improving our own lives and as a byproduct other people s Even those who think they are not addicted but would like to improve themselves can all benefit It has a secular approach supporting freedom of religious belief or none for all And inline with the UN s ideas anyone should be able to change their beliefs at any time So it is suggested that people who attend meetings primarily address their addictions and keep the meetings non religious There are plenty of opportunities to practice religion atheism and agnosticism elsewhere 12 step meetings are non religious so they are aimed at everyone too Not everyone addresses addiction through a twelve step meeting though and those that choose an alternative route will find Everyone s an Addict equally helpful to them whether

they attend a clinic or choose another method This book takes the format of an inspirational comment for each day of the year Therefore the appropriately numbered step tradition and concept from AA is covered month by month Further 12 step programs like NA OA GA SA and others are given coverage too Are you an addict For the inquisitive drinker asking the question Am I an alcoholic the question is Do you have trouble stopping drinking once you have started If so you are most likely an alcoholic Is it the same for you with drugs eating gambling or violent behavior Did you indulge in it when your intentions were dead set against it Do you have other disorders around eating like bulimia Is sex something that preoccupies you unduly Do you have behavioral problems in other directions such as anger over dependence on other people hiding away from the world lying bullying and so on Sometimes it is a multiple problem and the prime addiction needs to be identified In Twelve Step programs these disorders must be self diagnosed and the stepper must be a willing participant Simply it is anyone with a desire to stop doing whatever is causing the problem Members hope that when potential newcomers reach their rock bottom they will have a moment of clarity and turn into a willing or at least inquisitive customer before it is too late They hope the existence of these programs will come to the prospect s mind at the appropriate time maybe due to the seed planted by information in a school talk years before or through information passed on through doctors magistrates police and the press If you don t feel your behavior is obsessive or addictive if you are interested in this book to make a general improvement in your behavior ask yourself a similar question to the one above Have you behaved badly towards someone when you had not intended to or perhaps your behavior was over the top Do you ratchet up an argumentative situation rather than try to take the heat out of it or walk away Are you determined to have your way for the sake of it when there are many suitable ways to go Are you controlling of other people or a compulsive helper Results of these 12 step programs include the relief of identifying yourself as an addict or someone with problem behavior after years of denial the pride of being honest with yourself and the beginning of building your self esteem knowing yourself better and accentuating the positives Then there is further self improvement in the calming influence of meditation Finally there is the task of helping other addicts and people at large because the programs are bridges to normal living

Came to Believe Alcoholics Anonymous World Services, Inc., 2014-06-07 Gathered in this booklet are the heartfelt stories of more than 75 A A members from around the world who share what the phrases Higher Power and God as we understood Him mean to them The title the first three words in the second of A A s Twelve Steps hints at the book s theme that recovery in Alcoholics Anonymous is not a destination but a spiritual journey that takes place over time while living life on life s terms Sometimes humorous sometimes poignant but always honest the stories in Came to Believe present a wide range of perspectives on what spirituality can look like in the context of Alcoholics Anonymous demonstrating how the A A program is best described as spiritual but not religious The rich diversity of voices we hear reflect the infinite number of paths available to those seeking freedom from alcohol From newcomers just finding their way to longtimers seeking new perspectives A A members of all kinds may find in Came To

Believe added insight and inspiration to breathe enrich their recovery journey Came to Believe has been approved by the General Service Conference Secrets of Alcoholics Anonymous Everyone Should Know Elaine and Dallas, 2011-09 Secrets secrets secrets For over 75 years the program of Alcoholics Anonymous has been shrouded in secrecy AA founded to help the afflicted overcome alcoholism with guidance spiritual growth and love also exposes the recovering alcoholic to potentially more mayhem than they may have ever encountered in a bar Its meetings can be a haven for lowlifes predators con artists control freaks neurotics as well as the dysfunctional behavior prevalent these days This book sheds light on the disturbing and sometimes sordid stories that have taken place in AA and does it without revealing the identities of the membership It is our hope that newcomers as well as longer time members who come to AA seeking relief from their alcoholism will become aware of the potential hazards they may encounter in the program We also hope this book will remind long time members of the pitfalls they may have long overcome so they maintain a fresh awareness needed to help guide newcomers Written by a 30 year AA member and a 1 year sober newcomer this book can enlighten participants in the AA program of the murky underside of this heralded organization Persons who inhabit Alcoholics Anonymous and victimize members with immoral or criminal acts have earned their place in this informative work But AA is also a rich mission field and can provide spiritual growth for those who want to tap into the enlightenment offered by its literature and discussion groups and by the many healthy and helpful folks who can make the AA experience so wondrous and grand Regards and anonymously yours Elaine and Dallas *101 Common Cliches of Alcoholics Anonymous* Bob Tolin, 2014-03-14 It is hard to find Alcoholic Anonymous literature that has the same flavor as your favorite meeting until now This book was written in the same spirit that claims We are not a glum lot This book has been received with such favor that I have now written a second book to add to it another 101 cliches so people now have more cliches and commentary to ponder and enjoy In the Big Book an alcoholic states the most compelling part of A A the part that made me want to try this sober thing was the laughter the pure joy of the laughter that I heard only from sober alcoholics This book was written first with the hope to spread this laughter to the newcomer that has lost all hope Secondly it serves to enlighten and dispel rumors about AA to inform people who are simply curious about the teachings of A A It tells what it is really like from someone who has taken the journey and recovered It is filled with witty heartfelt cliches that are so true so sharp they make the old timers smile and the newcomers cringe The cliches are used to teach newcomers the greater truths about the cure for alcoholism Each cliché is a parable an allegorical truth that is then explained using plainly stated information from knowledgeable sponsors and the Big Book with humorous commentary from a recovered alcoholic This book is not fluff nor is it for the faint hearted The world of alcohol and drug abuse is not pretty nor one easily explained or understood This book is gritty informative and at the same time inspirational and full of joy and hope but most of all it was written with the newcomer in mind so it does a balancing act just for them It is meant to be simple when I was first getting sober I had the attention span of a gnat It is honest and funny and gives a glimpse of just how ugly

addiction gets and how attractive real recovery can be After reading about us our cliches and our solution to a condition described as cunning baffling and powerful it is my hope at least some will say Yes I am one of them too I too must have this thing NOTE the font size in this book is very close to LARGE PRINT

Thank you extremely much for downloading **An Atheists Unofficial Guide To Aa For Newcomers**. Maybe you have knowledge that, people have look numerous times for their favorite books like this An Atheists Unofficial Guide To Aa For Newcomers, but stop up in harmful downloads.

Rather than enjoying a fine book later a cup of coffee in the afternoon, otherwise they juggled as soon as some harmful virus inside their computer. **An Atheists Unofficial Guide To Aa For Newcomers** is reachable in our digital library an online permission to it is set as public thus you can download it instantly.
