A soldier born, or, The adventures of a subaltern John Percy Groves,1886 Endless War? David Keen,2006-04-20

Was the Iraq war really an act of goodwill to liberate people from injustice Or was it a strategic move to maintain US dominance globally This book casts a critical light on the real motives behind war and conflict David Keen explores how winning war is rarely an end in itself rather war tends to be part of a wider political and economic game that is consistent with strengthening the enemy Keen devises a radical framework for analysing an unending war project where the war on terror is an extension of the Cold War The book draws on the author s detailed study of wars in Sudan Sierra Leone as well as in a range of other conflicts

Business Ethics Jacques Cory,2012-12-06 Morten And what are we going to do when you have made liberal minded and high minded men of us Dr Stockman Then you shall drive all the wolves out of the country my boys Ibsen An Enemy of the People Act V The theoretical and empirical research of this book describes how the traditional safeguards of the rights of minority shareholders have failed in their duty and how those shareholders have remained practically without any protection against the arbitrariness of the companies and majority shareholders The law the SEC society boards of directors independent directors auditors analysts underwriters and the press have remained in many cases worthless panaceas Nevertheless in the Ethics of 2000 new vehicles have been developed for the protection of minority shareholders mainly the Internet transparency activist associations and ethical funds Those vehicles give the shareholders at least the chance to understand the pattern and methods that are utilized to wrong them and give them a viable alternative for investment in ethical funds The new vehicles will prevent minority shareholders from using the Armageddon weapon by ceasing to invest in the stock exchange and causing the collapse of the system that discriminates against them

Who Is Right and Who Is Left Raphael Israeli, 2017-11-20 This volume deals with the dilemma of just wars if any war can be justified In fact it is like many other things in life in the eye of the beholder For what is just in the eye of the winner and victor will be wrong and unjustified in the eye of the victim and loser This is the reason history is written by victors while the defeated indulge in lamentations and nostalgia In several historical chapters this volume brings up several cases from antiquity to our days of big powers that took the liberty to conquer small nations and subject them to their whims in the belief that might was right as well as reversals in history where the crushed victims ultimately gained the upper hand Therefore the question of who is right and who is left to tell the story will remain a tale of relative narratives leaving it to subsequent generations and their usually biased historians to rewrite history to their taste
