50 Reasons To Hate The French Or Vive La Difference:

50 Reasons to Hate the French, Or, Vive la Différence Jules Eden, 2006 Sitting in the middle of a triangle of serious comment wry cultural miscellanea and cheery abuse this volume provides 50 painstakingly researched witty reasons to hate the French From an examination at arms length of their personal hygiene and most pungent cheeses to close up portraits like De Gaulle and Napoleon

50 Reasons to Hate the French Jules Eden, Alex Clarke, 2007 Did you shudder when Congress renamed French fries Or sigh when the French rejected the European constitution they had written themselves Or simmer when confronted with the usual French rudeness in Paris Well let s face it deep down there s something in all of us that likes to take a swipe at our Gallic friends Jules Eden and Alex Clarke provide fifty painstakingly researched wittily written reasons to reinforce your views From the portraits of leaders past and present to the bad dream of the Tour de France this book answers every question you have about the French except one Why only fifty

The Americanization of France Barnett Singer, 2013-04-18 This engaging knowledgeable book traces the American path France has followed since resolving its searing Algerian conflict in 1962 Barnett Singer convincingly demolishes two pervasive clichés about modern France first that the country never has been fit to fight wars including wars on terror and second that the French have always been and remain overwhelmingly anti American Drawing on a wealth of archival sources Barnett Singer clearly demonstrates that a serious and organized France fought strongly until its own divisions international pressures and the actions of de Gaulle ended the conflict with tragic consequences The outcome led to an important sea change clearing the way for France to embrace American culture especially rock n roll and more generally an American style emphasis on personal happiness The author argues that today s France wounded by the loss of traditions and stability is increasingly pro American clinging to trends from across the Atlantic as to a lifeline
