The Secret Life of EL James Marc Shapiro,2012-12-17 Everyone wants to know how EL James a middle aged mom of two from the London suburbs became the best selling author of all time with over a million books selling worldwide in less than a year and now a major motion picture Read this book to find out exactly how she did it Inside you ll learn how she wrote her first draft based on Twilight fan fiction and how she rewrote it as the book we know and love today the rough and tumble process of editing and how she assembled a group of dedicated fans herself that brought this smutty masterpiece to the rest of the world Inside these pages is the step by step process by which this middle aged British mother came up with the international best selling erotic romance series that has sold more copies than Harry Potter and Gone with the Wind combined NY Times best selling biographer Marc Shapiro uncovers the inspiration and secrets behind this writing sensation explaining how she did it with exclusive interviews with her editors and early fans *Turning the Page* Angus

Phillips,2014-02-05 This is an exciting period for the book a time of innovation experimentation and change It is also a time of considerable fear within the book industry as it adjusts to changes in how books are created and consumed The movement to digital has been taking place for some time but with consumer books experiencing the transition the effects of digitization can be clearly seen to everybody In *Turning the Page* Angus Phillips analyses the fundamental drivers of the book publishing industry authorship readership and copyright and examines the effects of digital and other developments on the book itself Drawing on theory and research across a range of subjects from business and sociology to neuroscience and psychology and from interviews with industry professionals Phillips investigates how the fundamentals of the book industry are changing in a world of ebooks self publishing and emerging business models Useful comparisons are also made with other media industries which have undergone rapid change such as music and newspapers This book is an ideal companion for anyone wishing to understand the transition of the book writing and publishing in recent years and will be particularly relevant to students studying publishing media and communications *Mediated Intimacy* Meg-John Barker,Rosalind Gill,Laura

Harvey,2018-04-27 *Mediated Intimacy* looks at contemporary sex and relationship advice exploring how our intimate lives are shaped through different media from manuals and magazines to television and Twitter By exploring how intimacy is constructed through different media texts the authors consider which ideas and practices these changing forms of sexpertise open up and which they close down The book reveals the intimate operation of power in mediated advice how words and images stories and sound can work to shore up social injustice It critically engages with the ideas of choice and responsibility in sex self help arguing that these can obscure and or justify oppression even if they re sometimes experienced as empowering and or pleasurable This bold and incisive book provides a radical challenge to the assumptions underlying the sex advice industry and presents a critical collaborative and consensual vision for sex advice of the future **Cult Film as a**

Guide to Life I.Q. Hunter,2016-09-08 *Cult Film as a Guide to Life* investigates the world and experience of cult films from

well loved classics to the worst movies ever made Including comprehensive studies of cult phenomena such as trash films exploitation versions cult adaptations and case studies of movies as different as Showgirls Room 237 and The Lord of the G Strings this lively provocative and original book shows why cult films may just be the perfect guide to making sense of the contemporary world Using his expertise in two fields I Q Hunter also explores the important overlap between cult film and adaptation studies He argues that adaptation studies could learn a great deal from cult and fan studies about the importance of audiences emotional investment not only in texts but also in the relationships between them and how such bonds of caring are structured over time The book s emergent theme is cult film as lived experience With reference mostly to American cinema Hunter explores how cultists with their powerful emotional investment in films care for them over time and across numerous intertexts in relationships of memory nostalgia and anticipation *Rewriting the Ancient World* ,2017-07-03

Rewriting the Ancient World looks at how and why the ancient world including not only the Greeks and Romans but also Jews and Christians has been rewritten in popular fictions of the modern world The fascination that ancient society holds for later periods in the Western world is as noticeable in popular fiction as it is in other media for there is a vast body of work either set in or interacting with classical models themes and societies These works of popular fiction encompass a very wide range of society and the examination of the interaction between these books and the world of classics provides a fascinating study of both popular culture and example of classical reception **Girls Who Like Boys Who Like Boys** Lucy

Neville,2018-03-19 This book investigates what women enjoy about consuming and in some cases producing gay male erotic media from slashfic to pornographic texts to visual pornography and how this sits within their consumption of erotica and pornography more generally In addition it will examine how women s use of gay male erotic media fits in with their perceptions of gender and sexuality By drawing on a piece of wide scale mixed methods research that examines these motivations an original and important volume is presented that serves to explore and contribute to this under researched area *The Psychology of Sex* Meg John Barker,2018-04-09

What can psychology teach us about sex How do different bodies and brains respond sexually How can we prevent people being stigmatised for their sexuality The Psychology of Sex takes you on a tour through the different ways that psychologists have created and sustained certain understandings of sex and sexuality Bearing in mind the subjective nature of sex the book explores cultural concerns around sexualisation pornography and sex addiction as well as drawing on research from sexual communities and the applied area of sex therapy When so much of our relationship to sex happens in the mind The Psychology of Sex shows us how important it is to understand where our ideas about sex come from **The Case for Fanfiction** Ashley J. Barner,2017-10-31

Challenging readers to rethink what they read and why the author questions the aesthetic assumptions that have led to the devaluing of fanfiction a genre criticized as both tasteless and derivative and other guilty pleasure reading and writing including romance and fantasy The complicated relationship between fanfic and intellectual property rights is discussed in light of the millennia

old tradition of derivative literature before modern copyright law established originality as the hallmark of great fiction Absorbed reading the practice of immersing oneself in the narrative versus critically reading from a distance is a strong motive for the appropriation by fanfiction of canon characters and worlds **Knowledge Games** Karen Schrier,2016-06-15 Are games the knowledge producers of the future Imagine if new knowledge and insights came not just from research centers think tanks and universities but also from games of all things Video games have been viewed as causing social problems but what if they actually helped solve them This question drives Karen Schrier s Knowledge Games which seeks to uncover the potentials and pitfalls of using games to make discoveries solve real world problems and better understand our world For example so called knowledge games such as Foldit a protein folding puzzle game SchoolLife which crowdsources bullying interventions and Reverse the Odds in which mobile game players analyze breast cancer data are already being used by researchers to gain scientific psychological and humanistic insights Schrier argues that knowledge games are potentially powerful because of their ability to motivate a crowd of problem solvers within a dynamic system while also tapping into the innovative data processing and computational abilities of games In the near future Schrier asserts knowledge games may be created to understand and predict voting behavior climate concerns historical perspectives online harassment susceptibility to depression or optimal advertising strategies among other things In addition to investigating the intersection of games problem solving and crowdsourcing Schrier examines what happens when knowledge emerges from games and game players rather than scientists professionals and researchers This accessible book also critiques the limits and implications of games and considers how they may redefine what it means to produce knowledge to play to educate and to be a citizen Fic Anne Jamison,2013-11-26 What is fanfiction and what is it not Why does fanfiction matter And what makes it so important to the future of literature Fic is a groundbreaking exploration of the history and culture of fan writing and what it means for the way we think about reading writing and authorship It s a story about literature community and technology about what stories are being told who s telling them how and why With provocative discussions from both professional and fan writers on subjects from Star Trek to The X Files and Buffy the Vampire Slayer to Harry Potter Twilight and beyond Fic sheds light on the widely misunderstood world s of fanfiction not only how fanfiction is transforming the literary landscape but how it already has Fic features a foreword by Lev Grossman author of The Magicians and interviews with Jonathan Lethem Doug Wright Eurydice Vivean Dean and Katie Forsythe wordstrings Cyndy Aleo algonquinrt d0tpark3r V Arrow aimmyarrowhigh Tish Beaty his_tweet Brad Bell Amber Benson Peter Berg Homfrog Kristina Busse Rachel Caine Francesca Coppa Randi Flanagan BellaFlan Jolie Fontenot Wendy C Fries Atlin Merrick Ron Hogan Bethan Jones Christina Lauren Christina Hobbs tby789 and Lauren Billings LolaShoes Jacqueline Lichtenberg Rukmini Pande and Samira Nadkarni Chris Rankin Tiffany Reisz Andrew Shaffer Andy Sawyer Heidi Tandy Heidi8 Darren Wershler Jules Wilkinson missyjack Jen Zern NautiBitz Break the Internet Olivia Yallop,2021-11-09 Traditional media is over The internet reigns And in the attention economy
