Reading Specialists and Literacy Coaches in the Real

World Brenda A. Shearer, DeBorah A. Carr, MaryEllen Vogt, 2018-07-23 Now more than ever the roles and responsibilities of today's literacy professionals are expanding. Many recent developments require a closer look at the changing careers of reading specialists, coaches, and administrators, leading to an emphasis on increased collaboration and coaching integration of standards and student improvement initiatives. Both scholarly and practical, *Reading Specialists and Literacy Coaches in the Real World* provides the support and guidance both literacy and content area teachers need. The learning goals and outcomes in each chapter are aligned with ILA's Standards for the Preparation of Literacy Professionals 2017, providing opportunities for group inquiry and new perspectives on professional learning. The authors examine the historical, political, and social forces that shape evidence-based practice and incorporate significant developments in intervention, assessment, and adolescent literacy. Their impact on instruction and the needs of students are studied in conjunction with RtI, MTSS, progress monitoring, and differentiation. Instructional technologies related to twenty-first-century literacies, updated information about effective academic language instruction for English learners, and a moral imperative for fostering equity, social justice, and global perspectives. The Fourth Edition also provides Resource Materials to support the text, giving it a great deal of flexibility to explore projects for portfolios and self-assessment. In the real world, as learners among learners, literacy professionals use their experiences and voices for advocacy to help prepare students for success in their lives and careers. **Accelerating**

Literacy for Diverse Learners Socorro G. Herrera, Della R. Perez, Shabina K. Kavimandan, Stephanie Wessels, 2013 In her new book, nationally known professional development consultant and literacy expert Socorro Herrera and her colleagues provide a theoretical foundation for culturally responsive teaching that will accelerate literacy development for all students and particularly for English language learners. Aligned with Common Core State Standards (CCSS), this volume incorporates current research and best practices for developing a classroom community that takes into account students' languages, cultures, and individual biographies. This resource provides proven effective strategies, tools, and ideas that can be adapted and modified for any grade level and content area. This book features a demonstration DVD showing the book's strategies in action in real classrooms, classroom strategies that align with CCSS and Response to Intervention guidance to help teachers use grouping configurations to build classroom community and maximize students' assets, and a quick glance overview and an in-depth exploration of each strategy that illustrates each step of implementation. 208-page book and 1-hour DVD.
