for the main three books because some part of the storyline from all three books remained somewhat hidden and unclear. By reading Grey the reader has the opportunity to look at everything that happened in the novel from Grey's eyes, his relationship with Anastasia Steele, his relationship with his family, his own personal perspective of his past events and traumas, and his own feelings, excitement, and dilemmas when dealing with challenges such as dating Mrs. Steele and the fact that Ana was the first woman who was able to ease his rules considering signing and obeying the contract. Grey is not a book but instead it serves as a fine supplement to the existing trilogy because of its nature. It is here to show us who Christian Grey really is. Here is a preview of what you will get in Grey: you will get a shortened version of the story. In Grey you will find the book analyzed to further strengthen your knowledge.
