Jessica Brody,2025-09-23 When Freedom Airlines flight 121 went down over the Pacific Ocean no one ever expected to find survivors Which is why the sixteen year old girl discovered floating among the wreckage alive is making headlines across the globe Even more strange is that her body is miraculously unharmed and she has no memories of boarding the plane She has no memories of her life before the crash She has no memories period No one knows how she survived No one knows why she wasn't on the passenger manifest And no one can explain why her DNA and fingerprints can't be found in a single database in the world Crippled by a world she doesn't know plagued by abilities she doesn't understand and haunted by a looming threat she can't remember Seraphina struggles to piece together her forgotten past and discover who she really is But with every clue only comes more questions And she's running out of time to answer them Her only hope is a strangely alluring boy who claims to know her from before the crash Who claims they were in love But can she really trust him And will he be able to protect her from the people who have been making her forget From popular young adult author Jessica Brody
