New Testament Scholarship: Praphrase on John Desiderius Erasmus,Robert Dick Sider,Jane Ellen Phillips,1991-05
Erasmus yearned to make the Bible an effective instrument in the reform of society church and the life of individuals in the turbulent world the sixteenth century He therefore composed paraphrases in which the words of Holy Scripture provided the core of a text vastly expanded to embrace the reforming philosophy of Christ The Paraphrases were successful beyond expectation and were quickly translated from Latin into French German English and other languages This volume is the third Paraphrase to be published in the New Testament Scholarship series in the CWE In it Erasmus explores questions that have always been central to Christian self understanding Why is the cross folly to the wise of this world In the Paraphrase on John Erasmus hints broadly that the cause of human blindness lies in the arrogance of intellectual pretensions the love of vain glory the lust for possessions the fear of losing the supports that secure a comfortable way of life Perhaps nothing will please the reader more the portraits of the chief characters in John s Gospels We enjoy the simplicity of the lowly woman at the well we understand the complexity of the distinguished Nicodemus Above all we are captured by the portrait of Christ himself Upon the stage Erasmus has here designed Christ appears first in the humility of a lowly artisan from a despised country only to the discerning does his glory flash forth from his mortality a mortality vividly etched in the scene on the cross But in the last pages of the Paraphrase on John Erasmus sets before us in sharp dramatic contrast the resurrected Christ glorious with a radiant holiness Like Augustine in the City of God Erasmus attempts to define the relationship between the two worlds in which the Christian lives the heavenly and the spiritual and the earthly and physical Volume 46 of the Collected Works of Erasmus series The Beloved and I ~ The Noble Qur'an Thomas McElwain,2010-07-04 The Beloved and I The Sacred Scriptures in Verse with Verse Commentary contains a verse rendering of the Holy Qur an and hundreds of sonnet like commentaries *The Truth* Mohammad Rehman,2023-09-14 The Truth covers selected verses of the Quran which as per Islam is the book of God So are the Torah and the Gospels which were also sent directly from God through angels and messengers God s intention in all the Abrahamic religions was to keep things simple but over time we ve become divided Mortals and rulers have brought sects to religions adding new books and new laws The verdict from worshippers of different faiths is clear If you do not do this you are not a good Muslim if you do not do that you are not a good Christian if you do not keep your hair like this or dress like this you are not a good Jew The sermons keep coming making it difficult to keep up with religion The basics being a good person or being a caring and giving person are often no longer necessary to belong to a religion Faith has largely acquired a new identity which is hardly religious In this book Mohammad Rehman presents the right version of Islam which is hardly practiced anymore as the majority of people follow sects instead of the Quran alone

The Holy Quran Abdullah Yusuf Ali,2022-05-17 The Holy Quran translated by Abdullah Yusuf Ali stands as a

monumental work of religious and literary significance This translation is celebrated for its eloquent prose and poetic cadence rendering the original Arabic text accessible to a global audience Yusuf Ali employs a unique blend of scholarly precision and spiritual insight meticulously capturing the essence of the Quranic message while offering valuable commentary that situates the text within its historical and cultural contexts His translation first published in the early 20th century reflects a modernist approach balancing reverence for the text with the needs of contemporary readers Abdullah Yusuf Ali a prominent Indian Islamic scholar and translator dedicated his life to bridging the gap between Islam and the Western world Influenced by his extensive education in both Islamic studies and English literature his translation endeavors aimed not only to elucidate the meaning of the Quran but also to foster intercultural understanding His experiences particularly in British ruled India propelled him to address the misinterpretations of Islam prevalent in the West For readers of all backgrounds The Holy Quran offers an invaluable opportunity to engage with one of the world s most profound spiritual texts Yusuf Ali s translation invites readers to explore its themes of mercy justice and guidance making it an essential addition to any library and a transformative read for those seeking deeper spiritual understanding
