**An Educational Psychology** Textbook Equity,2014-10-10 The first half of the book focuses on broader questions and

principles taken from psychology per se and the second half focuses on somewhat more practical issues of teaching. All parts of the book draw on research theory and practical wisdom wherever appropriate. Chapter 2 is about learning theory and Chapter 3 is about development. Chapter 4 is about several forms of student diversity and Chapter 5 is about students with disabilities. Chapter 6 is about motivation. Following these somewhat more basic psychological chapters, we turn to several lasting challenges of classroom life—challenges that seem to be an intrinsic part of the job. Chapter 7 offers ideas about classroom management. Chapter 8 offers ideas about communicating with students. Chapter 9 offers ways to assist students with complex forms of thinking, and Chapter 10 offers ideas about planning instruction systematically. The book closes with two chapters about assessment of learning.

**A School Leader's Guide to Standards-Based Grading** Tammy Heflebower, Jan K. Hoegh, 2014-05-30

Accurately report students' academic strengths and weaknesses with standards-based grading. Rather than using traditional systems that incorporate nonacademic factors such as attendance and behavior, learn to assess and report student performance based on prioritized standards. You will discover reliable practical methods for analyzing what students have learned and gain effective strategies for offering students feedback on their progress.

**Handbook of Effective Inclusive Schools** James McLeskey, Fred Spooner, Bob Algozzine, Nancy L. Waldron, 2014-05-16

Over the last decade, the educational context for students with disabilities has significantly changed, primarily as a result of mandates contained in NCLB and IDEA. The purpose of this book is to summarize the research literature regarding how students might be provided classrooms and schools that are both inclusive and effective. Inclusive schools are defined as places where students with disabilities are valued and active participants in academic and social activities and are given supports that help them succeed. Effectiveness is addressed within the current movement toward multi-tiered systems of support and evidence-based practices that meet the demands of high-stakes accountability.
