5 Minutes With Christ Spiritual Nourishment For Busy Teachers:

5 Minutes with Christ Lou DelFra, Ann Primus Berends, 2011 The inspirational reflections on Christ as Teacher in 5 Minutes with Christ provide educators with the spiritual nourishment they need during their busy days. Crafted by graduates and associates of the University of Notre Dame's Alliance for Catholic Education ACE program, the most prestigious Catholic teacher training program in the United States, each reflection is based on an event in the life of Jesus and invites the reader to connect with him in the chaos of daily life. Each reflection follows a simple format: an excerpt from one of the gospels, a personal reflection by a teacher, and a short prayer. Teachers can use these reflections and prayers as starting points for their own daily devotion or as resources to use in the few minutes they have to pray during the school day. Teachers, particularly those in Catholic schools, are in constant need of spiritual nourishment and inspiration. 5 Minutes with Christ was developed to meet this need. This educator-specific resource is ideal for teacher retreats and spiritual learning communities among faculty members.

5 Minutes with the Saints Lou DelFra, Ann Primus Berends, 2014-09-22 Building on the popularity of 5 Minutes with Christ 2011, this unique book of meditations draws on insights and anecdotes from great Catholic saints on the subject of education to encourage and inspire teachers and others on the front lines of Catholic education. Drawing its inspiration from the great saints and founders of religious orders dedicated to teaching, 5 Minutes with the Saints offers today's educators the bite-sized moments of spiritual motivation and affirmation they need to continue their challenging and often thankless work. Each reflection features a short excerpt on the spirituality of Catholic education by saints such as André Bessette, Ignatius Loyola, and Elizabeth Ann Seton, followed by a personal reflection and a short prayer. Like 5 Minutes with Christ, this book was crafted from the writings of members of the University of Notre Dame's Alliance for Catholic Education ACE, the most prestigious Catholic educator training program in America.

5 Minutes with the Psalms and the Wisdom Books Lou DelFra, Ann Primus Berends, 2017-04-07 Continuing the tradition of 5 Minutes with Christ and 5 Minutes with the Saints, this uplifting book of meditations by members of the Alliance for Catholic Education ACE at the University of Notre Dame draws on inspiration from the Psalms, Proverbs, and the books of Wisdom in the Bible. These timeless insights of scripture can provide inspiration and encouragement for all of those on the front lines of Catholic education. Written by teachers for teachers, this book is a valuable resource not only for teachers but also for pastors, principals, administrators, and school board members as they seek to motivate others and to reflect on their own role in education. More than seventy meditations will help you get back in touch with Jesus, the source of all wisdom who gives meaning and coherence to your life as a teacher. With contributions from teachers who work in a variety of subject areas at all levels of elementary and high school, 5 Minutes with the Psalms and the Wisdom Books will be a welcome reminder of the dignity of the teaching vocation and a gentle source of encouragement for educators struggling to meet the needs of their students each day.

Volume 2 D. Min Dallas R. Burdette, 2010-02 One objective of this book is to set forth the heart of God's Gospel. This volume is composed of a compilation of sermons and in-depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another. Since the Cross of Christ is pivotal to a proper understanding of Christianity, numerous chapters in this book explore the ins and outs of the importance of the Cross in the lives of God's people. Not only does this book focus upon the scheme of God's redemption and evangelism as a part of every believer's ministry, it also calls attention to Christian apologetics, that is, a defense of Christianity. Three chapters are devoted to this kind of study: 1. Christianity versus Skepticism, 2. Credibility and Candor of the New Testament Writers, and 3. Paul's Conversion: Apologetic for Christianity. Also, this book allocates three chapters to the subject of baptism and its meaning to God's children. And finally, four chapters are dedicated to a detailed study of worship within the Christian community. Dallas Burdette has been a serious student, teacher and preacher of the Bible for fifty-eight years, supporting himself for many years as an agent for AFLAC. He has written numerous articles for religious journals as well as many essays and sermons which are available on his website www.freedominchrist.net. He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word. He has degrees from Amridge University, formerly Southern Christian University, where he also was Director of Extended Learning for five years. He holds the Doctor of Ministry degree, 1999, from Erskine Theological Seminary.
