RAINBOW BOYS

Alex Sanchez

Rainbow Boys Rainbow Trilogy 1 By Alex Sanchez

Thomas Bryan Crisp

Rainbow Boys Rainbow Trilogy 1 By Alex Sanchez:

Over the Rainbow Michelle Ann Abate, Kenneth B. Kidd, 2011 Significant essays on LGBTQ topics in children's literature

Rainbow Road Alex Sanchez, 2010-05-11 Jason Carrillo came out to his basketball team senior year and lost his university scholarship. Now with graduation behind him and summer ending, he's asked to speak at the opening of a gay and lesbian high school across the country. But after spending years in the closet and losing his scholarship dream, what message can he offer? Kyle Meeks is getting ready to go to Princeton in the fall and trying to see as much as possible of his boyfriend Jason before they have to separate. When Jason tells him about his speaking invitation, Kyle jumps at the chance to drive across country with him. Yet he can't help worrying: Will their romance survive two weeks crammed together in a car? Nelson Glassman is happy his best friend Kyle has found love with Jason. Now he's looking for his own true love and hopes he might find his soul mate during the road trip. But will being the third wheel in a trio ruin his friendships with Kyle and Jason? During an eye-opening postgraduation summer road trip, each of the three very different boys also embarks on a personal journey across a landscape of love, sexuality, homophobia, and above all, friendship.

Sunday You Learn How to Box

Bil Wright, 2013-08-27 An unforgettable portrait of fourteen-year-old Louis Bowman in a boxing ring, a housing project circa 1968, fighting just to get to the end of the round. Sharing the ring is his mother, Jeanette Stamps, a ferociously stubborn woman battling for her own dreams to be realized; his stepfather, Ben Stamps, the would-be savior who becomes the sparring partner to them both; and the enigmatic Ray Anthony Robinson, the neighborhood hoodlum in purple polyester pants who sets young Louis's heart spinning with the first stirrings of sexual longing. Blending quirky humor and clear-eyed unsentimentality, Bil Wright deftly evokes an unrelenting world with lyricism and passion.

Rainbow High

Alex Sanchez, 2011-08-09 Jason Carrillo, the best-looking athlete in school, has had his eyes on the prize from day one: a scholarship for college. But then his eyes turn to love, and Kyle Meeks, swim team star and all-around good guy, is finally in the relationship he wanted. Being in love feels so good in fact that he can't imagine giving it up to go to Princeton. Something he's worked for his entire life. Nelson Glassman, outgoing and defiant, might be HIV positive. Jeremy, the boy he loves, is HIV positive. Although Nelson fears testing positive if he is infected, Jeremy might stop protecting him and pushing him away. They can be together. High school's almost over. Graduation is ahead. Life's a bowl of cherries, right? Right.

Getting It

Alex Sanchez, 2008-06-23 He clicked on *Queer Eye*, a show where five gay dudes gave some grungy straight guy a makeover, plucking his nose hairs, redecorating his apartment, and teaching him to bake a quiche so he could confidently propose marriage to his girlfriend, and she'd tell him yes. Which, of course, she did. On TV, the guy always gets the girl. As Carlos watched, he recalled Sal, the supposedly gay guy at school. It was then that the idea first popped into his brain: If Sal truly were queer, could he possibly help Carlos? Nor to propose to Roxy, of course, at least not yet, but to get her to maybe like him.

Boyfriends with Girlfriends

Alex Sanchez, 2011-04-19 Sergio is bisexual, but his only real relationship was with a girl. Lance has always known he was gay, but

he s never had a real boyfriend When the two of them meet they have an instant connection but will it be enough to overcome their differences Allie s been in a relationship with a guy for the last two years but when she meets Kimiko she can t get her out of her mind Does this mean she s gay Or bi Kimiko falling hard for Allie is willing to stick around and help Allie figure it out Boyfriends with Girlfriends is Alex Sanchez at his best writing with a sensitive hand to portray four very real teens striving to find their places in the world and with each other *LGBTQ Young Adult Fiction* Caren J. Town,2017-07-05

Young adult literature featuring teenage lesbian gay bisexual transgender and questioning characters is fast growing in popularity Unlike the problem novels of the past which focused on the guilt bullying and isolation of LGBTQ characters today s narratives present more sympathetic and celebratory portrayals The author explores a selection of recent novels many of which may be new to readers and places them in the wider contexts of LGBTQ literature and history Chapters discuss a range of topics including the relationship of Queer Theory to literature LGBTQ families and recent trends in utopian and dystopian science fiction **Queer Externalities** W. C. Harris,2009-09-10 In television shows such as Queer Eye for the Straight Guy and movies like Brokeback Mountain as well as gay young adult novels and other media coverage of queer people including the outing of several prominent Republicans queer lives are becoming more visible in the media and in U S culture more generally How does the increasing visibility of queer subjects within mainstream culture affect possibilities for radical and transformative queer activism Provocative and challenging W C Harris argues that rather than simply being a cause for celebration this mainstreaming of queer lives may have as many negative effects as positive ones for contemporary gay lesbian bisexual and transgender people Harris builds on the work of queer and political theorists such as Eve Sedgwick David Halperin Michael Warner and Wendy Brown to examine the side effects that can be generated when queers assimilate and argues for a reinvigorated queer essentialism in order to claim a separate and visible political and activist space within U S culture Re-reading Rainbow Boys Thomas Bryan Crisp,2008 *Voices From the Wreckage: Young Adult Voices in the #MeToo Movement* Kimberly Karshner,2023-04-18 *Voices From the Wreckage* Young Adult Voices in the MeToo Movement is an edited collection by Kimberly Greenfield Karshner Lorain County Community College This collection focuses on situating young adult voices in the MeToo movement and into American culture and identity Children s and young adult literature is an area of study that has rapidly evolved in the past ten years bringing previously silenced voices to light This is especially true for YA LGBTQ voices and also for young narrators who are not only discovering celebrating and coming to terms with their identities but also dealing with assaults on their identities This collection will build on what writers like Laurie Halse Anderson have begun first with her groundbreaking book on sexual assault *Speak* published in 1999 and more currently her follow up book *Shout* 2019 These authors continue what Anderson started exploring texts from the perspectives of YA male and female voices Native American and international perspectives and LGBTQ character representation Chapters investigate various literary forms such as graphic novels memoirs and novels and cover topics such as sexual desire consent trauma and

survivorship The literature featured in this volume will assure young people that they can tell their stories and that they will be heard *Voices From the Wreckage* will be a valuable tool for anyone who teaches Young Adult Literature or for those who are avid readers and fans of the genre The authors in this collection are starting and continuing very important conversations on the topic of sexual abuse and trauma a conversation necessary for the intended audiences of these books and for adult readers and teachers who are facilitating the emotions connected to these topics **Senior High Core Collection**

Raymond W. Barber, Patrice Bartell, 2007 Features annotations for more than 6 200 works in the main volume 2007 and more than 2 400 new titles in three annual supplements published 2008 through 2010 New coverage of biographies art sports Islam the Middle East cultural diversity and other contemporary topics keeps your library's collection as current as today's headlines **Latino/a Literature in the Classroom** Frederick Luis Aldama, 2015-06-19

In one of the most rapidly growing areas of literary study this volume provides the first comprehensive guide to teaching Latino a literature in all variety of learning environments Essays by internationally renowned scholars offer an array of approaches and methods to the teaching of the novel short story plays poetry autobiography testimonial comic book children and young adult literature film performance art and multi media digital texts among others The essays provide conceptual vocabularies and tools to help teachers design courses that pay attention to Issues of form across a range of storytelling media Issues of content such as theme and character Issues of historical periods linguistic communities and regions Issues of institutional classroom settings The volume innovatively adds to and complicates the broader humanities curriculum by offering new possibilities for pedagogical practice Out, 2003-09 *LGBTQAI Books for Children and Teens* Christina Dorr, Liz Deskins, 2018-01-10

This resource gives school librarians children's and YA librarians the guidance and tools they need to confidently share these books with the patrons they support **HIV/AIDS in Young Adult Novels** Melissa Gross, Annette Y. Goldsmith, Debi Carruth, 2010-10-11 Not long after becoming public health concerns in the 1980s HIV and AIDS were featured in a number of works of fiction though such titles were written primarily for adult readers Mirroring the disease's indiscriminate nature however the subject would soon be incorporated into novels aimed at young adults Despite a need for accessible information on the subject it is difficult to identify fiction that contains material about HIV AIDS as these books are seldom catalogued for this content nor is this content consistently acknowledged in published reviews In *HIV AIDS in Young Adult Novels An Annotated Bibliography* the authors address this gap by identifying and assessing the full range of young adult novels that include HIV AIDS content This resource is comprised of two major parts The first part summarizes findings from a content analysis performed on novels written for readers aged 11-19 published since 1981 and featuring at least one character with HIV AIDS The second part is an annotated bibliography of the more than 90 novels identified for use in the study Each entry in the bibliography contains an annotation that summarizes the plot and how HIV AIDS is depicted in the story an indication of the accuracy of the HIV AIDS content a note on how central HIV AIDS is to the story and an evaluation of the literary

quality of the book This work will assist readers in collecting choosing evaluating and using these works to educate readers about HIV AIDS

Family in Children's and Young Adult Literature Eleanor Spencer,Jade Dillon Craig,2023-11-07 Family in Children s and Young Adult Literature is a comprehensive study of the family in Anglophone children s and Young Adult literature from the early nineteenth century to the present day Written by intellectual leaders in the field from the UK the Americas Europe and Australia this collection of essays explores the significance of the family and of familial and quasi familial relationships in texts by a wide range of authors including the Grimms Frances Hodgson Burnett Rudyard Kipling Enid Blyton Judy Blume Jaqueline Wilson Malorie Blackman Melvin Burgess J K Rowling Neil Gaiman and others Author based and critical survey essays explore evolving depictions of LGBTQIA and BAME families migrant and refugee narratives the popular tropes of the orphan protagonist and the wicked stepmother sibling and intergenerational familial relationships fathers and fatherhood the anthropomorphic animal and surrogate family and the fractured family in paranormal and dystopian YA literature The breadth of essays in Family in Children s and Young Adult Literature encourages readers to think beyond the outdated but culturally privileged nuclear family and is a vital resource for students academics educators and practitioners

Contemporary Authors Julie Keppen,2004-10 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book reviews and other materials provided by the authors publishers

The Advocate ,2005 **Serving Lesbian, Gay, Bisexual, Transgender, and Questioning Teens** Hillias J. Martin,James R. Murdock,2007 In our shared efforts to serve every member of our YA community this new title is an important addition to your professional collection This innovative guide will help you make informed collection service and programming decisions about materials for the growing lesbian gay bisexual transgender and questioning LGBTQ YA population The authors provide an overview of LGBTQ literature address concerns for serving these patrons and help guide you and your colleagues through the benefits and challenges of collecting materials This breakthrough new publication offers An A Z annotated guide to 50 fiction nonfiction and multimedia works 30 ready to use programming ideas and booktalks that will help you welcome and provide a more inclusive environment for all teens Tips and suggestions for handling challenging situations such as the placement of books patron privacy handling parents questions and more

Rocked by Romance Carolyn Carpan,2004-04-30 Offers a guide to teenage romance fiction which focuses on themes of dating first love and sexuality and includes annotations for each book
