Law Enforcement Assistance Administration,1974 *Encyclopedia of American Folklife* Simon J Bronner,2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries Encyclopedia of American Folklife is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research **Ineffably Urban: Imaging Buffalo** Miriam Paeslack,2016-12-05 Buffalo in New York state is ineffable a typical city in transition between its past and future It is a classic example of one of many shrinking cities in North America and elsewhere which once prospered because of heavy industrialization but which now have to deal with various degrees of urban decay Bringing together a range of scholars from the humanities the social sciences art and architecture this volume looks at both the literal city image and urban representation generated by photographs video historical and contemporary narratives and grass root initiatives It investigates the notion of agency of media in the city and in return what the city s agency is This agency matters particularly as it is both transforming shrinking fading being redefined and being shaped through its visual and spatial mediation While illustrated by Buffalo in particular the book examines a broader phenomenon the identity of those cities that were built and blossomed during the late 19th and early 20th century and are now in different stages of decline and disintegration However

while such cities are all confronted with complex issues of economic instability social and racial segregation urban sprawl and shrinking processes both in the inner city and more and more in their ex urban belts they are too often described through dramatically simplifying visual and linguistic tropes In Buffalo such tropes refer dialectically either to the city s past glory or its presumed current cultural political and economical stasis and decline This book takes such tired and familiar tropes and questions them
