Searching For God Knows What By Donald Miller:

Searching for God Knows What Don Miller, Donald Miller, 2023-08-22 With equal parts wit and wisdom New York Times bestselling author Donald Miller invites you to reconnect with your faith Miller shares what he's learned firsthand that our relationship with God is designed to teach us about redemption grace healing and so much more *Searching for God Knows What* weaves together timeless stories and fresh perspectives on the Bible to capture one man's journey to discover an authentic faith that's worth believing Along the way Miller poses his own questions about faith religion and community asking What if the motive behind our theology was relational What if our value exists because God takes pleasure in us What if the gospel of Jesus is an invitation to know God Maybe you're a Christian wondering what faith you signed up for Or maybe you don't believe anything and are daring someone to show you a genuine example of genuine faith Somewhere beyond the self-help formulas fancy marketing and easy promises there is a life-changing experience with God waiting for you it just takes a little bit of searching Praise for *Searching for God Knows What* Like a shaken snow globe Donald Miller's newest collection of essays creates a swirl of ideas about the Christian life that eventually crystallize into a lovely landscape He is one of the evangelical book market's most creative writers Christianity Today If you have felt that Jesus is someone you respect and admire but Christianity is something that repels you *Searching for God Knows What* will give you hope that you still can follow Jesus and be part of a church without the trappings of organized religion Dan Kimball author of *The Emerging Church* and Pastor of Vintage Faith Church Santa Cruz CA For fans of *Blue Like Jazz* I doubt you will be disappointed Donald Miller writes with the wit and vulnerability that you expect He perfectly illustrates important themes in a genuine and humorous manner For those who would be reading Miller for the first time this would be a great start Relevant *Blue Like Jazz: Movie Edition* Donald Miller, 2012-04-09 The runaway New York Times bestseller that became a cornerstone of Christian nonfiction *Blue Like Jazz* is a fresh and original perspective on life love and redemption I never liked jazz music because jazz music doesn't resolve Sometimes you have to watch somebody love something before you can love it yourself It is as if they are showing you the way I used to not like God because God didn't resolve But that was before any of this happened Donald Miller was raised in a strict Texas denomination where he was only vaguely familiar with a distant God When he grew older he ran all the way to the least religious university in the US Rice College in Portland Oregon Still God pursued him When he came to know Jesus he pursued the Christian life with great zeal However within a few years he had a successful ministry that ultimately left him feeling empty burned out and once again far away from God In this intimate non-judgmental and soul-searching account Miller describes his remarkable journey with and back to the infinitely loving God helping you discover how the Christian faith is still relevant in a postmodern culture learn how to have a genuine encounter with a God who is real and enjoy a renewed sense of passion for your life *Blue Like Jazz* is a gentle honest resource for those curious about the Christian faith or new to it and offers a fresh and original perspective on life love and redemption *The*
