Smorgasbord Religion Robin Neighbors,2023-07-14 Neighbors says it's like fingernails on the chalkboard when someone makes the scriptures say whatever they want them to say when God meant something completely different So many people take the scriptures out of context to fit their beliefs instead of the other way around We can't pick and choose which scriptures we like and leave the rest If God didn't want us to know certain things He wouldn't have put them in the Bible Deuteronomy 29:29 says The secret things belong unto the LORD our God but those things which are revealed belong unto us and to our children for ever that we may do all the words of this law Neighbors has found the scriptures being twisted just a bit in every church he's attended and even visited For instance most churches teach the misconception that the Ten Commandments are still alive and active The scriptures tell a very different story Galatians 3:13 says Christ has redeemed us from the curse of the law Galatians 2:21 says I do not frustrate the grace of God for if righteousness come by the law then Christ is dead in vain The full story is mapped out in chapter 1 This book is intended to help you correct many misconceptions about so many scriptures that are taken out of context 101 Answers to Questions About Satan, Demons, and Spiritual Warfare Mark Hitchcock,2014-03-01 What is spiritual warfare Who is Satan How can I resist temptation and walk in the Spirit In 101 Answers to Questions About Satan Demons and Spiritual Warfare bestselling author Mark Hitchcock will take you to the ultimate resource for guidance God's Word There you'll find clarity and wisdom in response to questions such as Where did Satan and demons come from What tactics does Satan use to weaken or deceive us How can we use the whole armor of God to protect ourselves from spiritual attack What are the keys to overcoming temptation and walking in the

Hell's Destruction Catherine Ella Laufer,2016-04-22 The credal affirmation he descended to the dead has attracted a plethora of views over the centuries and many Christians today struggle to explain the meaning of these words This book explores various interpretations of the doctrine of Christ s descent to the dead both within particular historical contexts and within contemporary theology Laufer argues that the descensus clause Christ s descent is integral to Christian faith specifically to the doctrine of the incarnation If we are to affirm that in Christ God became truly human then that affirmation must include his sharing in the state of being dead that is the ultimate consequence of being human Laufer concludes that since the Son has experienced genuine human death and the separation from God which is the essence of hell there is no longer any human condition from which God is absent either in this life or in eternity Christ s descent means that he is truly hell s destruction Drawing on a treasure trove of writings from the western theological tradition including Luther Calvin Maurice Balthasar Moltmann and others and attending to historical theological exegetical philosophical and pastoral issues this book explores an often ignored doctrine which lies at the core of Christian life death and faith **100 Most Asked**
