Douglas Kennedy, 2012-12-18 Three amazing novels in one fabulous ebook by 1 internationally bestselling author Douglas Kennedy The Pursuit of Happiness Manhattan Thanksgiving eve 1945 The war was over and Eric Smythe's party was in full swing All his clever Greenwich Village friends were there So too was his sister Sara an independent outspoken young woman starting to make her way in the big city And then in walked Jack Malone a U S Army journalist just back from a defeated Germany a man whose world view was vastly different than that of Eric and his friends This chance meeting between Sara and Jack and the choices they both made in the wake of it would eventually have profound consequences both for themselves and for those closest to them for decades afterwards Set amidst the dynamic optimism of postwar New York and the subsequent nightmare of the McCarthy era The Pursuit of Happiness is a great tragic love story a tale of divided loyalties decisive moral choices and the random workings of destiny A Special Relationship About an hour after I met Tony Hobbs he saved my life Thirty seven year old American journalist Sally Goodchild quite literally married her hero Both foreign correspondents both on assignment in Cairo they quickly fell in love and settled into domestic life in London From the outset Sally's relationship with both Tony and his hometown was an uneasy one she found both to be far more unfamiliar than imagined But her adjustment problems are soon overshadowed by a troubled pregnancy When she goes into premature labor there are doubts whether her child will survive unscathed And then out of nowhere Sally is hit by an appalling postpartum depression a descent into a temporary but very personal hell which even sees her articulating a homicidal thought against her baby However when she does manage to extricate herself from this desperate state she finds herself in a fresh new nightmare as she discovers that the man she thought knew her better than anyone loved her more than anyone now

considers her an unfit mother and wants to bar her from ever seeing her child again State of the Union America in the 1960s was an era of radical upheaval of civil rights protests and anti war marches of sexual liberation and hallucinogenic drugs More tellingly it was a time when you weren't supposed to trust anyone over the age of thirty when if you were young you rebelled against your parents and their conservative values But not Hannah Buchan Hannah is a great disappointment to her famous radical father and painter mother Instead of mounting the barricades and embracing this age of profound social change she wants nothing more than to marry her doctor boyfriend and raise a family in a small town Hannah gets her wish But once installed as the doctor's wife in a nowhere corner of Maine boredom sets in until an unforeseen moment of personal rebellion changes everything For decades this one transgression in an otherwise faultless life remains buried But then in the charged atmosphere of America after 9 11 her secret comes out and her life goes into freefall *Five Days* Douglas Kennedy, 2013-04-30

W. Thompson, 2007-04 **Origins and Legacies of Marcel Duhamel's Série Noire** Alistair Charles Rolls, Clara Dominique Sitbon, Marie-Laure Jacqueline Vuaille-Barcan, 2017-12-18 In *Origins and Legacies of Marcel Duhamel's Série Noire* Alistair Rolls Clara Sitbon and Marie Laure Vuaille Barcan counter the myths and received wisdom that are typically associated with this iconic French crime fiction series namely that it was born in Paris on a tide of postwar euphoria that it initially consisted of translations of American hard boiled classics by the likes of Dashiell Hammett and Raymond Chandler and that the translations were rushed and rather approximate Instead an alternative vision of Duhamel's translation practice is proposed one based on a French tradition of auto or original translation of ostensibly American crime

fiction and one that appropriates the source text in order to create an allegory of the target culture **Leaving the World**

Douglas Kennedy, 2009-03-05 The compelling novel from the number 1 bestselling author of *Five Days The Moment* and *The Pursuit of Happiness* On the night of her thirteenth birthday Jane Howard made a vow to her warring parents she would never get married and she would never have children But life as Jane discovers is a profoundly random business Many years and many lives later she is a professor in Boston in love with a brilliant erratic man named Theo And then she falls pregnant Motherhood turns out to be a great welcome surprise but when a devastating turn of events tears her existence apart she has no choice but to flee all she knows and leave the world Just when Jane has renounced life itself the disappearance of a young girl pulls her back from the edge and into an obsessive search for personal redemption Convinced that she knows more about the case than the police do she is forced to make a decision stay hidden or bring to light a shattering truth Like Kennedy's previous highly acclaimed novels *Leaving the World* speaks volumes about the dilemmas we face in trying to navigate our way through all that fate throws in our path **The Pursuit Of Happiness** Douglas Kennedy, 2008-09-04 The critically

acclaimed bestseller from the author of *The Moment* and *A Special Relationship* New York 1945 Sara Smythe a young beautiful and intelligent woman ready to make her own way in the big city attends her brother's Thanksgiving Eve party As the party gets into full swing in walks Jack Malone a US Army journalist back from a defeated Germany and a man unlike any Sara has ever met before one who is destined to change Sara's future forever But finding love isn't the same as finding happiness as Sara and Jack soon find out In post war America chance meetings aren't always as they seem and people's choices can often have profound repercussions Sara and Jack find they are subject to forces beyond their control and that their destinies are formed by more than just circumstance In this world of intrigue and emotional conflict Sara must fight to survive against Jack as much as for him In this mesmerising tale of longing and betrayal *The Pursuit of Happiness* is a great tragic love story a tale of divided loyalties decisive moral choices and the random workings of destiny **The Homecoming**

**Horse** Jackie Merchant, 2022-04-01 A touching novel about finding your home even if it doesn't look the way you expected Kennedy and Dad have been on the move since Mum left and their farm had to be sold When Dad takes on a horse called Ugly the plan for the horse is clear from the start train him up sell him off and put the money toward their new farm deposit Despite knowing the clock is ticking the bond between Kennedy and Ugly or Douglas as she calls him becomes unbreakable In the face of all uncertainty Douglas has become her home and her haven but will they have to sell him to have a home of their own **The Art of Life** Zygmunt Bauman, 2013-05-20 In our individualized society we are all artists of life whether we

know it or not will it or not and like it or not by decree of society if not by our own choice In this society we are all expected rightly or wrongly to give our lives purpose and form by using our own skills and resources even if we lack the tools and materials with which artists' studios need to be equipped for the artist's work to be conceived and executed And we are praised or censured for the results for what we have managed or failed to accomplish and for what we have achieved and lost

In our liquid modern society we are also taught to believe that the purpose of the art of life should be and can be happiness though it is not clear what happiness is the images of a happy state keep changing and the state of happiness remains most of the time something yet to be reached This new book by Zygmunt Bauman one of the most original and influential social thinkers writing today is not a book of designs for the art of life nor a how to book the construction of a design for life and the way it is pursued is and cannot but be an individual responsibility and individual accomplishment It is instead a brilliant account of conditions under which our designs for life are chosen of the constraints that might be imposed on their choice and of the interplay of design accident and character that shape their implementation Last but not least it is a study of the ways in which our society the liquid modern individualized society of consumers influences but does not determine the way we construct and narrate our life trajectories
