the relationship between horror films and religious culture focusing on the period from 1968 to the present. Films like *Rosemary's Baby* 1968, *The Exorcist* 1973 and *The Omen* 1976 claimed to be based on actual events, religious traditions and Biblical texts. These films inspired subsequent beliefs and experiences which became the basis for yet more horror films. This book draws on archival research to shed new light on such figures as Ed and Lorraine Warren and Malachi Martin who inserted themselves into this cycle. It also incorporates interviews with horror authors, film writers and paranormal investigators.

[The Murders That Made Us](#) Bob Calhoun, 2021-05-04. The 170 year history of the San Francisco Bay Area told through its crimes and how they intertwine with the city's art, music and politics. In *The Murders That Made Us*, the story of the San Francisco Bay Area unfolds through its most violent and depraved acts. From its earliest days when vigilantes hung perps from downtown buildings to the Zodiac Killer and the kidnapping of Patty Hearst, murder and mayhem have shaped the city into the political and economic force that she is today. The Great 1906 Earthquake shook a city that was already teetering on the brink of a massive prostitution scandal. The Summer of Love ended with a pair of ghastly drug dealer slayings that sent Charles Manson packing for Los Angeles. The 1970s come crashing down with the double tragedy of Jonestown and the assassination of Gay icon Harvey Milk by an ex-cop. And the 21st Century rise of California Governor Gavin Newsom, Trump insider Kimberly Guilfoyle and Vice President Kamala Harris is told through a brutal dog mauling case and the absurdity called Fajitagate. It's a 170 year saga of madness, corruption and death revealed here, one crime at a time.

[The Ice Man](#) Philip Carlo, 2008. Carlo offers a blood-chilling insight into the mind of one of America's most prolific assassins, Richard the Ice Man, Kuklinski. Whilst writing this book, he spent many hours interviewing Kuklinski at Trenton State Prison in New Jersey and had the full cooperation of his family who offered their side of the story.

The People Behind Cult Murders Pete Schauer, 2016-07-15. High school psychology students will read about what motivates the criminals behind cult murders. After introducing the wide range of cults that exist in the world, this book focuses on those cults that often feature violence, abuse, ritual death and mass murder. Religious, doomsday and terrorist cults are just some of the cults covered in this detailed book. Historical accounts of cult murders are followed by descriptions of the psychology of the minds of cult leaders and followers.
