

The Parallax View

Slavoj Žižek

The Parallax View By Slavoj Iek

Ole Jakob Løland

The Parallax View By Slavoj Žižek:

The Parallax View Slavoj Žižek, 2009-02-13 In his long awaited magnum opus he theorizes the parallax gap in the ontological, the scientific and the political and rehabilitates dialectical materialism. The Parallax View is Slavoj Žižek's most substantial theoretical work to appear in many years. Žižek himself describes it as his magnum opus. Parallax can be defined as the apparent displacement of an object caused by a change in observational position. Žižek is interested in the parallax gap separating two points between which no synthesis or mediation is possible, linked by an impossible short circuit of levels that can never meet. From this consideration of parallax, Žižek begins a rehabilitation of dialectical materialism. Modes of parallax can be seen in different domains of today's theory, from the wave-particle duality in quantum physics to the parallax of the unconscious in Freudian psychoanalysis, between interpretations of the formation of the unconscious and theories of drives. In The Parallax View, Žižek with his usual astonishing erudition focuses on three main modes of parallax: the ontological difference, the ultimate parallax that conditions our very access to reality, the scientific parallax, the irreducible gap between the phenomenal experience of reality and its scientific explanation which reaches its apogee in today's brain sciences according to which nobody is home in the skull, just stacks of brain meat; a condition Žižek calls the unbearable lightness of being; no one; and the political parallax, the social antagonism that allows for no common ground. Between his discussions of these three modes, Žižek offers interludes that deal with more specific topics, including an ethical act in a novel by Henry James and anti-Semitism. The Parallax View not only expands Žižek's Lacanian-Hegelian approach to new domains, notably cognitive brain sciences, but also provides the systematic exposition of the conceptual framework that underlies his entire work. Philosophical and theological analysis, detailed readings of literature, cinema and music coexist with lively anecdotes and obscene jokes.

The Remains of Reason Dominik Finkelde, 2025-02-15 Unpacking the central role of the unconscious in the relationship between mind and world. Over a series of careful readings and accessible discussions prefaced by a foreword from Eric Santner, Dominik Finkelde analyzes the central role of the unconscious in the relationship between mind and world. Moving beyond Freud, Kant and Hegel and toward the contemporary work of the Ljubljana School, he explores how humans relate to facts and the influence of the unconscious on questions regarding truth, perception and meaning. Aspects of recognition and unconscious processes of transference are at stake in these fundamental questions of perception and knowledge, though these have been widely ignored in epistemological and ontological debates in contemporary philosophy. Finkelde draws on both the continental and analytic traditions, ultimately building from the work of current-day interlocutors to interrogate questions concerning the influence of enigmatic signifiers, the role of sublime objects of ideology, the importance of fantasy, cultivation and transgression, and the power of jouissance as an ontological factor. The Parallax View Slavoj Žižek, 2006 Seeks to rehabilitate dialectical materialism by discussing the parallax gap which separates two points because of the displacement of an object resulting from a change in observational position. The Subject, This Inwardly Circumcised Jew,

digital original edition Slavoj Žižek, 2014-01-10 Parallax can be defined as the apparent displacement of an object caused by a change in observational position Slavoj Žižek is interested in the parallax gap separating two points between which no synthesis or mediation is possible linked by an impossible short circuit of levels that can never meet In this book Žižek draws on Lacan, F. Scott Fitzgerald, Kant, Hegel and Marx to explore the philosophical implications of parallax **Parallax** Dominik Finkelde, Slavoj Žižek, Christoph Menke, 2021-07-15 Parallax or the change in the position of an object viewed along two different lines of sight and more precisely the assumption that this adjustment is not only due to a change of focus but a change in that object's ontological status has been a key philosophical concept throughout history Building upon Slavoj Žižek's *The Parallax View* this volume shows how parallax is used as a figure of thought that proves how the incompatibility between the physical and the theoretical touches not only upon the ontological but also politics and aesthetics With articles written by internationally renowned philosophers such as Frank Ruda, Graham Harman, Paul Livingston and Žižek himself this book shows how modes of parallax remain in numerous modern theoretical disciplines such as the Marxian parallax in the critique of political economy and politics and the Hegelian parallax in the concept of the work of art while also being important to debates surrounding speculative realism and dialectical materialism Spanning philosophy parallax is then a rich and fruitful concept that can illuminate the studies of those working in epistemology, ontology, German Idealism, political philosophy and critical theory **Žižek and Freedom** Bradley Kaye, 2023-11-03 This book is an exploration of Žižek's theory of freedom By examining key passages in Žižek's work the aim is to provide a functional serviceable philosophy of power and ideology and show how this philosophy of power relates to freedom Although some like Noam Chomsky have criticized Žižek's work as having no guiding principles it is suggested that this misses the fact that Žižek's philosophy utilizes a dialectical methodology that often appears contradictory Though a highly astute reader with a background in the philosophical texts he frequently cites the German Idealists, Freud and modern philosophers it becomes clear that there is a uniquely Žižekian philosophy that mobilizes a radical hermeneutics of freedom **The Puppet and the Dwarf** Slavoj Žižek, 2003-08-29 One of our most daring intellectuals offers a Lacanian interpretation of religion finding that early Christianity was the first revolutionary collective Slavoj Žižek has been called an academic rock star and the wild man of theory his writing mixes astonishing erudition and references to pop culture in order to dissect current intellectual pieties In *The Puppet and the Dwarf* he offers a close reading of today's religious constellation from the viewpoint of Lacanian psychoanalysis He critically confronts both predominant versions of today's spirituality: New Age gnosticism and deconstructionist Levinasian Judaism and then tries to redeem the materialist kernel of Christianity His reading of Christianity is explicitly political discerning in the Pauline community of believers the first version of a revolutionary collective Since today even advocates of Enlightenment like Jürgen Habermas acknowledge that a religious vision is needed to ground our ethical and political stance in a postsecular age this book with a stance that is clearly materialist and at the same time indebted to the core of the Christian legacy is certain to

stir controversy *Incontinence of the Void* Slavoj Žižek, 2017-09-29 The formidably brilliant i ek considers sexuality ontology subjectivity and Marxian critiques of political economy by way of Lacanian psychoanalysis If the most interesting theoretical interventions emerge today from the interspaces between fields then the foremost interspaceman is Slavoj i ek In *Incontinence of the Void* the title is inspired by a sentence in Samuel Beckett's late masterpiece *Ill Seen Ill Said* i ek explores the empty spaces between philosophy psychoanalysis and the critique of political economy He proceeds from the universal dimension of philosophy to the particular dimension of sexuality to the singular dimension of the critique of political economy The passage from one dimension to another is immanent the ontological void is accessible only through the impasses of sexualisation and the ongoing prospect of the abolition of sexuality which is itself opened up by the technoscientific progress of global capitalism in turn leading to the critique of political economy Responding to his colleague and fellow *Short Circuits* author Alenka Zupan i ek examines the notion of an excessive element in ontology that gives body to radical negativity which becomes the antagonism of sexual difference From the economico philosophical perspective i ek extrapolates from ontological excess to Marxian surplus value to Lacan's surplus enjoyment In true i ekian fashion *Incontinence of the Void* focuses on eternal topics while detouring freely into contemporary issues from the *Internet of Things* to Danish TV series *Slavoj Žižek and Dialectical Materialism* Agon Hamza, Frank Ruda, 2016-01-26 This book is the first volume to bring together the most prominent scholars who work on Slavoj i ek's philosophy examining and interrogating his understanding of dialectical materialism It deserves to be thoroughly and systematically elaborated because it attempts to propose a new foundation for dialectical materialism *Žižek: A Guide for the Perplexed* Sean Sheehan, 2012-03-22 An up to date guide to the key ideas and writings of one of the most widely read Cultural Theorists working today **Žižek Now** Jamil Khader, Molly Anne Rothenberg, 2013-05-03 Arguably the most prolific and most widely read philosopher of our time Slavoj i ek has made indelible interventions into many disciplines of the so called human sciences that have transformed the terms of discussion in these fields Although his work has been the subject of many volumes of searching criticism and commentary there is no assessment to date of the value of his work for the development of these disciplines i ek Now brings together distinguished critics to explore the utility and far ranging implications of i ek's thought and provide an evaluation of the difference his work makes or promises to make in their chosen fields As such the volume offers chapters on quantum physics and i ek's transcendentalist materialist theory of the subject Hegel's absolute materialist Christianity postcolonial violence eco politics ceremonial acts and the postcolonial revolutionary subject Contributors to the volume include Adrian Johnston Ian Parker Todd McGowan Bruno Bosteels Erik Vogt Verena Conley Joshua Ramey Jamil Khader and i ek himself Žižek's Jokes Slavoj Žižek, 2014-02-21 Unlike any other book by Slavoj i ek this compact arrangement of jokes culled from his writings provides an index to certain philosophical political and sexual themes that preoccupy him Unlike any other book by Slavoj i ek this compact arrangement of jokes culled from his writings provides an index to certain philosophical political

and sexual themes that preoccupy him Publisher s description *The Puppet Called Theology, digital original edition* Slavoj Zizek,2014-01-10 Slavoj i ek the wild man of theory famously mixes astonishing erudition and references to pop culture in his dissections of current intellectual pieties In this BIT he considers religion from the viewpoint of Lacanian psychoanalysis pondering a dialectical materialist theology and comparing monotheistic and polytheistic violence **Žižek and Performance** B. Chow,A. Mangold,2014-10-17 The first edited volume to examine philosopher Slavoj i ek s influence on and his relevance for theatre and performance studies Featuring a brand new essay from i ek himself this is an indispensable contribution to the emerging field of Performance Philosophy **Žižek Responds!** Dominik Finkelde,Todd McGowan,2023-02-23 Responses to the Slovenian philosopher Slavoj i ek have been like i ek himself extreme Critics have accused him of charlatanism on the one hand while others have lauded his genius especially as a public intellectual on the other This makes it difficult to find any kind of nuanced or interesting critical appraisal of his work At its best i ek s work provides a new foundation of dialectical philosophy beyond the glitz of stardom or oversimplified sinister disdain i ek Responds combines philosophers and theorists engaging with i ek s philosophy in order to explore its unnoticed implications its conceptual problems or its unrealized potential With detailed and lively responses from i ek himself this book offers an unique insight into how this thinker might explain clarify and hone some of his most controversial and misunderstood ideas At once an introduction to i ek s most important concepts and a rare and novel insight into his thoughts on the criticisms of his work this is indispensable reading for both i ekians and their critics The Symbolic, the Sublime, and Slavoj Zizek's Theory of Film M. Flisfeder,2016-01-20 Returning to questions about ideology and subjectivity Flisfeder argues that Slavoj i ek s theory of film aims to re politicize film studies and film theory bringing cinema into the fold of twenty first century politics The Monstrosity of Christ Slavoj Zizek,John Milbank,2011-02-25 A militant Marxist atheist and a Radical Orthodox Christian theologian square off on everything from the meaning of theology and Christ to the war machine of corporate mafia What matters is not so much that i ek is endorsing a demythologized disenchanted Christianity without transcendence as that he is offering in the end despite what he sometimes claims a heterodox version of Christian belief John Milbank To put it even more bluntly my claim is that it is Milbank who is effectively guilty of heterodoxy ultimately of a regression to paganism in my atheism I am more Christian than Milbank Slavoj i ek In this corner philosopher Slavoj i ek a militant atheist who represents the critical materialist stance against religion s illusions in the other corner Radical Orthodox theologian John Milbank an influential and provocative thinker who argues that theology is the only foundation upon which knowledge politics and ethics can stand In *The Monstrosity of Christ* i ek and Milbank go head to head for three rounds employing an impressive arsenal of moves to advance their positions and press their respective advantages By the closing bell they have not only proven themselves worthy adversaries they have shown that faith and reason are not simply and intractably opposed i ek has long been interested in the emancipatory potential offered by Christian theology And Milbank

seeing global capitalism as the new century's greatest ethical challenge has pushed his own ontology in more political and materialist directions Their debate in *The Monstrosity of Christ* concerns the future of religion secularity and political hope in light of a monstrous event God becoming human For the first time since i ek's turn toward theology we have a true debate between an atheist and a theologian about the very meaning of theology Christ the Church the Holy Ghost Universality and the foundations of logic The result goes far beyond the popularized atheist theist point counterpoint of recent books by Christopher Hitchens Richard Dawkins and others i ek begins and Milbank answers countering dialectics with paradox The debate centers on the nature of and relation between paradox and parallax between analogy and dialectics between transcendent glory and liberation Slavoj i ek is a philosopher and cultural critic He has published over thirty books including *Looking Awry* *The Puppet and the Dwarf* and *The Parallax View* these three published by the MIT Press John Milbank is an influential Christian theologian and the author of *Theology and Social Theory Beyond Secular Reason* and other books Creston Davis who conceived of this encounter studied under both i ek and Milbank

Repeating Žižek Agon

Hamza, 2015-05-17 *Repeating* i ek offers a serious engagement with the ideas and propositions of philosopher Slavoj i ek Often subjecting i ek's work to a i ekian analysis this volume's contributors consider the possibility or impossibility of formalizing i ek's ideas into an identifiable philosophical system They examine his interpretations of Hegel Plato and Lacan outline his debates with Badiou and evaluate the implications of his analysis of politics and capitalism upon Marxist thought Other essays focus on i ek's approach to Christianity and Islam his sloppy method of reading texts his relation to current developments in neurobiology and his theorization of animals The book ends with an afterword by i ek in which he analyzes Shakespeare's and Beckett's plays in relation to the subject The contributors do not reach a consensus on defining a i ekian school of philosophy perhaps his idiosyncratic and often heterogeneous ideas simply resist synthesis but even in their repetition of i ek they create something new and vital Contributors Henrik Jøker Bjerre Bruno Bosteels Agon Hamza Brian Benjamin Hansen Adrian Johnston Katja Kollek Adam Kotsko Catherine Malabou Benjamin Noys Geoff Pfeifer Frank Ruda Oxana Timofeeva Samo Tomić Gabriel Tupinamb Fabio Vighi Gavin Walker Sead Zimeri Slavoj i ek

Zizek and

Heidegger Thomas Brockelman, 2008-01-01 Fills a genuine gap in i ek interpretation through examining his relationship with Martin Heidegger the author offers a new and useful overview of i ek's work

The Reception of Paul the Apostle in the

Works of Slavoj Žižek Ole Jakob Løland, 2018-06-20 This is the first book devoted entirely to exploring i ek's peculiar kind of Paulinism It seeks to provide a full map of the Marxist philosopher's interpretations of Paul and critically engage with it As one of several radical leftists of European critical thought i ek embraces the legacy of an ancient apostle in fascinating ways This work considers i ek's philosophical and political readings of Paul through the lens of reception history and argues that through this recent philosophical turn to Paul notions of the historical and philosophical are reproduced and negotiated anew

The Parallax View By Slavoj Iek Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has be evident than ever. They have the capacity to inspire, provoke, and ignite change. Such could be the essence of the book **The Parallax View By Slavoj Iek**, a literary masterpiece that delves deep into the significance of words and their affect our lives. The Parallax View By Slavoj Iek Introduction

The Parallax View By Slavoj Iek Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Parallax View By Slavoj Iek Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Parallax View By Slavoj Iek : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Parallax View By Slavoj Iek : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Parallax View By Slavoj Iek Offers a diverse range of free eBooks across various genres. The Parallax View By Slavoj Iek Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Parallax View By Slavoj Iek Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Parallax View By Slavoj Iek, especially related to The Parallax View By Slavoj Iek, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Parallax View By Slavoj Iek, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Parallax View By Slavoj Iek books or magazines might include. Look for these in online stores or libraries. Remember that while The Parallax View By Slavoj Iek, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Parallax View By Slavoj Iek eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Parallax View By Slavoj Iek full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Parallax View By Slavoj Iek eBooks, including some popular titles.

FAQs About The Parallax View By Slavoj Iek Books

1. Where can I buy The Parallax View By Slavoj Iek books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Parallax View By Slavoj Iek book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Parallax View By Slavoj Iek books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Parallax View By Slavoj Iek audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The Parallax View By Slavoj Iek books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
