Readicide Kelly Gallagher, 2023-10-10 Read i cide The systematic killing of the love of reading often exacerbated by the inane mind numbing practices found in schools Reading is dying in our schools Educators are familiar with many of the factors that have contributed to the decline poverty second language issues and the ever expanding choices of electronic entertainment In this provocative book Readicide How Schools are Killing Reading and What You Can Do About It author and teacher Kelly Gallagher suggests it is time to recognize a new and significant contributor to the death of reading our schools Readicide Gallagher argues that American schools are actively though unwittingly

furthering the decline of reading Specifically he contends that the standard instructional practices used in most schools are killing reading by Valuing standardized testing over the development of lifelong readers Mandating breadth over depth in instruction Requiring students to read difficult texts without proper instructional support and insisting students focus on academic texts Ignoring the importance of developing recreational reading Losing sight of authentic instruction in the looming shadow of political pressures Readicide provides teachers literacy coaches and administrators with specific steps to reverse the downward spiral in reading steps that will help prevent the loss of another generation of readers Reid's Read-Alouds Rob Reid, 2009-02-27 In this timesaving resource Reid makes reading aloud to children and teens easy by selecting titles in high interest topics and providing context to spotlight great passages **Quick and Popular Reads for Teens** Pam Spencer Holley, 2009 Compiles and annotates YALSA's Popular Paperbacks for Young Adults and Quick Picks for Reluctant Readers Includes theme lists Believe Sarah Aronson, 2024-05-07 When Janine Collins was six years old she was the only survivor of a suicide bombing that killed her parents and dozens of others Media coverage instantly turned her into a symbol of hope peace faith of whatever anyone wanted her to be Now on the ten year anniversary of the bombing reporters are camped outside her house eager to revisit the story of the Soul Survivor Janine doesn't want the fame or the pressure of being a walking miracle But the news cycle isn't the only thing standing between her and a normal life Everyone wants something from her expects something of her Even her closest friends are urging her to use her name recognition for a worthy cause But that's nothing compared to the hopes of Dave Armstrong the man who a decade ago pulled Janine from the rubble Now he's a religious leader whose followers believe Janine has healing powers The scariest part They might be right If she's the Soul Survivor what does she owe the people who believe in her If she's not the Soul Survivor who is she **A Family of Readers** Martha V.
