[The Fire in Fiction](#) Donald Maass, 2009-04-08 Discover the Difference Between a So So Manuscript and a Novel. Readers Can't Forget We've all read them: novels by our favorite authors that disappoint. Uninspired and lifeless, we wonder what happened. Was the author in a hurry? Did she have a bad year? Has he lost interest altogether? Something similar is true of a great many unpublished manuscripts. They are okay stories that never take flight. They don't grip the imagination, let alone the heart. They merit only a shrug and a polite dismissal by agents and editors. It doesn't have to be that way. In *The Fire in Fiction*, successful literary agent and author Donald Maass shows you not only how to infuse your story with deep conviction and fiery passion, but how to do it over and over again. The book features techniques for capturing a special time and place, creating characters whose lives matter, nailing multiple impact plot turns, making the supernatural real, infusing issues into fiction, and more. Story enriching exercises at the end of every chapter show you how to apply the practical tools just covered to your own work. Rich examples drawn from contemporary novels as diverse as *The Lake House*, *Water for Elephants*, and *Jennifer Government* illustrate how various techniques work in actual stories. Plus, Maass introduces an original technique that any novelist can use any time in any scene in any novel, even on the most uninspired day, to take the most powerful experiences from your personal life and turn those experiences directly into powerful fiction. Tap into *The Fire in Fiction* and supercharge your story with originality and spark. *Library Journal*, 2003 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section. School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961. Also issued separately. *The Other Daughter* Lisa Gardner, 2012-07-05 THE OTHER DAUGHTER is a brilliant standalone thriller from The Sunday Times and New York Times bestseller Lisa Gardner. IF YOU CAN'T TRUST YOUR FAMILY THEN WHO CAN YOU TRUST? Sophie Hannah and Karin Slaughter love Lisa Gardner. Have you read her yet? When Melanie wakes up in hospital, all she

knows is that she can't remember any of the first nine years of her life and no one is there waiting for her. For Dr Stokes who treated Melanie that night and his wife their decision to adopt the abandoned child comes as a blessing following their desperate struggle to deal with the brutal murder of their four year old daughter Meagan. But when after twenty years of happy family life Melanie suddenly finds her past under investigation by a reporter and an FBI agent everything she thought she knew about her new life is questioned. And when horrific messages and gifts start arriving Melanie is forced to face the terrifying reality that her family may be the last people she should trust. *Books Out Loud*, 2007 **The Neighbour** Lisa Gardner, 2009-07-23 It was a case guaranteed to spark a media feeding frenzy a young mother blonde and pretty disappears without trace from her South Boston home leaving behind her four year old daughter as the only witness and her handsome secretive husband as the prime suspect. But from the moment Detective Sergeant D D Warren arrives at the Jones snug little bungalow she senses something off about the picture of wholesome normality the couple worked so hard to create. On the surface Jason and Sandra Jones are like any other hardworking young couple raising a child. But just under the surface things grow murkier. With the clock ticking on the life of a missing woman and the media firestorm building Jason Jones seems more intent on destroying evidence and isolating his daughter than on searching for his beloved wife. Is the perfect husband trying to hide his guilt or just trying to hide. *The British National Bibliography* Arthur James Wells, 2006 **People: Almanac 2003** Editors of People Magazine, 2002-11-13 From the editors of People Magazine comes a fact packed trivia lover's guide which provides the complete lowdown on all of the year's headliners and head turners.
