We are quick to flare up, we races of men on the earth. Homer others deal with the practical strategies of the combatants. If Hitler invaded hell I would make at least a favorable reference to the devil in the House of Commons. Winston Churchill and still others offer advice for avoiding conflict. The quotations are arranged by more than 100 broad categories from action to winning. For each the quotation is first given followed by its author, the work in which it appeared when appropriate and the date. And the new living prototype is that of the human soul, not as what a person has but as what a person is, a creative energy being who generates its own bodies out of its soul substance, its creative consciousness energy by means of its archetypal
