The Tinkerers Daughter By Jamie Sedgwick:

The Tinkerer's Daughter , The steampunk adventures of a young elven girl abandoned in a time of war ancient forgotten technologies and magic Breeze is left in the care of a strange old Tinkerer where she soon learns that the world is not as simple or as safe as anyone would like it to be With a little help from the Tinkerman and his amazing discoveries Breeze just might be able to change her world for the better Unfortunately peace is never easy and war always looms just over the horizon This is Book One of Sedgwick s best selling steampunk series and the first of seven titles set in his eclectic post apocalyptic world of magic and steam **The Tinkerer's Daughter** Jamie Sedgwick,2011-03-05 This Amazon best selling steampunk novel is now a free kindle book Five Stars WOW This book drew me in instantaneously beautifully written and wholly captivating Semisweet Book Blog Four Stars captivating Sedgwick beautifully creates this other world that as a reader you totally get into Goodreads reviewer Five Stars a beautifully written book with an intriguing plot and a loveable main character This is certainly one that I will reread Goodreads reviewer Five Stars an incredible adventurous read Amazon Review DESCRIPTION Breeze is an outcast a half breed orphan born into a world torn apart by a thousand years of war Breeze never knew her elven mother and when her human father is recalled to the war he leaves her in the safest place he knows in the care of a reclusive tinker The Tinkerman s inventions are frightening at first noisy smelly dangerous machines with no practical use but when the war comes home Breeze sees an opportunity If she can pull it off she ll change the world forever If she fails she ll be considered a traitor by both lands and will be hunted to her death *Tinker's War* Jamie Sedgwick,2012-09-13 Steam technology and spring powered engines have evolved since the discovery of Blackrock Steel which can store vast amounts of energy but word of this incredible resource has spread far and wide When a horde of barbarian warriors known as Vangars sweep across the Frigid Sea in massive airships fueled by precious but dwindling supplies of black tar like oil they are determined to learn the secrets of Blackrock Steel at any cost They assault the capital city slaying King Ryshan and the entire royal family and then ravage the countryside leaving a cloud of acrid black smoke and the stench of death in their wake Breeze has been content with the peaceful life of a pilot shuttling nobles back and forth in her spring powered planes for years but now the kingdom of Astatia has once again been thrust into war The Vangars have taken Tinker captive and Breeze must rescue the clever old inventor who has been a father to her for most of her life but she has one chance to defeat the Vangars If she chooses to save Tinker instead Breeze might lose that opportunity forever In the midst of the chaos Breeze finds herself trapped in the middle of a romantic conspiracy to wed her off to a young pilot She has no interest in marrying her would be suitor nor in the young Tal mar warrior who would claim her as his own or does she The only thing Breeze knows for sure is that if she fails the secret of Blackrock Steel will fall into the hands of the Vangars and Astatia will face a dark future of slavery and ruin **Hints to the Public and Legislature on the Nature and Effect of Evangelical Preaching** James Sedgwick,1808 *Tinker's War* Jamie Sedgwick,2012-09-14 Steam technology and spring

powered engines have evolved since Tinker's discovery of Blackrock Steel which can store vast amounts of energy but word of this incredible resource has spread far and wide. When a horde of barbarian warriors known as Vangars sweep across the Frigid Sea in massive airships fueled by precious but dwindling supplies of black tar like oil, they are determined to learn the secrets of Blackrock Steel at any cost. They assault the capital city, slaying King Ryshan and the entire royal family, and then ravage the countryside, leaving a cloud of acrid black smoke and the stench of death in their wake. Breeze has been content with the peaceful life of a pilot shuttling nobles back and forth in her spring-powered planes for years, but now the kingdom of Astatia has once again been thrust into war, and the Vangars have taken Tinker captive. Breeze must rescue the clever old inventor who has been a father to her for most of her life, but she has one chance to defeat the Vangars. If she saves Tinker, instead Breeze might lose that opportunity forever. In the midst of the chaos, Breeze finds herself trapped in the middle of a romantic conspiracy to wed her off to a young pilot. She has no interest in marrying her would-be suitor, nor in the young Talmar warrior who would claim her as his own, or does she? The only thing Breeze knows for sure is that if she fails, the secret of Blackrock Steel will fall into the hands of the Vangars, and Astatia will face a dark future of slavery and ruin.
