Neil Gaiman on His Work and Career Bill Baker, 2007-07-15 Interview with graphic novelist Neil Gaiman

The Graphic Novel Jan Baetens, Hugo Frey, 2015 This book provides both students and scholars with a critical and historical introduction to the graphic novel Jan Baetens and Hugo Frey explore this exciting form of visual and literary communication showing readers how to situate and analyse graphic novels since their rise to prominence half a century ago Several key questions are addressed what is the graphic novel How do we read graphic novels as narrative forms Why is page design and publishing format so significant What theories are developing to explain the genre How is this form blurring the categories of high and

popular literature Why are graphic novelists nostalgic for the old comics The authors address these and many other questions raised by the genre Through their analysis of the works of many well known graphic novelists including Bechdel Clowes Spiegelman and Ware Baetens and Frey offer significant insights for future teaching and research on the graphic novel The Law for Comic Book Creators Joe Sergi,2015-02-13 Since the creation of the comic book cases of legal conflict and confusion have often arisen where concepts such as public domain unincorporated entities and moral rights are involved As a result comics creators are frequently concerned about whether they are protecting themselves There are many questions and no single place to find the answers that is until now Entertaining as it instructs this book seeks to provide those answers examining the legal history of comics and presenting information in a way that is understandable to everyone While not seeking to provide legal advice this book presents the legal background in plain English and looks at the stories behind the cases Every lawsuit has a story and every case has lessons to be learned As these lessons are explored the reader will learn the importance of contracts the basics of copyright and trademark the precautions necessary when working with public domain characters and the effects of censorship **The Rise of the Graphic Novel** Alexander Dunst,2023-07-20

Using digital methods this book traces the emergence of the graphic novel at the intersection of popular and literary culture Will Eisner's The Spirit: The New Adventures HC (Second Edition) Various,2016-03-01 In 1997 almost six decades after the Spirit s first appearance in 1940 legendary artist and writer Will Eisner gave permission for a new series of stories to be commissioned featuring his signature creation written and drawn by the most famous names in the comics industry The call went out and the response was nothing short of remarkable with contributions from such creators as Alan Moore and Dave Gibbons in one of their rare collaborations after Watchmen Neil Gaiman The Sandman Paul Chadwick Concrete and Eddie Campbell From Hell among others In these pages you ll find new tales of Central City s protector facing off against familiar villains such as the Octopus and Sand Saref witness his undying love for Ellen Dolan daughter of Commissioner Dolan the only man who knows his secret identity and glimpse what might be the Spirit s fate in an uncertain future **Thalamus:**
