Ravens in the End C. L. Zelle, 2018-05-16 Sex power control Yes that's the name of the game now Or wait maybe it's always been that But is this what Vine had in mind when he conned billions into injecting his lies Was this end game part of his master plan all along Now the whole world is his and it was way too easy He's the liar's liar the ultimate gamemaker the grand wizard behind the curtain that would snuff the light of the world out in a single day And I helped him do it My name is Gideon Tyler and I'm a liar too But it's not who I am anymore I once believed love made a man weak but my love for Grace makes me strong in ways I'm not used to Strong enough to break free from the compliance strong enough to be defiant Strong enough to risk my life for what's right despite who I was before and the mistakes I've made But dying isn't on the

agenda today I have unfinished business to attend to I wanted to tell Grace the truths of my past because I love her but she's already so damn wounded How could I hurt her more I didn't want to But it's too late now My lies caught up with us took me away from her and now she's alone out there and in more danger than she realizes The undead are the least of her worries as screwed up as that is They're saints compared to these monsters But I'll do what it takes to save her my songbird my phoenix I'll keep her safe I'll wear the mask of a monster the man I was before make them believe I'm compliant reformed I'll tell more lies I'll put a stop to their games once and for all and we'll survive fly free from the depths of this hell We'll find each other in the dark again because love is our light our strength and it's strong enough to win this game in the end This is the second book in The End Saga formerly The Night Blind Saga If you read the books formerly titled Dysphoria and Grace Murray's Law and Tunnels and Planes then this would be the next installment of the story for you Those three books have now been combined into one full story which is the new first book of the series titled Willows in the End This series will appeal to those who don't mind some diverse adult content in their reading Due to certain triggers this series may not be suitable for everyone and is advised for ages 18 and up
