The Vampires Warden Undead In Brown County 1 By SJ Wright:

The Vampire's Warden S.J. Wright, 2011-02-16 I couldn't seem to contain the inferno burning inside me being that close to him Even knowing the danger he posed and the gruesome scenes that must have been caused by him I still felt a burning inside me every time I heard his voice or felt his hot gaze on me But I was the Warden He was one of the damned We were destined to be at odds Enemies Sarah Brightman having just lost her father to cancer is stunned to discover that the mother she thought was dead is actually still alive She also finds out that the legacy her father left her is a lot more than just an Inn on the outskirts of Nashville Indiana She has a frightening new responsibility This is part one of a three part series It is 30 The Vampire's Release S. J. Wright, 2016-04-05 Her hair smelled like ripe oranges It teased and 420 words long beckoned me forward I came to stand beside her and took one of the gently waving amber locks into my fist Her head turned towards me but she closed her brilliant eyes and let her lashes sweep over whatever emotion that might have been blooming inside her head Without real intent my fingers left her hair and touched her chin Why do you close your eyes You frighten the hell out of me Michael Sarah and Michael have faced deadly challenges He gave himself over to his worst enemy to save her life When an old friend comes to his rescue her methods may bring an end to the Michael that Sarah Wood has come to love The secret to his release may give rise to a lethal monster who poses the greatest threat that Sarah has ever faced The Vampire's Redemption Stephanie J.
