The Principal Upanishads: The Essential Philosophical Foundation of Hinduism Alan Jacobs Translator, 2012-01-03 This work continues in the superbly priced series of compact beautifully presented editions of sacred texts selected from the major writings of the world's spiritual traditions in reliable and accessible translations At the beginning of the 21st Century there is a longing for spiritual truths and values an urge to break free from the orthodoxies of our own cultural heritage and to explore beyond its frontiers in search of fulfilment and enlightenment This search for truth leads us to the great sacred texts of the world

The Upanishads Demystified Ved Prakash Bhatia, 2017-12-27 The Upanishads are a great mine of strength for leading a tension free and peaceful life Today most of us feel a lot of turmoil and tensions due to an overemphasis by leading a materialistic style of living Meditation Upasana and looking into our pure consciousness and the Divine sitting inside us has been forgotten altogether Hence the need for going back to Upanishads has become quite relevant to be imbibed There is also a growing urge in us to realize your true self keenly feeling the need to make our knowledge flow into wisdom and a yearning to know about the infinite and the eternal inspires us The Upanishads form the core of Indian philosophy a fantastic collection of writings aptly described by Shri Aurobindo as the supreme work of the Indian mind The Upanishads are summits of thought on humanity and the universe The Upanishads asks a man to cultivate righteousness dharma and to enjoy wealth artha and seek pleasures kama but with a sense of detachment Meditation on OM and enquiry into our inner divine Self are some of the essentials of the Upanisads Eleven Major Upanisads have been covered by Mr Ved Bhatia in a lucid easy comprehensible style **The Comprehensive Guide For Da'wah In Mosques (Masjids)** , *Upanishads* , 2000 Composed in Sanskrit between 900 and 600 BC the Upanishads are man's oldest works of philosophy The translations presented here are the oldest and most

important of those that exist Educational Philosophy of Dr S Radhakrishnan Dr V N Deshpande, 2017 The spiritual homelessness of modern man cannot last long thus believed Dr Sarvepalli Radhakrishnan 1888 1975 a prominent philosopher educationalist and one of the makers of modern India His solution to the problems of humanity is a return to the religion of spirit to be achieved through the right kind of education Radhakrishnan advocated a sound educational philosophy aimed at harmonious development of the human personality with utmost emphasis on moral and spiritual education This book effectively presents Radhakrishnan's thoughts highlighting their relevance to the present day The author has at length discussed Indian philosophy in comparison with the Western thought and successfully established that the East West synthesis as propagated by Radhakrishnan is the need of the hour to arrest the self destructive tendency of the world and ensure development and peace Readers will also get an account of Radhakrishnan's life story in the backdrop of the political history of pre and post Independent India **Living the Upanishads** Dr. Harsh Vardhan, 2024-07-23 Many think spiritual insights are only for retreats or books But the Upanishads were written in real communities facing everyday challenges They teach us to see our true selves and improve our lives This book shows how these teachings can help us live fully in the present When we quiet our minds and open our hearts we can interact with the world more kindly Work relationships and self reflection become more joyful and meaningful An Overview of What Lies Ahead 1 Chapters 1 4 We start by addressing foundational dilemmas feeling confused overwhelmed by mental chatter wrestling with fear and balancing daily life Here you'll meet key Upanishadic concepts such as *Atman* the true Self and the metaphors that illustrate how the mind can either be a faithful servant or a tyrannical master 2 Chapters 5 7 These sections tackle self compassion empathy and transforming mental turmoil Drawing parallels with modern psychology we'll see how acknowledging our divine spark leads to self love and deeper empathy for others We'll explore how to manage stress anxiety and overthinking through techniques that align with both ancient wisdom and contemporary therapeutic insights 3 Chapters 8 9 We dive deeper into decision making and purpose Using the Upanishadic lenses of *viveka* discrimination and *vairagya* detachment we learn to make choices that honor our core values and discover fulfillment that outlasts fleeting achievements We'll explore the five *koshas* layers of being to map a holistic path toward genuine bliss and meaning 4 Chapters 10 11 With the increase of digital distractions and stress overload we examine how the Upanishads teachings on consciousness and inner peace can help us reclaim focus peace and emotional resilience Practical exercises equip you to navigate modern day storms be they digital or emotional and find the unwavering center that the sages described centuries ago 5 Chapter 12 In the end we integrate all these strands stressing that growth is a lifelong journey Even if you master specific techniques or insights there's always more to discover and more layers of self to unfold You will witness how consistent practices reflection and community support can sustain the essence of Upanishadic wisdom in your daily life An Introductory Book of Diraasat-ul-Islam Fardun Ali Middy, 2021-08-21 Allah has guided you here and you are now trying to understand Islam a centuries old religion which had survived in its original form
