The State and Revolution

# The State And Revolution By Vladimir Ilich Lenin

**Vladimir I. Lenin**

## **The State And Revolution By Vladimir Ilich Lenin:**

*The State and Revolution* Vladimir Lenin, John Reed, 2020-01-14 Lenin wrote *The State and Revolution* in August and September 1917 when he was in hiding. When Lenin left Switzerland for Russia in April 1917 he feared arrest by the Provisional Government. *The State and Revolution* describes the role of the State in society, the necessity of proletarian revolution, and the theoretic inadequacies of social democracy in achieving revolution to establish the dictatorship of the proletariat. Lenin's direct and simple definition of the State is that the State is a special organisation of force; it is an organisation of violence for the suppression of some class. Lenin declared that the task of the Revolution was to smash the State. Lenin had little to say of the institutional form of this transition period. There was a strong emphasis on the dictatorship of the proletariat. *The State and Revolution* V. I. Lenin, 2024-01-30 Lenin's most important and controversial theoretical text, Lenin's booklet *The State and Revolution* struck the world of Marxist theory like a lightning bolt. Written in the months running up to the October Revolution of 1917, Lenin turned the traditional socialist concept of the state on its head, arguing for the need to smash the organs of the bourgeois state to create a semi-state of soviets or workers councils in which ordinary people would take on the functions of the state machine in a new and radically democratic manner. This new edition includes a substantial introduction by renowned theorist Antonio Negri who argues for the continued relevance of these ideas.

*The State and Revolution (Annotated)* Vladimir I. Lenin, 2017-10-31 *The State and Revolution* 1917 by Vladimir Lenin describes the role of the State in society, the necessity of proletarian revolution, and the theoretic inadequacies of social democracy in achieving revolution to establish the dictatorship of the proletariat. *The State and Revolution* is considered to be Lenin's most important work on the state and has been called by Lucio Colletti Lenin's greatest contribution to political theory. According to the Marxologist David McLellan, the book had its origin in Lenin's argument with Bukharin in the summer of 1916 over the existence of the state after a proletarian revolution. Bukharin had emphasised the withering aspect, whereas Lenin insisted on the necessity of the state machinery to expropriate the expropriators. In fact, it was Lenin who changed his mind, and many of the ideas of *State and Revolution* composed in the summer of 1917 and particularly the anti-Statist theme were those of Bukharin. Lenin's direct and simple definition of the State is that the State is a special organisation of force; it is an organisation of violence for the suppression of some class. Hence his denigration even of parliamentary democracy, which was influenced by what Lenin saw as the recent increase of bureaucratic and military influences. To decide once every few years which member of the ruling class is to repress and crush the people through parliament, this is the real essence of bourgeois parliamentarism, not only in parliamentary constitutional monarchies but also in the most democratic republics. Citing Friedrich Engels and Karl Marx, Lenin investigates theoretical questions about the existence of the State after the proletarian revolution, addressing the arguments of anti-authoritarians, anarchists, social democrats, and reformists in describing the progressive stages of societal change, the revolution, establishing the lower stage.

of communist society the socialist commune and the higher stage of communist society that will yield a stable society where personal freedom might be fully expressed Lenin especially defends Marx's theory of Communism and Marxism generally to wit when old revolutionaries die the bourgeoisie are not content with labelling them enemies of the state because that would attract political radicals so they attack the revolutionaries' theoretic writings by ascribing to them an anti-revolutionary social democratic mediocrity contrary to the revolutionary nature of Marx such bourgeois intellectuals are the revisionists who transform a human being into an abstraction During the lifetime of great revolutionaries the oppressing classes constantly hounded them received their theories with the most savage malice the most furious hatred and the most unscrupulous campaigns of lies and slander After their deaths attempts are made to convert them into harmless icons to canonize them so to say and to hallow their names to a certain extent for the consolation of the oppressed classes and with the object of duping the latter while at the same time robbing the revolutionary theory of its substance blunting its revolutionary edge and vulgarizing it Today the bourgeoisie and the opportunists within the labour movement concur in this doctoring of Marxism They omit obscure or distort the revolutionary side of this theory its revolutionary soul They push to the foreground and extol what is or seems acceptable to the bourgeoisie All the social chauvinists are now Marxists don't laugh And more and more frequently German bourgeois scholars only yesterday specialists in the annihilation of Marxism are speaking of the national German Marx who they claim educated the labour unions which are so splendidly organised for the purpose of waging a predatory war

**The State and Revolution** Vladimir Lenin, 2016-12-28 The State and Revolution 1917 by Vladimir Lenin describes the role of the State in society the necessity of proletarian revolution and the theoretic inadequacies of social democracy in achieving revolution to establish the dictatorship of the proletariat It is considered to be Lenin's most important work on the state and has been called Lenin's greatest contribution to political theory This volume presents the original Russian alongside the official contemporary English translation

State and Revolution Vladimir Lenin, 2025-05-14 State and Revolution penned by the seminal figure of 20th century politics Vladimir Lenin is a profound and influential deep state book that delves into the intricate relationship between state and society and the dynamics of power within a revolutionary framework Written against the backdrop of the impending Bolshevik Revolution in 1917 this groundbreaking treatise serves as a manifesto for the radical transformation of societal structures At the heart of this political masterpiece is the assertion that the state as a tool of class oppression must be dismantled and reconstructed to serve the interests of the proletariat Drawing inspiration from the seminal works of Karl Marx and Friedrich Engels particularly The Communist Manifesto and The Origin of the Family Private Property and the State Lenin presents a comprehensive analysis of the capitalist state and its inherent contradictions The treatise is organized into six insightful chapters each meticulously deconstructing the prevailing political narratives of the time It begins with a critique of the Second International and its leaders such as Karl Kautsky who according to Lenin strayed from the true path of Marxism by advocating for reform within

the confines of the capitalist system This critique underscores the urgency of the moment as the specter of revolution loomed large The central tenet of State and Revolution is the concept of the dictatorship of the proletariat a phase that is crucial in the transition from a class based society to a classless utopia This idea posits that the working class must seize the state apparatus to dismantle the capitalist order and suppress the bourgeoisie thereby laying the foundation for a socialist society It is a call to arms emphasizing the necessity of radical change over incremental reform Lenin s vision is not confined to the theoretical it extends into the practical realm of revolutionary tactics He presents a roadmap for the proletariat detailing the stages of revolution and the strategies required to navigate the complexities of state power The text is imbued with a sense of urgency as the fate of the Russian people hangs in the balance The concept of the withering away of the state is another pivotal aspect of the book As class distinctions dissolve the need for a coercive state apparatus diminishes leading to a society governed by the principles of collective ownership and collective decision making This visionary concept challenges the very essence of traditional political thought and presents a radical alternative to the status quo While the legacy of State and Revolution is fraught with controversy due to its advocacy for violent revolution and the suppression of dissent it is undeniable that the book has left an indelible mark on political discourse It is essential reading for anyone seeking to understand the ideological underpinnings of the Russian Revolution and the broader movement towards socialist transformation For students of state and politics activists and political theorists alike State and Revolution offers a provocative lens through which to view the struggle for social justice Its uncompromising stance and revolutionary fervor continue to resonate inspiring debate and reflection on the role of the state in a just society This deep state book stands as a testament to the enduring power of ideas and the capacity for humanity to reshape the world     State and Revolution

Vladimir Ilyich Lenin, 1917-09 Complete edition of State and Revolution by Vladimir Ilyich Lenin Written just before the October revolution read Lenin s own voice hear his view of Marx and Engels and know how his passion shaped Russia for 100 years Insightful for all time Democracy for an insignificant minority democracy for the rich that is the democracy of capitalist society The monstrous oppression of the working people by the state which is merging more and more with the all powerful capitalist associations is becoming increasingly monstrous Now the question is put somewhat differently the transition from capitalist society which is developing towards communism to communist society is impossible without a political transition period and the state in this period can only be the revolutionary dictatorship of the proletariat All students of thought should get this historic book This 1917 edition is provided in a slim volume with full text at an affordable price

TABLE OF CONTENTS

Preface To The First Edition Preface To The Second Edition Chapter I Class Society And The State Chapter II The Experience Of 1848 51 Chapter III Experience Of The Paris Commune Of 1871 Marx s Analysis Chapter IV Supplementary Explanations By Engels Chapter V The Economic Basis Of The Withering Away Of The State Chapter VI The Vulgarization Of Marxism By Opportunists Chapter VII The Experience Of The Russian Revolutions Of 1905 And 1917

Postscript     State and Revolution V. I. Lenin, 1965 In July 1917 when the Provisional Government issued a warrant for his arrest Lenin fled from Petrograd later that year The October Revolution swept him to supreme power In the short intervening period he spent in Finland he wrote his impassioned never completed master work on The State and Revolution     **State and Revolution** V. I. Lenin, Todd Chretien, 2015-01-19 State and Revolution is an indispensable guide to confronting the political and bureaucratic structures that protect the power and position of the world's elites and suffocate the lives of the vast majority of humanity It has been considered essential reading for generation after generation of revolutionaries and this fully annotated edition offers an essential guide to contemporary activists trying to work through and adapt its conclusions to our present conditions Much of Vladimir Ilyich Lenin's most famous and most misunderstood book was written in July of 1917 while its author was on the run and plagued by fears that the revolution would be swallowed by the forces of reaction waging a war to restore Russia's Tsar By 1918 when this small notebook on Marxism and the State was first published the autocracy was no more and the centuries old apparatus of repression it had used to sustain its rule had been smashed to bits by the collective power of Russia's working class and peasantry In part because it was forged in the crucible of revolutionary foment and in part because the state continues to be the guardian of the same inhumane systems of exploitation and oppression that Lenin thundered against State and Revolution has offered inspiration and invaluable lessons to anti capitalists the world over But this small book was very much a product of its time written for a specific context with a focus on certain questions over others Because of this any contemporary reader attempting to absorb State and Revolution's numerous lessons without a guide travels a perilous road This new edition from Haymarket Books features an extensive introduction hundreds of explanatory annotations and an invaluable glossary of key figures and terms by Todd Chretien all of which help place Lenin's work in its historical context Chretien deftly offers an accessible account of the most important people parties and debates within the socialist movement of Lenin's time and provides a map to navigating the book's most controversial points     *The State and Revolution* Vladimir Ilyich Lenin, 2021-02-07     **The State and Revolution** Vladimir Il'ich Lenin, 2017-11-05 Lenin wrote The State and Revolution in August and September 1917 when he was in hiding from persecution of the Provisional Government The need for such a theoretical work as this was mentioned by Lenin in the second half of 1916 It was then that he wrote his note on The Youth International in which he criticised Bukharin's position on the question of the state and promised to write a detailed article on what he thought to be the Marxist attitude to the state In a letter to A M Kollontai on February 17 N S 1917 he said that he had almost got ready material on that question This material was written in a small blue covered notebook headed Marxism on the State In it Lenin had collected quotations from the works of Marx and Engels and extracts from the books by Kautsky Pannekoek and Bernstein with his own critical notes conclusions and generalisations When Lenin left Switzerland for Russia in April 1917 he feared arrest by the Provisional Government and left the manuscript of Marxism on the State behind as it would have been destroyed had he been caught When in hiding after the

July events Lenin wrote in a note Entre nous if I am knocked off I ask you to publish my notebook Marxism on the State it got held up in Stockholm It is bound in a blue cover All the quotations from Marx and Engels are collected there also those from Kautsky against Pannekoek There are a number of remarks notes and formulas I think a week's work would be enough to publish it I consider it important because not only Plekhanov but Kautsky too is confused When Lenin received his notebook from Stockholm he used the material he had collected as a basis for his book The State and Revolution According to Lenin's plan The State and Revolution was to have consisted of seven chapters but he did not write the seventh The Experience of the Russian Revolutions of 1905 and 1917 and only a detailed plan has remained In a note to the publisher Lenin wrote that if he was too slow in completing this seventh chapter or should it turn out to be too bulky the first six chapters should be published separately as Book One Originally the name F F Ivanovsky is shown on the first page of the notebook manuscript as that of the author Lenin intended to publish the book under that pseudonym otherwise the Provisional Government would have confiscated it for his name alone The book however was not printed until 1918 when there was no longer any need for the pseudonym The second edition appeared in 1919 in this revision Lenin added to Chapter II a new section The Presentation of the Question by Marx in 1852

**The State and Revolution** Vladimir Il'ich Lenin, 2014 The State and Revolution 1917 by Vladimir Lenin describes the role of the State in society the necessity of proletarian revolution and the theoretic inadequacies of social democracy in achieving revolution to establish the dictatorship of the proletariat The State and Revolution is considered to be Lenin's most important work on the state and has been considered Lenin's greatest contribution to political theory

*State And Revolution* Vladimir Ilich Lenin, 2024-12-24 State and Revolution by Vladimir Ilyich Lenin is a foundational Marxist text written in 1917 during the revolutionary ferment leading up to the Bolshevik seizure of power in Russia Lenin articulates his vision for the role of the state in the transition to socialism and the ultimate establishment of a stateless classless society The book critiques existing interpretations of Marxism particularly those of reformists and lays out a revolutionary framework for dismantling the bourgeois state Lenin wrote State and Revolution while in exile shortly before the October Revolution of 1917 The work reflects his urgent need to articulate a clear theoretical justification for the Bolsheviks' revolutionary strategy It serves as a blueprint for the political transformation he envisioned and later attempted to implement in Soviet Russia

**Vladimir Lenin on Democracy and Dictatorship. Illustrated** Vladimir Ilyich Lenin, 2021-11-15 In Bolshevik Russia government by direct democracy was realised and effected by the soviets elected councils of workers which Lenin said was the democratic dictatorship of the proletariat postulated in orthodox Marxism Concerning the disenfranchisement from democracy of the capitalist social class Lenin said Democracy for the vast majority of the people and suppression by force i.e. exclusion from democracy of the exploiters and oppressors of the people this is the change democracy undergoes during the transition from capitalism to communism

## **The State And Revolution By Vladimir Ilich Lenin Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The State And Revolution By Vladimir Ilich Lenin PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The State And Revolution By Vladimir Ilich Lenin PDF books and

manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The State And Revolution By Vladimir Ilich Lenin free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About The State And Revolution By Vladimir Ilich Lenin Books**

1. Where can I buy The State And Revolution By Vladimir Ilich Lenin books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The State And Revolution By Vladimir Ilich Lenin book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The State And Revolution By Vladimir Ilich Lenin books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are The State And Revolution By Vladimir Ilich Lenin audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The State And Revolution By Vladimir Ilich Lenin books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
