Doughty, 2015-03-14 Folktales and fairy tales are living stories as part of the oral tradition they change and evolve as they are retold from generation to generation In the last thirty years however revision has become an art form of its own with tales intentionally revised to achieve humorous effect send political messages add different cultural or regional elements try out new narrative voices and more These revisions take all forms from short stories to novel length narratives to poems plays musicals films and advertisements The resulting tales paint the tales from myriad perspectives using the broad palette of

human creativity This study examines folktale revisions from many angles drawing on examples primarily from revisions of Western European traditional tales such as those of the Grimm Brothers and Charles Perrault Also discussed are new folktales that combine traditional storylines with commentary on modern life The conclusion considers how revisionists poke fun at and struggle to understand stories that sometimes made little sense to start with [Daily Discoveries for NOVEMBER \(eBook\)](#) Elizabeth Cole Midgley,2005-03-01 In this creative book which is another in the popular Daily Discoveries series you ll find reasons to celebrate every day of November in your classroom Special days include National Sandwich Day American Art Day Math Madness Day Children s Book Day Mickey Mouse s Birthday Family Day and many more The fun activities can be plugged into your regular curriculum language arts social studies writing math science and health music and drama physical fitness art etc Your students will look forward to every day of the month when they realize that it s a day for celebration Included are fun patterns for writing assignments and art projects as well as lists of correlated books and bulletin board ideas [Daily Discoveries for APRIL \(eBook\)](#) Elizabeth Cole Midgley,2006-03-01 If you liked the other books in the Daily Discoveries series you ll love this one too It s filled with special days to celebrate in the classroom throughout the month of April Special days include Under the Big Top Day Castle Creations Day Paul Revere Day Train Day Newspaper Day and 25 more Use the activities to spice up regular curriculum language arts social studies writing math science and health music and drama physical fitness art etc Included are reproducible patterns for writing assignments and art projects lists of correlated books and bulletin board ideas [The Redeemed Reader](#) Janie Cheaney,Betsy Farquhar,Hayley Morell,Megan Saben,2025-09-02 Good books awaken us to truth warn us from falsehood and provide unforgettable examples They open our hearts to beauty and wonder They shape us In The Redeemed Reader parents and educators find encouragement and guidance to raise readers who can engage both heart and mind with books and culture This book offers insight into how to build discernment in children and provides practical tips examples and booklists for their literary journey Passionate about shepherding imaginations and hearts the authors read ahead so that you can confidently choose books for your children Readers will discover a deeper understanding of how the gospel shines into books and practical guidance for applying these principles If you want the imaginations of your children to be formed by what is good and true this book equips you parents librarians and educators to navigate literary culture in a fallen world and to nurture thoughtful readers [I'm No Angel](#) Ellen Tremper,2006 Have you ever wondered why there are so many dumb blonde jokes always about women Or how Ivanhoe s childhood love theflaxen Saxon Rowena morphed into Marilyn Monroe Between that season in 1847 when readers encountered Becky Sharp playing the vengeful Clytemnestra about to plunge a dagger into Agamemnon and the sunny moment in 1932 when moviegoers watched Clark Gable plunge Jean Harlow s platinum tressed head into a rain barrel the playing field for women and men had leveled considerably But how did the fairy tale blonde that placid pliant girl become the tomato upstairs as Monroe styled herself in The Seven Year Itch In I m No Angel The Blonde in Fiction and Film Ellen

Tremper shows how at its roots the image of the blonde was remodeled by women writers in the nineteenth century and actors in the twentieth to keep pace with the changes in real women's lives. As she demonstrates through these novels and performances, fair hair and its traditional attributes—patience, pliancy, endurance, and innocence—suffered a deliberate alienation which both reflected and enhanced women's personal and social freedoms essential to the evolution of modernity. From fiction to film, the active, desiring, and sometimes difficult women who disobeyed, manipulated, and thwarted their fellow characters mimicked and furthered women's growing power in the world. The author concludes with an overview of the various roles of the blonde in film from the 1960s to the present and speculates about the possible end of blond dominance. An engaging and lively read, *I'm No Angel* will appeal to a general audience interested in literary and cinematic representations of the blonde as well as to scholars in Victorian women's and film studies.

Children's Book Review Index 1981 Cumulative Gary C. Tarbert, 1983-05 **Top of the News**, 1985 **Royalty in Twenty-First Century Children's and Young Adult Literature** Amie A. Doughty, 2023-11-15 Doughty examines contemporary children's and young adult YA literature featuring royal characters through a folkloric lens and shows different ways authors transform the traditional royal characters from folktales and Disney films. She shows how princes and princesses are more progressive than their predecessors through expanding gender roles. She also demonstrates how different types of abdication work to transform readers' expectations of royals and how they reach a happy ending different from traditional folktales and Disney. Finally, employing Rudine Sims Bishop's ideas about mirrors, windows, and sliding glass doors, she explores how queer royals and royals of color offer new mirrors for children and young adults. Each chapter presents a typology of royal books related to the topic and explains how they work to transform the folktale tradition. Doughty concludes with a discussion of the

transformational gaps remaining in royal children s and YA literature
