*The Smoke Jumper* Nicholas Evans, 2009-06-04 The fire that was to change so many lives started with a single shaft of lightning that struck a mountain ridge on a still and moonless night The woman who camped nearby with her group of troubled teenagers slept on and heard nothing Until the deadly inferno engulfed the mountain and into the flames leaped The Smoke Jumper His name is Connor Ford and he braves the flames to save the woman he loves but cannot have for Julia Bishop is the partner of his closest friend Ed Tully Julia loves them both but the tragedy on Snake Mountain forces her to choose between them and burns a brand on all their hearts In the wake of the fire Connor travels to the world's worst wars and disasters to take photographs that find him fame but not happiness Reckless of a life he no longer wants he dares death to take him until another fateful day on another continent when he must walk through fire again The Loop Nicholas Evans, 1998 A pack of wolves is reintroduced to the mountains of Montana reawakening hatreds and threatening to tear a town apart *The Two of Us* Sheila Hancock, 2009-08-17 When John Thaw star of *The Sweeney* and *Inspector Morse* died from cancer in 2002 a nation lost one of its finest actors and Sheila Hancock lost a beloved husband In this unique double biography she chronicles their lives personal and professional together and apart John Thaw was born in Manchester the son of a lorry driver When he arrived at RADA on a scholarship he felt an outsider In fact his timing was perfect it was the sixties and television was beginning to make its mark With his roles in *Z Cars* and *The Sweeney* fame came quickly But it was John's role as Morse that made him an icon In 1974 he married Sheila Hancock with whom he shared a working class background and a RADA education Sheila was already the star of the TV series *The Rag Trade* and went on to become the first woman artistic director at the RSC Theirs was a sometimes turbulent always passionate relationship and in this remarkable book Sheila describes their love weathering overwork and the pressures of celebrity drink and cancer with honesty and piercing intelligence and evokes two lives lived to the utmost On the Fireline Matthew Desmond, 2008-11-15 In this rugged account of a rugged profession Matthew Desmond explores the heart and soul of the wildland firefighter Having joined a firecrew in Northern Arizona as a young man Desmond relates his experiences with intimate knowledge and native ease adroitly balancing emotion with analysis and action with insight *On the Fireline* shows that these firefighters aren't the adrenaline junkies or romantic heroes as they're so often portrayed An immersion into a dangerous world *On the Fireline* is also a sophisticated analysis of a high risk profession and a captivating read Gripping a masterful account of how young men are able to face down wildfire and why they volunteer for such an enterprise in the first place David Grazian Sociological Forum Along with the risks and sorrow Desmond also presents the humor and camaraderie of ordinary men performing extraordinary tasks A good complement to Norman Maclean's *Young Men and Fire* Recommended Library Journal **The Brave** Nicholas Evans, 2010-09-16 The motto of the boarding school to which Tommy Bedford is dispatched is Fortune Favours the Brave It's 1959 and the school bristles with bullies and sadistic staff Tommy a quirky loner obsessed with

cowboys and Indians needs all the bravery he can summon Salvation comes when his glamorous actress sister is swept off to Hollywood by one of his heroes TV cowboy Ray Montane But with the Cold War looming the sinister side of Tinseltown seeps through and Tommy and Diane soon find themselves in jeopardy Forty years on Tommy has to confront his boyhood ghosts when his own son finds himself charged with murder      **New Statesman** ,2001      [The Horse Whisperer](#) Nicholas Evans,1995 His name is Tom Booker His voice can calm wild horses his touch can heal broken spirits      **Chasing the Sun** Edward Joseph Beverly,2008 Chasing the Sun is a guide to Western fiction with more than 1 350 entries including 59 reviews of the author s personal favorites organized around theme      *Encyclopedia of American Popular Fiction* Geoff Hamilton,Brian Jones,2015-04-22 Provides information on American authors and their works who have been ignored by most literary guides      *Life After Death* Peggy Ricciuto,2021-04-20 This book is not about reincarnation but rather about helping people with preparations for death with things like what documents should be prepared who should know your wishes and what needs to be accomplished after someone dies It is not an all encompassing book but rather a book to show people where they should begin and oftentimes what happens when someone dies and leaves no instructions on what to do with them and the things they leave behind      **The Divide** Nicholas Evans,2005 Presents a suspenseful drama about the devastating events that leads a young woman into a life of murder ecoterrorism and her own death      **The Loop** Nicholas Evans,2009-06-04 Helen Ross a twenty nine year old biologist is sent to a sleepy Rocky Mountain ranching town to defend a pack of wolves from those who want to destroy them For in Hope Montana a century ago the wolf was slaughtered to extinction and though now protected by law as an endangered species the old hatred runs deep Alone in this hostile place bruised by a broken love affair Helen struggles for self esteem and survival embarking on a dangerous alliance with the son of her most ferocious opponent the brutal and charismatic Buck Calder Form its heart stopping first chapter to its devastating climax The Loop set in the same vast landscape as The Horse Whisperer is an epic tale of passion and redemptive love      **The Gift of Self in Marriage** Anita Dowsing,2007 One of the most striking features of life in the Catholic Church today is the ever widening gap between its official teaching on marriage and sexual morality and the practice of most of its lay members The book seeks to bridge this gap in two ways It considers some of the tacit assumptions about marriage and sexual morality in today s society since these affect Catholics as much as everybody else It also considers the Church s teaching in some of these areas and explores new ways of putting it across so that it can make sense to ordinary lay Catholics In doing so the author draws on contemporary writing as well as bringing her own reflections and experience of living the Church s teaching to bear on the subject The book is aimed at married couples those considering marriage as well as clergy and those involved in marriage preparation and counselling Anita Dowsing was born in Copenhagen in 1944 She was brought up as a member of Denmark s tiny Catholic community but has spent most of her adult life in the United Kingdom She has an M A in English Language and Literature from Copenhagen University and a Ph D in Old English from the University of Wales
