Kelly takes charge of her life, devising a midlife makeover plan. From page one, Kelly's witty reflections, self deprecating humor, and clever tactics in executing that plan, she places Post-it notes all over her house and car, will have readers laughing out loud. The next instant, however, they might rant right along with Kelly as her commitment to a sullen, anorexic teenager left on her doorstep tries her patience, or as she deflects the boozy advances of a divorced neighbor. Readers will need to keep the tissue box handy too as Kelly repairs the damage she inflicted on a high school friend, realizes how deeply her husband Patrick understands and loves her, and ultimately grows into a woman empowered by her own blend of home and career. *Here, Home, Hope* will surely appeal to readers of chick lit and other women's fiction titles who are ready to transition into something new in their own life.
