The Towers Of Trebizond By Rose Macaulay:

The Towers of Trebizond Rose Macaulay, 1960 *Surprised by C.S. Lewis, George MacDonald & Dante* Kathryn Ann Lindscoog, 2001 Here are dozens of surprising aspects of the life and writings of C S Lewis George MacDonald and Dante George MacDonald loved the writings of Dante and C S Lewis loved the writings of both Dante and MacDonald Contents range from the quick surprising fun of *Who Is This Man* to the practical down to earth instruction of C S Lewis s *Free Advice* to *Hopeful Writers* and the adventurous scholarship of *Spring in Purgatory* and *Mining Dante* *The Church and Literature* Ecclesiastical History Society. Summer Meeting, Ecclesiastical History Society. Winter Meeting, 2012 A wide ranging and impressive collection which illuminates the enduring relationship between the Church and literary creation Rose Macaulay, Gender, and Modernity Kate Macdonald, 2017-07-20 This book is the first collection on the British author Rose Macaulay 1881 1958 The essays establish connections in her work between modernism and the middlebrow show Macaulay s attentiveness to reformulating contemporary depictions of gender in her fiction and explore how her writing transcended and celebrated the characteristics of genre reflecting Macaulay s responses to modernity The book s focus moves from the interiorized self and the psyche s relations with the body to gender identity to the role of women in society followed by how women and Macaulay use language in their strategies for generic self expression and the environment in which Macaulay herself and her characters lived and worked Macaulay was a particularly modern writer embracing technology enthusiastically and the evidence of her treatment of gender and genre reflect Macaulay s responses to modernism the historical novel ruins and the relationships of history and structure ageing and the narrative of travel By presenting a wide range of approaches this book shows how Macaulay s fiction is integral to modern British literature by its aesthetic concerns its technical experimentation her concern for the autonomy of the individual and for the financial and professional independence of the modern woman There are manifold connections shown between her writing and contemporary theology popular culture the newspaper industry pacifist thinking feminist rage the literature of sophistication the condition of inclusionary cosmopolitanism and a haunted post war understanding of ruin in life and history This rich and interdisciplinary combination will set a new agenda for international scholarship on Macaulay s works and reformulate contemporary ideas about gender and genre in twentieth century British literature **Paradise Pursued** Alice Crawford, 1995 *Paradise Pursued* reinterprets the fiction of one of England s most important mid century novelists Knowledgeably yet accessibly written it demonstrates the recurring obsession with paradisal pursuit that runs through all twenty three of Rose Macaulay s richly varied fictions *Philemon's Problem* James Tunstead Burtchaell, 1998 *Philemon* was a wealthy Christian whose slave Onesimus went off in search of freedom met and listened to Paul and joined the church But instead of being given a new life of his own Onesimus was sent back by Paul to an aggrieved master with no protection but his mentor s brief Letter to Philemon Paul never asked Philemon to free his slave Instead he admonished him to take Onesimus back only now as his

brother in Christ This left both master and bondsman with a problem how could one man own another and both be brothers in Christ In this unique work James Tunstead Burtchaell uses the ancient story of Philemon and Onesimus as a compelling entry into modern theological reflection on the unbelievable reach of the grace and forgiveness of the Father whose Son died without disciples rose to reconcile and transform them and then scattered them around the world as men and women who were now also able to love those who loved them not and transform them too According to Burtchaell in order for the faith of Philemon and Onesimus to cope with Paul s imperative they required an inspired imagination to take in the notion that the Father loves sinners i e all of us and he neither would nor could do otherwise For Philemon and Onesimus to undertake such a relentless love themselves would require frighteningly new convictions new commitments and new celebrations

In Byron's Shadow David Ernest Roessel,2002 In Bryon s Shadow draws on a wide range of sources to create a model for literary history that synthesizes literary investigation and cultural studies to develop a fuller understanding of the historical forces influencing the Anglo American conception of modern Greece Jacket

After the Trauma Harvey Curtis Webster,2021-10-21 In this lucid book a distinguished scholar and critic measures British fiction from World War I through the convulsive effects of the Depression and World War II and the importance of the writing that has been done since Finnegans Wake Webster presents a moving account of the shattering impact of the Great War upon British writers particularly Rose Macaulay Aldous Huxley Evelyn Waugh and Ivy Compton Burnett The cynicism and despair which afflicted them also bore heavily on the novelists of the thirties and forties Graham Greene Joyce Cary L P Hartley C P Snow who endured the disorder and violence of the Depression and World War II Though all of these writers spoke with individual voices ranging from pessimism to joyful affirmation they were all marked ineradicably by the turmoil of the period The book closes with an overview of the writers who have developed since World War II Penetrating fresh affirmative in its values the book is an important assessment of this protean group of writers

Gerald O'Donovan: A Life John F. Ryan,2022-11-17 This is the first full length study of the life and work of novelist Gerald O Donovan 1871 1942 a Catholic priest and social and cultural activist who having abandoned the priesthood became a writer and publisher As a priest in Loughrea Co Galway he was a very public figure in Irish life in several different areas He was friendly with W B Yeats Lady Gregory and George Moore and actively promoted the Celtic Revival He was also a friend of Douglas Hyde and Sir Horace Plunkett and for a number of years he was a national figure in their respective organizations the Gaelic League and the Co operative Movement After his marriage to Beryl Verschoyle he moved to England and subsequently published six novels the best known and most controversial of which was *Father Ralph* 1913 a portrait of the artist as a priest He also spent time working in the British Department of Propaganda under Lord Northcliffe where H G Wells was one of his colleagues This biography of an important and strangely neglected figure allows us new insights into a whole range of interesting cultural moments in twentieth century Irish life including the beginnings of literary modernism the flourishing of the Irish literary revival and the

emergence of a dissident strand within the Catholic clergy Based on a rich and previously untapped array of archival material in Ireland Britain and the US the book provides both a much needed reassessment of O Donovan s work and also a history of Irish writing during those early decades of the twentieth century that saw the development of a new and powerful national literature *The Living Church* ,1957 C. S. Lewis and Friends David Brown,2012-04-10 C S Lewis is one of the best loved and most engaging Christian writers of recent times and he continues to be a powerful defender of the faith It is in his imaginative fiction that his genius finds its fullest expression and makes its most lasting theological contribution Famously Lewis had friends who like him employed powerfully creative imaginations to explore the profundities of Christian thought and their struggles with their faith Archbishop Fisher, 1945-1961 Andrew Chandler,David Hein,2016-04-15 Archbishop Fisher s archiepiscopate reflected the central issues of his time and place It was Fisher who oversaw an immense programme of reforms which effectively recast the institutions of the Church of England for generations to come It was Fisher who proved to be the essential architect politician and diplomat behind the creation of a worldwide Anglican Communion His determination to promote the development of relations with other churches produced a vital contribution to the cause of ecumenism which culminated in his momentous meeting with Pope John XXIII Archbishop Fisher was a vigorous participant in the questions which defined national and international life This book explores Fisher s influence on major contemporary issues and events including divorce law reform and capital punishment at home and the end of Empire and the most dangerous years of the Cold War abroad This new biography establishes the continuing significance not only of the office of Archbishop in the Church but also of the Church at large in the tumultuous world of the later twentieth century A final section of original source material includes letters sermons and other writings bringing vividly to life the range and character of Fisher s public and private role *Travel and Modernist Literature* Alexandra Peat,2012-03-28 Through close readings of works from Henry James to W E B Du Bois and from Virginia Woolf to Jean Rhys this book discusses how fictional travelers negotiate and adapt various tropes of travel such as quest expatriation displacement and exile as models for their own journeys Specifically Peat considers the ethical dimensions of modernist travel from two distinct vantages The first focuses on the relationship between the secular and the sacred in modernist travel literature arguing that the recurrent narrative of secular travel is haunted by a desire for spiritual transcendence The second posits modernist travel fiction as a potentially positive example of transcultural relations consciously arguing against the received notion that travel during an imperial era is always by nature itself imperialist Throughout particular attention is paid to the transnational nature of modernism and the various global flows traced by modernist literature **Dictionary of Real People and Places in Fiction** M.C. Rintoul,2014-03-05 Fascinating and comprehensive in scope the Dictionary of Real People and Places in Fiction is a valuable source for both students and teachers of literature and for those interested in locating the facts behind the fiction they read In a single scholarly volume it provides intriguing insight into the real identity of people and places in the novels of over 300

American and British authors published in the nineteenth and twentieth centuries Geoffrey Fisher David Hein,2008-01-01 A major figure in twentieth century Christianity Geoffrey Fisher worked to modernize the Church of England and to develop the worldwide Anglican Communion His historic meeting with Pope John XXIII his participation in national debates on the Suez Crisis and nuclear weapons and his role in crowning Queen Elizabeth II made him a well known figure in postwar Britain His neglect by professional historians is partly remedied by this new biography the first scholarly account of Fisher's life and career *Encyclopedia of British Writers, 1800 to the Present* George Stade,Karen Karbiener,2010-05-12 Contains alphabetically arranged entries that provide biographical and critical information on major and lesser known nineteenth and twentieth century British writers and includes articles on key schools of literature and genres *Time & Tide* Helen A. Archdale,Margaret Haig Thomas Mackworth (Viscountess Rhondda),1961 The Novel Cure Ella Berthoud,Susan Elderkin,Indrajit Hazra,2014-08-01 Whether you have a stubbed toe or a stubborn case of the blues within these pages you'll find a cure in the form of a novel or a combination of novels to help ease your pain You'll also find advice on how to tackle common reading ailments such as what to do when you feel overwhelmed by the number of books in the world or if you have a tendency to give up halfway through When read at the right moment in your life a novel can quite literally change it and The Novel Cure is a reminder of that power Written with authority passion and wit here is a fresh approach to finding new books to read and an enchanting way to revisit the books on your shelves **A Reader's Delight** Noel Perrin,1988 Reader's Delight **Handbook of British Literature and Culture of the First World War** Ralf Schneider,Jane Potter,2021-09-20 The First World War has given rise to a multifaceted cultural production like no other historical event This handbook surveys British literature and film about the war from 1914 until today The continuing interest in World War I highlights the interdependence of war experience the imaginative re-creation of that experience in writing and individual as well as collective memory In the first part of the handbook the major genres of war writing and film are addressed including of course poetry and the novel but also the short story furthermore it is shown how our conception of the Great War is broadened when looked at from the perspective of gender studies and post colonial criticism The chapters in the second part present close readings of important contributions to the literary and filmic representation of World War I in Great Britain All in all the contributions demonstrate how the opposing forces of focusing and canon formation on the one hand and broadening and revision of the canon on the other have characterised British literature and culture of the First World War
