VISION and RE-VISION Beena. G,2019-07-15 How different would mythological narratives be if women voiced their perspectives Amidst great wars superhuman heroes and their glorious victories is there a place for women Are great wars limited to armed conflicts between armies of men on the battlefields Do women have their own battles before after and beyond the confines of wars in the epic narratives of India Both the Ramayana and the Mahabharata have integrated into our social and cultural fabric and permeated into the myriad layers of life across genres and media It is a common practice to revisit mythological landscapes and realign the lenses to look at them afresh from different perspectives Re renderings often bring in multiple interpretations that are creative and critical adding variety and currency to the original narratives Vision and Re vision traces the lives of seven marginalized women from revisionist works against the central motif of war It follows the pursuits of Ganga Surpanakha Uruvi Sita Urmila Satyawati and Draupadi to understand their struggles and victories as women Analyzing textual spaces provided to women it explores their marginalized voices and their resistance patterns These in turn establish new narratives of subversion and reclaim the voices and identities of women from the margins A sound theoretical framework enables a comprehensive understanding of feminism and its distinct Indo centric identity **Writing the Postcolonial Nation: Contemporary Indian Voices in English** Dr. Priyanka Singla , Dr. Hardeep Singh,2024-04-12 In recent years the literature of India has seen a remarkable resurgence with writers exploring diverse themes and narratives that reflect the complexity of the postcolonial experience This edited volume Writing the Postcolonial Nation Contemporary Indian Voices in English brings together a collection of essays that delve into the portrayal of postcolonial features in the works of contemporary Indian writers In the realm of literature the impact of colonialism on the cultural and social fabric of a nation is a topic that has garnered much attention and debate The echoes of colonial rule reverberate through the works of contemporary Indian writers in English as they grapple with the legacy of imperialism and its lasting effects on their identities and narratives This edited volume delves into the portrayal of postcolonial features in the works of these authors exploring how they navigate and negotiate the complexities of a postcolonial world The essays in this collection offer a multifaceted analysis of contemporary Indian writing in English examining the various ways in which writers engage with and subvert colonial discourse From reimagining historical events to challenging traditional power structures these authors use their stories to reclaim and redefine their cultural identities in a postcolonial context Through a lens of postcolonial theory

the contributors to this volume shed light on how Indian writers in English interrogate the legacies of colonialism and envision new possibilities for a decolonized future One of the central themes explored in this book is the notion of hybridity a concept that reflects the blending of multiple cultural influences and identities Indian writers in English often navigate this space of hybridity drawing from both indigenous traditions and Western literary forms to create works that are uniquely Indian yet globally resonant By embracing their diverse cultural heritage these authors challenge essentialist notions of identity and offer a nuanced understanding of postcolonial experience Another key focus of this volume is the concept of agency as seen through the portrayal of marginalized voices and perspectives in contemporary Indian literature Through the lens of post colonialism the contributors to this volume analyze how writers empower themselves and their communities through storytelling reclaiming their narratives from the confines of colonial discourse By centering the voices of the marginalized and dispossessed these authors challenge the dominant narratives of power and privilege and offer a counter narrative that speaks truth to power As editors of this volume we hope to contribute to the ongoing conversation surrounding post colonialism and contemporary Indian literature in English
