The Pursuit Of Happyness By Chris Gardner:

The Pursuit of Happyness Chris Gardner, Quincy Troupe, 2009-03-17 The rags to riches saga of a homeless father who went on to become a crown prince of Wall Street the basis for the major motion picture starring Will Smith At the age of twenty Milwaukee native Chris Gardner just out of the Navy arrived in San Francisco to pursue a promising career in medicine Considered a prodigy in scientific research he surprised everyone and himself by setting his sights on the competitive world of high finance Yet no sooner had he landed an entry level position at a prestigious firm than Gardner found himself caught in a web of incredibly challenging circumstances that left him as part of the city's working homeless and with a toddler son Motivated by the promise he made to himself as a fatherless child to never abandon his own children the two spent almost a year moving among shelters HO tells soup lines and even sleeping in the public restroom of a subway station Never giving in to despair Gardner made an astonishing transformation from being part of the city's invisible poor to being a powerful player in its financial district More than a memoir of Gardner's financial success this is the story of a man who breaks his own family's cycle of men abandoning their children Mythic triumphant and unstintingly honest *The Pursuit of Happyness* conjures heroes like Horatio Alger and Antwone Fisher and appeals to the very essence of the American Dream Gardner is honest and thorough as he solidly depicts growing up black and male in late twentieth century urban America a quality African American business memoir deserving a wider audience than its niche market elements might suggest Publishers Weekly

The Crisis ,2006-05 The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens

The Pursuit of Happyness ,2007 A heartwarming film that demonstrates how good hard working people can become homeless almost overnight Pursuit of Happyness is a tour de force showcase for Will Smith who convincingly portrays a down and out dad trying to better his family's life Smith who usually is cast in effortlessly boyish roles Men in Black Independence Day is wonderful in the film even in the scenes that shamelessly tug at viewers heartstrings Based on the true life story of Chris Gardner a San Francisco salesman forced at times to shelter his young son played by Smith's adorable look alike offspring Jaden Smith in a men's room there is little suspense to the film in terms of Chris outcome His story and eventual success a successful and wealthy Chicago businessman was well publicized on the newsmagazine show 20/20 And let's face it Hollywood's not too keen on making feel good movies with unhappy endings The beauty and suspense to a certain extent of this film is in the way the story is told Though he is constantly rushing around to get to appointments and pick up his child things do not happen quickly for Chris When he accepts an internship with a prestigious stock brokerage firm there's a catch

The position is unpaid suitable more for trust fund children than single parents with no other source of income In many scenes the viewer panics along with Chris wondering how he s going to feed his child While Smith and his son Jaden share many tender moments together Thandie Newton has the thankless role of playing Chris shrill wife who deserts her family early in the film It s not a particularly challenging part for the talented actress and her departure doesn t impact the storyline much at all As for the movie s misspelled title it s inspired from a scene in the film Seeing a mural drawn by the children at a daycare center Chris points out to the proprietor that happiness is spelled incorrectly She notes that it doesn t matter how the word is written just that the kids have it With Pursuit of Happyness Smith has come out of his safety zone and in turn ends up playing his most heroic role to date **Ebony** ,2007-01 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
