prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music *Writing the Rapture* is an indispensable guide to this flourishing yet little understood body of literature **Desecration** Tim LaHaye,Jerry B. Jenkins, 2011-03-16 2004 Christy Award finalist The scattered Tribulation Force is drawn toward the Middle East as are all the armies of the world when human history culminates in the battle of the ages During the last year of the Great Tribulation safe houses are no longer safe and the world has become a powder keg of danger Except for those already in Petra everyone has been forced to relocate as the Antichrist ratchets up the pressure in the world s most treacherous game As the Trib Force waits for the coming of Christ Chloe Williams is drawn out of the safe house to investigate something suspicious Buck and Tsion travel to Jerusalem while Nicolae Carpathia orders an attack on the city and Rayford becomes seriously injured outside Petra Who will survive Armageddon A repackage of the eleventh book in the New York Times best selling Left Behind series **Left Behind: Separating Fact from Fiction** Gary DeMar, 2009

Heaven and the Popular Imagination T. M. Allen, 2018-11-15 Popular culture continues to search the depths of the poetic imagination concerning heaven It seems to be a constant theme in literature film and music spanning genres throughout the Western world Yet some contemporary scholars suggest that all of these narratives are somewhat misguided and remain at best only partial constructions of a proper eschatology The creative imagination in popular culture especially in relation to the arts has often carried a less than trustworthy role in theology and philosophy Heaven and the Popular Imagination analyzes a number of approaches within the theology of culture conversation to suggest that a hermeneutic of popular imagery can open up new horizons for understanding and challenging the role heaven plays in Christian theology From ancient literature to popular music and films heaven is part of the framework of our ecumenical imagining about beginnings and endings Such a hermeneutic must encompass an interdisciplinary approach to theology

Shakespeare Studies Susan Zimmerman, Garrett Sullivan, Linda Neiberg, 2007-10 Contains essays and studies by critics and cultural historians from both hemispheres This title features essays on Shakespeare s tragedies in the context of early modern cultural history It also includes reviews that consider studies of such historical issues as gender and literacy sexual practices and England s cultural encounters with Italy **The Rapture Exposed** Barbara R. Rossing, 2007-03-30 The idea of The Rapture the return of Christ to rescue and deliver Christians off the earth is an extremely popular interpretation of the Bible s Book of Revelation and a jumping off point for the best selling Left Behind series of books This interpretation based on a psychology of fear and destruction guides the daily acts of thousands if not millions of people worldwide In The Rapture

Exposed Barbara Rossing argues that this script for the world's future is nothing more than a disingenuous distortion of the Bible. The truth Rossing argues is that Revelation offers a vision of God's healing love for the world. *The Rapture Exposed* reclaims Christianity from fundamentalists' destructive reading of the biblical story and back into God's beloved community.

Funktionen populärer Fantasy-Literatur in der christlichen Rezeption Hans-Christian Gebbe, 2017. Daily devotionals exploring spiritual themes in Harry Potter; youth pastors giving sermons wearing Jedi robes; missionary groups using Bilbo's journey to share the Gospel of Christ. There is apparently a high level of interest within the Christian community to engage with popular culture. This applies in particular to fictional works dealing with the supernatural or fantastic otherworlds. The aim of this study is to show how fantasy literature can be used in modern society to articulate religious themes. The focus lies on Christian literature such as devotional books and didactic resources for ministry addressing Christian readers in Germany, the United Kingdom and the United States of America. By analysing Christian literature reflecting Harry Potter, *His Dark Materials* and *Left Behind*, works of fantasy that strongly differ in their engagement with religious themes, this thesis shows how Christian teachers, apologists, writers and speakers create biblical analogies and use religious archetypes to build a bridge between the narratives of popular culture, Christian tradition and the reader's personal story.
