## **The Sexual State Of The Union By Susie Bright:**

**Susie Bright's Sexual State of the Union** Susie Bright,1997 The author lays out her no holds barred argument for a freer more honest and ultimately healthier understanding of sexuality gender desire ecstasy love and power Jacket The Sexual State of the Union Susie Bright,1998-03-24 Lust brings out the liar in everyone Every erection has Pinocchio written up and down its length yes everybody wants to be REAL a real boy an honest woman unafraid and upright but then desire the ultimate honesty does us in Desire doesn't give a whit about shame Our secrets our exaggerations and distractions it's all just a lot of twisting in the wind as far as sex is concerned what we want WILL come out Is our sexuality a basic good and precious thing that somehow became terribly misunderstood Or is there something really evil out there in Sex Land that attaches itself to our libidos and is only held back by vigilance and caution asks Susie Bright in her bestselling book The Sexual State of the Union Bright pushes the borders of propriety until they blur and become irrelevant in the face of our inherent need to touch and be touched With candor and passion Susie Bright proves that sexual knowledge can indeed be salvation and inspiration **The Advocate** ,1996-11-12 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Our Monica, Ourselves** Lauren Berlant,Lisa A. Duggan,2001-03 Alongside the O J Simpson trial the affair between Bill Clinton and Monica Lewinsky now stands as the seminal cultural event of the 90s Alternatively transfixed and repelled by this sexual scandal confusion still reigns over its meanings and implications How are we to make sense of a tale that is often wild and bizarre yet replete with serious political and cultural implications Our Monica Ourselves provides a forum for thinking through the cultural political and public policy issues raised by the investigation publicity and Congressional impeachment proceedings surrounding the affair It pulls this spectacle out of the framework provided by the conventions of the corporate news media with its particular notions of what constitutes a newsworthy event Drawing from a broad range of scholars Our Monica Ourselves considers Monica Lewinsky's Jewishness Linda Tripp's face the President's penis the role of shame in public discourse and what it's like to have sex as the president as well as specific legal and historical issues at stake in the impeachment of Bill Clinton Thoughtful but accessible immediate yet far reaching Our Monica Ourselves will change the way we think about the Clinton affair while helping us reimagine culture and politics writ large Contributors include Lauren Berlant Eric O Clarke Ann Cvetkovich Simone Weil Davis Lisa Duggan Jane Gallop Marjorie Garber Janet R Jakobsen James R Kincaid Laura Kipnis Tomasz Kitlinski Pawel Leszkowicz Joe Lockard Catharine Lumby Toby Miller Dana D Nelson Anna Marie Smith Ellen Willis and Eli Zaretsky *Playboy and the Making of the Good Life in Modern America* Elizabeth Fraterrigo,2009 In exploring the history of America's most widely read and influential men's magazine Elizabeth Fraterrigo hones in on the values style and gender formulations put forth in its pages and how they gained widespread currency in American culture **Millennial Seduction** Lee Quinby,2018-09-05 Who among us still thinks the year 2000 is just an

arbitrary turn of a calendar page Why does its approach bring both fear of apocalyptic destruction and the promise of millennial salvation Lee Quinby investigates how anxiety about the arrival of the new century casts everything from El Niño to sheep cloning in apocalyptic terms simultaneously fueling panic and fostering unfounded hope for a perfect world Millennial rhetoric is both pervasive and persuasive Quinby argues because it operates with mutually reinforcing doses of fear and hope Religious and secular anxiety erupts over charged issues such as sex education the regulation of cyberspace and the Christian masculinity of the Promise Keepers Quinby exposes the dangers of millennialist solutions which link misogyny homophobia and racism with absolutist claims about truth morality sexuality and technology It is the absolutism of apocalyptic thought not an impending apocalypse that poses the more serious threat to our society Quinby maintains Millennial Seduction advocates a form of skepticism that challenges absolutism and encourages democratic participation

**Erotic Resistance** Gigi Otalvaro-Hormillosa, 2024-02-20 Erotic Resistance celebrates the erotic performance cultures that have shaped San Francisco It preserves the memory of the city's bohemian past and its essential role in the development of American adult entertainment by highlighting the contributions of women of color queer women and trans women who were instrumental in the city's labor history as well as its LGBT and sex workers rights movements In the 1960s topless entertainment became legal in the city for the first time in the US though cross dressing continued to be criminalized In the 1990s stripper artist activists led the first successful class action lawsuits and efforts to unionize Gigi Otalvaro Hormillosa uses visual and performance analysis historiography and ethnographic research including participant observation as both performer and spectator and interviews with legendary burlesquers and strippers to share this remarkable story

**Sex Working and the Bible** Avaren Ipsen, 2014-12-18 The Bible contains many stories of prostitution Feminist and liberation readings of these biblical narratives have often made sex workers invisible Sex Working and the Bible examines stories of biblical prostitution through the experiences and understanding of sex workers today The Bible narratives ranging across Rahab in the Book of Joshua the story of Solomon and the two prostitutes the anointing women traditions and the apocalyptic vision of the whore of Babylon in Revelation are set within both a practical and theoretical framework This radical book offers a new more inclusive way of approaching issues of gender sexuality and prostitution in the Bible

**Chick Lit and Postfeminism** Stephanie Harzewski, 2011 The author offers a scholarly dissection of chick lit from a post feminist perspective She analyzes the novel Bridget Jones Diary and the HBO series Sex and the City while making parallels back to writings of Jane Austen and the Victorian novel in general She looks at what these works say about women in society and whether they are just an escape or a serious reflection of women's concerns

**Indecent Exposure** Nicole Nolan Sidhu, 2016-03-08 Men and women struggling for control of marriage and sexuality narratives that focus on trickery theft and adultery descriptions of sexual activities and body parts the mention of which is prohibited in polite society such are the elements that constitute what Nicole Nolan Sidhu calls a medieval discourse of obscene comedy in which a particular way of

thinking about men women and household organization crosses genres forms and languages Inviting its audiences to laugh at violations of what is good decent and seemly obscene comedy manifests a semiotic instability that at once supports established hierarchies and delights in overturning them In *Indecent Exposure* Sidhu explores the varied functions of obscene comedy in the literary and visual culture of fourteenth and fifteenth century England In chapters that examine Chaucer s Reeve s Tale and Legend of Good Women Langland s Piers Plowman Lydgate s Mumming at Hertford Troy Book and Fall of Princes the Book of Margery Kempe the Wakefield Second Shepherds Play the Towneley Noah and other works of drama Sidhu proposes that Middle English writers use obscene comedy in predictable and unpredictable contexts to grapple with the disturbances that English society experienced in the century and a half following the Black Death For Sidhu obscene comedy emerges as a discourse through which writers could address not only issues of gender sexuality and marriage but also concerns as varied as the conflicts between Christian doctrine and lived experience the exercise of free will the social consequences of violence and the nature of good government

Butch/femme Sally Munt, Cherry Smyth, 1998-01-01 Essays on the butch femme designations respecting the power that these categories have in the lesbian community while at the same time avoiding the cliched romanticism often inherent in their representation

*Perversion for Profit* Whitney Strub, 2011 Whitney Strub illustrates the crucial function of pornography in constructing the New Right agenda which emphasized social issues over racial economic inequality He situates the fight over obscenity within the politics of 1950s pop culture the pivotal events that followed including the sexual revolution feminist activism

When Flesh Becomes Word Bradford K. Mudge, 2004-04-01 When Flesh Becomes Word collects nine different examples of British libertine literature that appeared before 1750 Three of these The School of Venus 1680 Venus in the Cloister 1725 and A Dialogue Between a Married Lady and a Maid 1740 are famous whore dialogues dramatic conversations between an older experienced woman and a younger inexperienced maid Previously unavailable to the modern reader these dialogues combine sex education medical folklore and erotic literature in a decidedly proto

pornographic form This edition presents other important examples of libertine literature including bawdy poetry a salacious medical treatise an irreverent travelogue and a criminal biography The combination of both popular and influential texts presented in this edition provides an accessible introduction to the variety of material available to eighteenth century readers before the publication of John Cleland's *Memoirs of a Woman of Pleasure* in 1749

*Miracles and Sacrilege* William Bruce Johnson, 2008-01-05 *Miracles and Sacrilege* is the story of the epochal conflict between censorship and freedom in film recounted through an in depth analysis of the U S Supreme Court's decision striking down a government ban on Roberto Rossellini's film *The Miracle* 1950 In this extraordinary case the Court ultimately chose to abandon its own longstanding determination that film comprised a mere business unworthy of free speech rights declaring for the first time that the First Amendment barred government from banning any film as sacrilegious Using legal briefs affidavits and other court records as well as letters memoranda and other archival materials to elucidate what was at issue in the case William Bruce Johnson also analyzes the social cultural and religious elements that form the background of this complex and hard fought controversy focusing particularly on the fundamental role played by the Catholic Church in the history of film censorship Tracing the development of the Church in the United States Johnson discusses the reasons it found *The Miracle* sacrilegious and how it attained the power to persuade civil authorities to ban it The Court's decision was not only a milestone in the law of church state relations but it paved the way for a succession of later decisions which gradually established a firm legal basis for freedom of expression in the arts

Pornography Embodied Joan Mason-Grant, 2004-03-12 What does it mean to re conceptualize pornography as a material practice rather than as speech Sidestepping the legal debates over their civil ordinance and drawing on phenomenology of the lived body Mason Grant returns to the innovative core of the Dworkin MacKinnon critique of mainstream pornography She develops a practice paradigm that captures and extends their insights showing how the use of mass market heterosexual pornography contributes to the cultivation of troubling forms of sexual know how

A Renegade History of the United States Thaddeus Russell, 2011-07-05 From the Publisher In this groundbreaking book noted historian Thaddeus Russell tells a new and surprising story about the origins of American freedom Rather than crediting the standard textbook icons Russell demonstrates that it was those on the fringes of society whose subversive lifestyles helped legitimize the taboo and made America the land of the free In vivid portraits of renegades and their respectable adversaries Russell shows that the nation's history has been driven by clashes between those interested in preserving social order and those more interested in pursuing their own desires insiders versus outsiders good citizens versus bad The more these accidental revolutionaries existed resisted and persevered the more receptive society became to change Russell brilliantly and vibrantly argues that it was history's iconoclasts who established many of our most cherished liberties Russell finds these pioneers of personal freedom in the places that usually go unexamined saloons and speakeasies brothels and gambling halls and even behind the Iron Curtain He introduces a fascinating array of antiheroes

drunken workers who created the weekend prostitutes who set the precedent for women's liberation including Diamond Jessie Hayman a madam who owned her own land used her own guns provided her employees with clothes on the cutting edge of fashion and gave food and shelter to the thousands left homeless by the 1906 San Francisco earthquake there are also the criminals who pioneered racial integration unassimilated immigrants who gave us birth control and brazen homosexuals who broke open America's sexual culture Among Russell's most controversial points is his argument that the enemies of the renegade freedoms we now hold dear are the very heroes of our history books he not only takes on traditional idols like John Adams Thomas Jefferson Andrew Carnegie John Rockefeller Thomas Edison Franklin Roosevelt and John F Kennedy but he also shows that some of the most famous and revered abolitionists progressive activists and leaders of the feminist civil rights and gay rights movements worked to suppress the vibrant energies of working class women immigrants African Americans and the drag queens who founded Gay Liberation This is not history that can be found in textbooks it is a highly original and provocative portrayal of the American past as it has never been written before
